

Cemetery Work Draws Families To Coles Valley

By MRS. GEORGE MUNSON

The annual cleanup day and business meeting of the Coles Valley Cemetery Association was attended by some 30 members and their families.

A potluck dinner was served at the Umpqua Sunday School building at noon with Mrs. Delmar Murphy and Mrs. Lester Thomas as hostesses. A business meeting followed the dinner and was conducted by Delmar Murphy, president of the association. Magnus Neilsen was re-elected to a five-year term on the executive board.

A trust fund of \$5,000 has been given to the association in the will of late Ruth Clark. The interest to be used as perpetual care funds. The small wooded park across the highway from the cemetery, a gift several years ago to the association by Mrs. T. B. (Florence) Viden, is to be landscaped and kept for a picnic ground. Mrs. Roy Edwards is the secretary-treasurer for the group.

Club Meets
The Calapooia Women's Club met in the clubhouse on Wednesday for an all-day meeting. A potluck dinner was enjoyed at 12:30 with Mrs. Walter Slater and Mrs. Eric Johnson as co-hostesses. A business meeting followed by Mrs. Walter Slater, president, was called at 2 p.m.

Reports were given on the new electric water heater recently installed. The Father's Day public dinner was canceled because of conflicting dates. A plant sale was held by Mrs. Raymond Stephens, following the meeting.

Mrs. Long Has Guests

Mr. and Mrs. Merle Olson and daughter, Wanda, and Ed Riding, all of Portland, and Mr. and Mrs. Frank Miller and son, Arnie, of Chehalis, Wash., were weekend guests at the home of Mrs. Will Long on her ranch near Umpqua. On Sunday, Mr. and Mrs. Charles Brundage of Salem were also guests at the Long home. The Weber Bakery in Roseburg, have bought a home in Salem and plan to make their home there.

Mr. and Mrs. Gerald Bacon and daughter, Judy, spent the weekend at their cottage at Diamond Lake. They report that there is still about 3 feet of snow at their place and they had to go across the lake from the lodge by boat as the roads on their side were not open yet.

Mr. and Mrs. Walter Slater were dinner guests at the home of her mother, Mrs. Ida Davidson, in Cottage Grove on Sunday.

A concert of song and praise was given by the youth choir of the Church of God of Roseburg in the school auditorium at Umpqua on Friday evening.

The singers, June Clark, Howard Stratton, Chet Sorenson, Gerri Miller, Carole Lowman, Ruth Ellen McClelland and Walter Peterson were accompanied by Phillip Sorenson on the piano and Elwyn Stratton on the organ.

Mrs. William Anderson spent the weekend with her son, Billy, at Klamath Falls where he is attending Oregon Technical Institute. It was Parents Weekend and activities of interest had been planned for this event. She returned home late Sunday evening.

Hopes Are Revived For Unified Africa

ADDIS ABABA, Ethiopia (UPI)—Hopes revived today that the 31 nations of Africa might lay the groundwork for a single, uniting organization at their summit meeting which began here Wednesday.

The African countries now are generally divided into two groups, the "Casablanca powers" and the "Monrovia group." Each has introduced a draft charter for an African organization at preliminary meetings here.

But Monday night Senegalese Foreign Minister Doudou Thiam, spokesman for the 31 foreign ministers, said they had agreed to present an Ethiopian draft to the summit as the main basis for discussion.

The heads of state will attempt to combine it with the Monrovia and Casablanca group versions. If there is progress, he said, a new meeting of foreign ministers will be called to work out final details after submitting the charter to their governments.

Thiam said the process seemed complicated, but explained: "We are not magicians. Africans are responsible people. What charter of this importance has been drafted in one meeting."

TO ATTEND CONFERENCES

WASHINGTON (UPI)—Forty-five U.S. scientists and engineers will attend three technical conferences in Europe over a six week period on the peaceful uses of atomic energy.

The conferences sponsored by the International Atomic Energy Agency, will be held in Salzburg, Austria, May 27-31; Vienna, June 4-10, and Prague, Czechoslovakia, July 1-5.

DICKEY, YANK GOODS

BELGRADE, Yugoslavia (UPI)—American industrial goods will be displayed for the first time at the annual Belgrade Technical Fair opening here Friday, according to an announcement here. Officials of the fair said U.S. industrial products will be exhibited in a 2,000 square yard area. The fair will continue through June 2.

Canyonville Bands Entertain With Outdoor Concert

By MRS. R. E. PROCTOR

A warm spring evening made a perfect setting for the Canyonville School Spring Band Concert given on the steps of the high school last week with Bill Johnson directing the elementary band and the high school band in a varied program.

Weather Holds Good

With the audience in cars and on the lawn, and many who lived close by enjoying the music from their front porches, the concert was the first of this type which did not fall victim to rain.

The fifth and sixth grade band played selections that were especially appropriate to the setting, including "Twilight Serenade" and "Claire De Lune." The high school band followed with several numbers. Mike Cyphert, accompanied by the band, played his prize-winning cornet solo, "Trumpeters Lullaby," and a trombone trio composed of Johnny Aranson, Sherell Soetebier and Tom Thompson presented a specialty number, "Highlights from 'South Pacific'." Jim Sherman on the cornet and Jan Orlins on the baritone horn soloists. Jim Aranson, trumpet, Bruce Johnson, saxophone, and Chris L. Dowd, drums, were soloists for the finale, "Heavenly Hosts." The band was played by the entire group. Band Boosters served refreshments in the school homecoming room following the concert.

Pre-Schoolers Register

Some 20 children were registered Wednesday when the Canyonville primary school played host to pre-schoolers and their mothers. According to Mrs. Howard Chisvard, principal, this represents about half of the first grade enrollment anticipated for September, 1963.

Mrs. Anthony Gevre and Mrs. Zane Becker of the PTA served refreshments to the mothers while they heard Nettie Ulmer, Douglas County health nurse, talk about the health program for pre-schoolers. Arlyn Miner and Treva Meyer played instrument solos and some of Mrs. Kathy Hutter's first graders gave readings for the entertainment of the mothers while the pre-schoolers visited the two first grade rooms for half an hour.

According to local members of the B.Y.O.E., the Crackerjacks in Canyonville made another hit when they appeared at the Elks convention in Eugene representing the Elks Club Lodge, over the weekend.

The Crackerjacks are a Dixieland combo of Canyonville seventh graders including Chris Dowd, drums, Mike Cyphert, trumpet, and Bob Proctor, trombone. To round out the group, they have added saxophonist Bruce Johnson, ninth grader, and the four have plans to make several appearances this summer.

Guests at the Charters Dowd home this weekend were Mrs. Dowd's aunts, Mrs. Delbert Klough of Tacoma and Miss Be Peterson of Portland.

Weekend guests at the A. B. LeBlanc home were a son and family, the Leonard LeBlancs of Eureka.

Inspiration for a family picnic at Stanton Park Sunday were houseguests of the Elmer Brysons, Mr. and Mrs. Robert Mortenson, Mrs. J. Young and Mrs. M. M. Vull of St. Petersburg, Fla., and Mrs. Minnie Bryson of N. Carolina.
