

# Dodgers Nip Giants, 4-3 Mets Snap Losing Streak

Three butter-fingered ballplayers sure messed up the National League race on Sunday.

The culprits were shortstop Jose Pagan of the San Francisco Giants and outfielder Duke Carmel and pitcher Bob Gibson of the St. Louis Cardinals, but before climbing all over them or suggesting they sell their gloves, be advised they ordinarily do a fine job on defense.

Not Sunday, though. Pagan committed three errors and his last one in the 10th inning enabled the second-place Los Angeles Dodgers to beat the first-place Giants, 4-3, and slice their league lead to two games.

Carmel and Gibson each made errors during the 11th inning of a nightcap against the New York Mets, helping Casey Stengel's crew snap a seven-game losing streak and defeat the third-place Cardinals for the first time this season, 3-2. The Cards won the opener, 7-4.

**Bad All Around**  
It was a miserable day all

around for Pagan, who went hitless at the plate, set up one Dodger run with a wild throw in the fourth inning and let in the tying run with another bad peg in the seventh.

With Don Larsen pitching in the 10th, Jim Gilliam bounced a routine grounder to Pagan, who then threw wild again, allowing Gilliam to go all the way to second from where he scored the winning run on Tommy Davis' single.

Winner Don Drysdale (6-4) gave up eight hits, including solo homers by Jim Davenport and Felipe Alou.

In the Mets-Cards nightcap, Carmel, who had replaced left-fielder Stan Musial in the 10th, muffed Charley Neal's 11th inning fly for a two-base error. Chico Fernandez then bunted toward the mound and Gibson fired wildly past first base for another two-base error that scored Neal with the winning run.

The defeat cost the Cardinals a chance to move within 3½ games of first place after they beat the

Mets in the opener on a three-run homer by pinch hitter Charlie James in the eighth inning. St. Louis bombed four of five Met pitchers for 16 hits, including five by Ken Boyer and four by Bill White.

## Phils Win Pair

In other National League games the Philadelphia Phillies swept a twin-bill from the Cincinnati Reds, 10-4, and 3-0; the Pittsburgh Pirates defeated the Milwaukee Braves, 5-2, in 11 innings, and the Chicago Cubs downed the Houston Colts, 5-1.

Over in the American League, the first-place Baltimore Orioles took two from the Cleveland Indians, 10-6 and 6-1; the New York Yankees beat the Washington Senators, 7-1, but dropped the nightcap, 7-6; the Detroit Tigers trounced the Boston Red Sox, 12-3, then lost the nightcap, 6-5; the Minnesota Twins defeated the Chicago White Sox, 5-2, and the Los Angeles Angels beat the Kansas City A's, 6-4.

Ray Culp, a 21-year-old bonus rookie pitcher who received \$100,000 for signing, and 36-year-old veteran Roy Sievers, who was given only a new pair of baseball shoes for signing his first major league contract, were the standouts in the Phillies' sweep of the Reds.

## Fans Twelve

Culp struck out 12 batters and set down the Reds on three hits in recording his fifth victory in the nightcap while Sievers delivered a pinch grand slam homer in the eighth inning to clinch the opener. The grand slam was the 10th of Sievers' career, trying him for top spot among the active players. Joe Jay suffered his eighth loss against one victory in the second game.

Bob Bailey's three-run homer off loser Frank Funk in the 11th inning powered the Pirates to their victory over the Braves after Bill Mazeroski's ninth inning homer had tied the score at 2-all. Al McBean, fourth of five Pirate pitchers, was credited with his fifth victory. Bob Clemente also homered for Pittsburgh.

Home runs by Ron Santo and Ken Hubbs paced the Cubs to victory over the Colts. Santo's sixth homer in the fifth inning with one man on sent loser Dick Drott to the showers and Hubbs belted his fourth homer in the seventh off Don McMahon. Bob Buhl allowed eight hits in recording his third victory and first since April 28.

**HEADS PLAYER PERSONNEL**  
NEW YORK (UPI) — The New York Jets of the American Football League have appointed George Sauer, who was an assistant coach last year, will be in charge of the Jets' scouting program and he will serve as an assistant coach during the pre-season try-out and training camps.

**QUICK REFLEXES** were exhibited by Pittsburgh's Bill Mazeroski as he ducked a high inside pitch in the ninth inning thrown by Milwaukee's Hank Fischer. Mazeroski sent the next pitch over the fence to tie the game, and the Pirates went on to win a 5-2 decision in 11 innings. (UPI Telephoto)

## LA Playboy Pitcher Shipped To Islanders For Seasoning

LOS ANGELES (UPI) — Woe is Bo.

Minor-league bound Robert (Bo) Belinsky no longer is with the Los Angeles Angels with whom he made a flashy start last year by running off a string of victories and hurling a no-hit game. He was told before Saturday's game that he would be sent down to the Angels' chief farm club, the Hawaii Islanders of the Pacific Coast League, after compiling a whopping 6.39 earned run average and a 1-7 record this season.

Belinsky amazed sports writers and fans with his comments in his rookie season and drew headlines during his major-league tenure by keeping late hours and nightclubbing with Hollywood personalities.

During spring training this year (Bo was the last player to report) the southpaw became engaged to blonde actress Mamie Van Doren. But the American League may not have seen the last of the 26-year-old hurler.

Angel manager Bill Rigney said, "It isn't the end of the world to be sent to Hawaii. In a few weeks we could take another look at the situation and might make other decisions."

"Belinsky ran into a little bad luck, and then started fighting himself," Rigney said. "We know he can pitch, and if he would quit worrying and start throwing like he did at the start of the season he could help us."

Belinsky, who complained loudly in the spring of his rookie year that he wasn't getting paid well enough, was apparently consoled to his relegation to the minors. "I guess I'm going to get me a good sun tan," he said. His fiancée, Mamie Van Doren, chimed in, "Hawaii is one of my favorite spots." She said she is going to be in New York City

working on a play, so they would have trouble seeing much of each other even if he were still with the Angels.

### OSU Varsity Rolls To 36-28 Triumph

CORVALLIS (UPI) — Oregon State's varsity rallied for two touchdowns in the final minute and a half to defeat the alumni 36-28 Saturday despite a brilliant passing exhibition by Terry Baker.

Baker hit 32 of 46 passes attempted, including two for touchdowns. He also ran for a score.

Doug McDougal tallied on a three-yard pass from Gordon Queen with 1:20 left and Wane Drake tallied on a 24-yard run with 31 seconds remaining to give the varsity its victory. It trailed 28-22 before its last two touchdowns and was behind 21-14 at halftime.

Queen, who is expected to be Baker's successor next season, passed for three touchdowns and 261 yards. He completed 12 of 19 aerials.

### Fremont Girls Topple Joseph Lane Thinclads

The Fremont Junior High girl thinclads scored a double victory over cross-town rival Joseph Lane. In the seventh and eighth grade competition Fremont posted a 40-32 victory, and the Generals toppled the Pioneers, 51-29, in the ninth grade action.

Teams composed of 15 girls from each junior high will travel to Portland June 8 to compete in the Junior Olympics.

## Lineup Complete For 500; Rookies Record Fast Times

INDIANAPOLIS, Ind. (UPI) — The conventional, four-cylinder roadsters still ruled the Speedway today, but three other breeds will continue their challenge in Thursday's 500-mile race for a \$450,000 jackpot.

Two weekends of qualifications screened the fastest field in the gasoline derby's history, with the 33 cars averaging a record 149.028 miles per hour, compared with last year's 147.330.

The line-up includes 26 cars powered by Offenhauser engines, two British-made Lotus creations powered by Ford power plants, two of Mickey Thompson's low-slung Chevrolet-powered machines the three Novis—the most ever entered.

The Lotus-Ford and Thompson's cars are rear-engine machines—4 of 11 that made the field. Seven cars were "bumped" by faster ones, five of them Sunday when the time trials ended on their usual hectic note. Due to stiff winds throughout the day, there was little activity until only 75 minutes remained. Thus, 11 cars still hoping to qualify were left stranded at the starting line.

Bobby Unser, Albuquerque, N.M., Peak hill climb in Colorado, was Saturday's fastest qualifier at 149.421, and Al Miller, Roseville, Mich., another rookie, took the same honors Sunday at a clip of 149.613.

Three other "500" rookies will get their first crack at auto racing's richest payoff—Scotland's Jimmy Clark, who with Dan Gurney comprises the very potent Lotus-Ford team; Art Malone, Tampa, Fla., in one of three Novis, and Johnny Rutherford, Fort Worth, Tex.

The hard-luck chauffeur of the trials was Len Sutton, Portland, Ore., runnerup to Roger Ward in last year's race. Sutton, who cracked up last Tuesday in practice, was bumped twice, the second time as the eliminations ended with Ebb Rose, Houston, Tex., the final qualifier.

Rose also was the only driver to make a successful comeback after the car originally assigned to him was beaten. That made Sutton the No. 1 alternate for the race, in the event one of the 33 machines in the lineup cannot start.

Troy Ruttman, one of four former "500" champions in the lineup, was the only other successful qualifier Sunday. Twenty unsuccessful tries were made over the weekend.

Jim Rathmann and A. J. Foyt are the other former winners in the lineup, but Mexico's Pedro Rodriguez was also bumped. He was the first to go late Saturday, making Clark the only foreigner in the race.

**Douglas Improves Grid Field With Scoreboard**

The Douglas High School football scoreboard has been ordered and should be installed in time for the football season next year, according to Ralph Peterson, vice principal and athletic director.

The scoreboard, which costs \$1,681, will be paid for by the Pepsi Cola Bottling Company and the high school. Various clubs and classes are also contributing.

At this time the exact amount left to be raised is unknown because the installation cost has not been determined, but according to Peterson the cost may be a little over \$200.

**RECORD SNAPPED AGAIN** — Washington sophomore Brian Sternberg sailed over the pole vault bar at 16-7 Saturday in the California Relays at Modesto to set a new world's record. The young vaulter just missed clearing 16-9. Sternberg's 16-7 performance bettered the 16-6¾ mark set by John Pennel earlier this year. (UPI Telephoto)

## World Records Shattered At California Relays

MODESTO, Calif. (UPI)—America's chances in the meet with Russia this summer never looked better today following a night of world-record tracking in the 22nd annual California Relays Saturday.

World marks were bettered in the pole vault, two mile relay and the broad jump; and the American record in the mile was topped by Peter Snell of New Zealand, who was clocked in 3:54.9.

The pole vault mark, which is knocked over just about every weekend since the invention of the glass pole, went to Brian Sternberg, a 20-year-old University of Washington sophomore who cleared 16 feet, 7 inches.

The broad jump of 27 feet, 4 inches by another 20-year-old Washington soph, Phil Shinnick, probably never will be recognized. A careless official watching the wind gauge failed to turn it on—so the mark probably will be listed as wind-aided.

### No Wind

"It's a shame," said meet director Tom Moore, "there was practically no wind at the time." The surprising thing about the leap was that before Saturday, Shinnick never had jumped further than 25 feet, 5 inches.

"But I got all excited when I saw Ralph Boston jump nearly 27 feet," he said.

Boston finished second with a great leap of 27 feet, 2½ inches. It was a night of fine performances. And the best overall probably was the glamor event, the mile.

### Weisiger Runs Strong

It was supposed to be a match between Snell and America's Jim Beatty. But two others got into the act. Cary Weisiger of the Marines finished second in 3:57.5. Next came Beatty, then Jim Grelle, the latter two each timed in 3:58.

"I was flat for the race," said Beatty without offering an alibi. "I don't know what happened. Maybe I trained too much for the 5,000 meters. I can run 3:58 any time. I should have done better." Snell said he ran the race he had planned—mainly keeping an eye on Beatty.

### National Anthem

"So I was surprised with the showing of Weisiger," said the New Zealander. "But I was all worked up for this race for a long time. Then, when they played the New Zealand national anthem, I became inspired."

For the first time in history, two men bettered the 200-foot mark in the discus in one meet: Al Oerter won it with a powerful heave of 202 feet, 11 inches, and Jay Silvester finished only second with a great toss of 201 feet, 10½ inches.

John Thomas cleared 7 feet, ¾ inches in the high jump. The two-mile relay world mark was set by Oregon State with a clocking of 7:18.9, knocking over the old mark of 7:19.4, set by a United States national team in 1960. Running on this club were Jan Underwood, Jerry Brady, Norm Hoffman and Morgan Groth. Times were 1:50.2 for Underwood, 1:52.0 for Brady, 1:48.4 for Hoffman and 1:48.3 for Groth.

Oregon State's Gary Stenlund captured the javelin event with a throw of 251.9. John Burns of Oregon was third in 244.9's. Doug Parker and Gary Baker, freshmen at Oregon State, finished second and fourth in the 800-yard run in 1:50.2 and 1:51.1, respectively. Ex-Oregon half miler

Sig Ohlemann was fifth. Oregon's Paul Stuber came in third in the high jump at 6-9¼ and Mel Renfro of Oregon was third in the 120-yard high hurdles in 14.2.

Lynn Eves of Oregon State ran sixth in the 220-yard dash. Shot putter Dave Steen of Oregon failed to qualify for the finals. His best effort was 59.7.

### Are we closing it?

It's good news to know that many of our schools are stepping up their physical education programs. But the so-called "muscle gap" is still too big. Far too many of our children still aren't getting the daily, vigorous exercise needed to put and keep them in good physical condition. You owe it to yourself—and your children—to support a vigorous school activity program. Make your interest known where it will count. With your local school officials.
