Stepped-Up Race Demonstrations Due In Dixie

By United Press International
Tallahassee, Fla., May 30—Police at Tallahassee Thursday arrested 237 persons for staging two brief racial demonstrations in the Florida capital. A crowd of about 200 white persons cheered and applauded when police moved in on Negroes picketing a segregated theater. But officers had to use tear gas to break up another demonstration by about 85 Negroes. One girl fell to the ground in the bluish smoke, but was picked up by a fellow demonstrator and apparently was not hurt.

Three Pickets Beaten
The three men at Charlottesville were protesting segregation in a restaurant when they were attacked by two white men who beat them with their fists. Police arrested all five men and charged them with assault.

The Rev. H. F. Johnson, head of the Charlottesville branch of the National Association for the Advancement of Colored People (NAACP), was hospitalized with undetermined injuries.

There were these other racial developments:
—A biracial committee at Nashville, Tenn., said Thursday it has completed its organization and had "launched immediately" in racial problems facing the Tennessee capital.

—Three Negroes tried unsuccessfully to enter three downtown theaters at Chattanooga, Tenn., Thursday.

—An NAACP official said at Radnor, Pa., Thursday that demonstrations at a school construction site in Philadelphia were the start of a nationwide drive against segregation in unions.

At Tallahassee, Fla., 220 Negroes were ordered to appear in court today to answer charges of disobeying an injunction against demonstrations. Two Negroes and a white man picketing a segregated restaurant at Charlottesville, Va., were beaten Thursday.

In Washington, the Defense Department said it has transferred 150 troops of the 101st Airborne Division at Ft. Campbell, Ky., to Ft. McClellan, Ala., to replace 150 infantrymen. The department said the shift was not connected with the removal Thursday of about 400 troops from the Birmingham, Ala., area where President Kennedy ordered troops following racial violence on May 12.

Jackson police Thursday broke up a campus demonstration by 500 Negro high school students, some of whom threw rocks, bottles and bricks at officers. Three policemen were reported slightly injured. Two persons were arrested at the school and 25 more demonstrators were arrested in downtown Jackson.

Get Riot Training
Highway patrolmen from throughout Mississippi were moved into the capital and put on standby alert at patrol headquarters where they underwent riot control training.

Thompson and two city commissioners warned Thursday that violence would support demands of civil rights leaders that federal troops be sent to Jackson. Negroes later in the day requested that Atty. Gen. Robert F. Kennedy intervene "to prevent further unlawful arrests and harassment."

Sunday Work Party Set At Camp Tye

There is still work to be done by volunteers to ready Camp Tye for the opening in July, according to Mrs. Oscar Amundson, Camp Fire Girls executive director. The camp is located on the Umpqua River west of Sutherlin.

Work days for Sundays through the month of June, and Sunday, July 7, have been set up for families from the various schools in the area. This Sunday will be Fir Grove and St. Joseph day, Mrs. Amundson said, but anyone who finds it convenient may go any work day. Families are invited to bring a picnic lunch and combine an outing along with the renovation activities.

Remaining to be done is clearing of brush, cutting up of downed trees resulting from the October storm and repairing of waterfront steps. For the last two weekends prior to the opening of camp July 14, work will consist of sweeping and scrubbing all buildings.

Roseburg Kiwanians on their annual workday at camp in May accomplished a major part of the post-winter restoration of the camp. Mrs. Amundson reports, including power saw clearing of downed trees and the re-roofing of eight sleeping cabins. Kiwanians arrived early for breakfast, which was supervised by Gil Commons. Kiwanian Phil Quisenberry also arranged for repair of the wiring which was badly damaged by the October 12 storm. Melrose parents assisted in brush clearing during the day.

Tugman Park Dedication Set For June 6

Three special speakers will take part in dedication ceremonies for Tugman Memorial State Park on Thursday, June 6, according to Forrest Cooper, state highway engineer.

Speakers will be Warne Nunn, executive assistant to Gov. Mark Hatfield; John Amacher, member of the Oregon State Game Commission; and Alfred Collier, member of the state Parks and Recreation Advisory Committee. Loran Stewart, chairman of the advisory committee, will be master of ceremonies.

The dedication is scheduled for 2 p.m., with Mrs. William M. Tugman and family as guests of honor.

The park was named for the late William M. Tugman, former chairman of the state Parks Advisory Committee and an editor and publisher who devoted considerable time to promotion of state parks.

Representing the state Highway Department will be P. M. Stephenson, assistant state highway engineer, and Harold Schick, state parks superintendent.

Approval for acquisition and development of the 460-acre Tugman Park was obtained in January of 1962. The land was deeded to the state Highway Commission by the state Game Commission.

Main activities at the park will be fishing, swimming, picnicking and hiking, as the park will be for day-use only. The Highway Department plans to build camping facilities at a later date.

The park is located just off Highway 101 about eight miles south of Reedsport. It adjoins Eel Lake, a popular fishing spot. The Highway Department has constructed a boat launching ramp and has sectioned off an area for swimming purposes.
