Plays Don't Always Win

(Written For NEA)
By OSWALD JACOBY

In a recent duplicate every South player became declarer at one spade after the "stirring" bidding shown in the box.

The worst player in the group received a three of hearts lead. He went up with the ten in dum-

The deuce of clubs was opened against him and he dropped the king under the ace in order to manufacture an extra entry to dummy. This allowed him to finesse both the ten and queen of spades and to lose both. Later he had to lose tricks to the nine of trumps and jack of hearts.

In case any of you readers plan to follow the dub's winning strategy my advice is, "Don't." The expert really gave the hand a fine play and the dub, after gaining a trick on the opening lead, played the hand badly. The cards don't always lie the way they should and bridge plays are based on percentage. If you use the best line you won't gain tricks every time, but over the years you will make many more tricks than if you go against percentage.

my and led a spade to his ace. When the jack dropped he continued with a low spade to drop West's king. Then it was no problem to make four odd for a top score.

When asked about his trump play he replied, "I never finesse at low contracts."

The best player managed to make only seven tricks for a bottom score.

CARD SENSE

Q—The bidding has been:
East South West North
3♥ Double 4♥ Pass

Pass, South hold:
♠ AQ1085 ♥ 3 ♦ KQJ ♠ A32

What do you do?
A—Bid four spades. This is a gamble, but you should take it.

TODAY'S QUESTION
Instead of passing West's four heart bid your partner bids five clubs. What do you do under these circumstances?

Glendale Church Names Winners

Debra Whaley and Susan Naugler have been named as the winners of the April Sunday School and Church Attendance Contest at the Glendale Olivet Community Church. Debra Whaley ranked high enough in the number of contest points achieved to earn for herself an excellent quality study Bible, only two of which have been previously

presented during the preceding months of the contest, according to the Rev. Norman Naugler, pastor.

RHS Symphonic Band Sets 'Sound Of Music'

"The Sound of Music" will be the theme for the Roseburg High Symphonic Band's annual Pops Concert, tonight at 8 p.m. The symphonic and cadet bands will present their program of "pop" numbers in the school gymnasium where the audience will be seated at tea tables.

Music for the concert will all be light numbers. Such selections will include "The Sound of Music," "Arrangers Holiday," a large selection of marches and Latin numbers.

Awards and scholarships will be presented to outstanding musicians in the Senior Band.

Following the concert there will be a short dance for those who wish to stay. The dance will feature the High School Dance Band. A small admission will be charged. Refreshments will be served.

VFW PROTESTS

WASHINGTON (UPI) — The Veterans of Foreign Wars (VFW) protested recently against a new move by the United States to restore normal relations with Communist Hungary.

The VFW statement was issued following reports that U.S. officials were considering dropping opposition to giving the Hungarian regime a seat in the United Nations.

State Senate Approves Bill To Regulate Prices Of Milk

SALEM (UPI) — The Senate voted 21-8 Monday to approve a milk price support bill. The measure now goes back to the House for agreement on Senate amendments.

Sen. Walter Leth, R-Salem, said 1,300 Oregon milk producers were depending on passage of the bill. Ireland argued successfully that attempts to get the measure sent back to committee were attempts to kill the bill.

Approval came after 45 minutes of debate. Two attempts to send the measure back to committee were defeated on votes of 19-10 and 20-9.

Sen. Arthur Ireland, R-Forest Grove, said controls were needed to protect producers, distributors and consumers.

He said the bill would not increase prices to consumers, and that retailers were the only ones to benefit from lack of controls. Sen. Thomas Mahoney, D-Portland, spearheaded the drive to get the measure sent back to committee. "Don't let the camel get its nose under the tent," he warned as he cited opposition to the measure.

Sen. Harry Boivin, D-Klamath Falls, said the measure was needed to keep an ample and constant supply of milk for consumers.

if it's NEW... if it's ADAPTABLE...

it's ELECTRIC HEAT!

Building or remodeling? Remember — ELECTRIC HEAT, utilizing pure, clean energy rather than messy burning fuels, is the only truly new and modern way of heating under the sun! And it's the most adaptable. There are electric heating devices — simple, inexpensive and worry-free — to fit homes of all sizes, shapes, and decor — and to fit every living area, every need, within the home. A few to choose from:

RADIANT CEILING CABLE: Provides exceptionally even heat. Completely concealed in your ceiling. Very inexpensive to install.

ELECTRIC BASEBOARD: Installed around outside walls, take up no valuable wall space. Created to blend with any decor. Especially adaptable to new rooms and wings.

ELECTRIC WALL PANELS: Especially adaptable to small rooms. Installed in or on walls, with decorative grills or flat, heat-radiating surfaces.

HEAT PUMP: Heats and air-conditions, according to your needs! Thermostatically-controlled heat pump means complete and automatic climate control in your home! Very economical to operate. Initial cost compares favorably with traditional (and out-moded) central heating and cooling systems.

AND THERE ARE MORE! Investigate thoroughly before you decide.
