

District Records Shattered At 6-A-2 Meet

Ideal weather conditions and top-flight cindermen added up to a record shattering District 6-A-2 track meet at Myrtle Creek Saturday.

A total of seven district records fell during the afternoon and the remaining seven were seriously threatened.

Rogue River's Chieftains edged the fired-up Myrtle Creek Vikings and the strong St. Mary's Crusaders for the district crown. The Chieftains trailed the Vikes by one point going into the final event, the 880 relay. However, the Rogue River quartet overtook the Myrtle Creek sprinters on the final turn to finish third in the race and win the team title.

Rogue River ended with 82 points followed by Myrtle Creek with 81 and St. Mary's with 73.

The top two finishers in each event, plus any others that equalled or bettered the state qualifying times or distances will travel to the state A-2 meet at Corvallis this weekend.

One of the top races of the afternoon came in the 100-yard dash. Myrtle Creek's Ross Barkhurst took the lead just out of the starting blocks and continued to hold the

edge throughout the race for a record breaking :09.85 clocking. The old record was 10.1 by Bill Turner of Eagle Point in 1959.

Barkhurst was followed across the finish line by Chris Jones of Rogue River and Jim Webb of St. Mary's with identical 10 seconds flat times. All three qualified for the state meet.

Barkhurst became a double winner when he spun the discus 145-7 1/4 to top the field by nearly six feet. The Viking ace's throw was just short of the district record.

Jim Calhoun of St. Mary's helped rewrite the record book when he tossed the javelin 211-6 1/2—one of the best throws in the state this year. Calhoun's heave bettered the old mark of 194-6 set by Don Slanaker of Illinois Valley in 1959.

Ron Salmon picked up another district record for Myrtle Creek when he cleared the high jump bar at six feet, bettering the old mark by three-quarters of an inch.

The district record in both the high and low hurdles were replaced. Rogue River's Don Salyer was one of two hurdlers to topple the record in the highs as he covered

lowed by Eagle Point's Sam Charter with a :15.0. The old mark was :15.1.

Charters came on in the lows with a :20.5 to better the old record by three tenths of a second.

Rogue River's Jones came on stage in the 220 with a :22.5 clocking in the 220 for another district record. Webb of St. Mary's was also below the old record of :22.8 with a :22.7 clocking.

In the mile a duel between Jack Salter of Rogue River and Ed Cadman of Myrtle Creek developed. Salter came in the winner with a 4:27.1 for a new district record, while Cadman bettered his own district record with a 4:32. Also besting the district record of 4:36.3 was Bill Riverman of St. Mary's and Ron Halluka of Rogue River.

Salyer and Salter both doubled up in the win column, with Salyer taking the honors in the pole vault by upsetting Sutherland's Don Goertzen and Salter nipping Cadman in the 880. Salyer cleared 12-6 in the pole vault. Goertzen went over at 12-3 and Malcolm Yates of Myrtle Creek qualified for the state meet by soaring 12 feet.

In replacing the Vikings as the district champs, the Chieftains won five first places. Myrtle Creek cap-

tered three. St. Mary's won three, and Eagle Point, Phoenix and Glendale each had one first place winner.
