

Idaho Woman Arrives For Visit With Family At Tiller Station

By MRS. MILTON HAMMERSLY
Mrs. Currie N. Teed has arrived from her home in Boise, Idaho, for a visit at the home of her son-in-law and daughter, Mr. and Mrs. Paul J. Brady, and family at the Tiller Ranger Station. The Bradys met her in Canyonville when her bus arrived.

Mr. and Mrs. Frank Elrod of Medford observed their 25th wedding anniversary Sunday with a family dinner attended by 24 relatives, including the former's brother-in-law and Mrs. Roy Jackson and family. The Elrods are well known in the Tiller vicinity, as Elrod was an employe of the old Tiller mill. The celebration was held in advance of the anniversary, as their daughter, Sandra had chosen May 29, her parents' wedding date, for her own wedding ceremony. She became the bride of Don Newell of Medford.

When Mr. and Mrs. Tom Waddell came from their home in San Jose, Calif., to get their three youngsters, who had been visiting at the home of Mrs. Waddell's brother-in-law and sister, Mr. and Mrs. Robert D. Clauson and children at the Tiller Ranger Station, they were accompanied by William Kelly of the Department of Fish and Game. The two women, the father's visit was a complete surprise for the Clausons, who did not know he had made a trip West. The visitors remained over the weekend.

Jerry Wojack, forester with the Cow Creek Ranger District, returned recently after a two week motor trip to Michigan. He visited relatives, including his parents, in Detroit, and saw numerous friends in the area. He stopped at Michigan College of Mining and Technology in Houghton, where he received his degree in forestry prior to coming to Tiller to work a year ago. His trip was uneventful until en route home in the vicinity of Vale, where he reported he was forced off the road by another mo-

torist. He was uninjured, but his car received moderate damage. Only inches, he said, kept the accident from being more serious.

Rust Control Talked
Don Graust of the regional office of the Forest Service in Portland and Dr. John Zepher of Milwaukee, Wis., stopped briefly at the Tiller Ranger Station after they had been in Medford conferring with Rogue River Forest officials. They talked to Tiller personnel engaged in blister rust control work. Dr. Zepher is with the Forest Service, where experimentation is being carried out on an antibiotic developed by the firm for use in control of the pine disease.

Jim Hunt arrived recently from Iowa City, Iowa, to begin his third summer season as a student employe of the Cow Creek Ranger District. He will be stationed as a guard at Whiskey Camp located between Coffin and Butler Buttes in the Jackson Creek area.

Mrs. A. L. Wade has returned to her home in Sutherlin after spending two weeks at Drew at the home of her son and daughter-in-law, Mr. and Mrs. Raymond Norris and family. She looked after the Norris household while Mrs. Norris was confined in a Roseburg hospital for treatment for pneumonia and pleurisy and during her recuperation after release.

Mr. and Mrs. Roy Jackson of Drew had to rush their small daughter, Eunice, to Crater Osteopathic Hospital in Central Point for medical attention after the youngster fell in the Jackson yard while playing. She received a broken collar bone, which is now encased in a cast.

Emergency Board Picked

SALEM (UPI)— House Speaker Clarence Barton Friday named himself and Reps. Ross Morgan, Beulah Hand, Stafford Hansell and Shirley Field as House members of the Emergency Board. The board of legislators approves expenditures from the \$2.2 million emergency fund between adjournment and the start of the next session. It also approves college construction plans.

William J. Moss, U. S. Navy, son of Mr. and Mrs. Roy E. Moss of Oakland, took part in the Pacific recovery of Astronaut Leroy Gordon Cooper after the latter's 22 orbits of the earth.

Mr. and Mrs. Neil Burpee spent the weekend with their daughter, Mrs. Vern Taylor, and family, at Yreka, Calif., and made the acquaintance of their new granddaughter, born recently.

John Dunn of Eugene visited recently with his parents, Mr. and Mrs. E. M. Dunn.

The last meeting of the school year was held Sunday by the Youth Fellowship groups of the Oakland Community Presbyterian Church. Starting at 5 p.m., a recreation program was enjoyed and was followed by a spaghetti supper.

Daily vacation Bible school will be held at the church beginning June 10. Detailed information will be announced later.

Bethel 42, Order of Job's Daughters, held its regular meeting Wednesday evening with Sharon Houshelt, honored queen, in charge. Petitions were read for two new members who will not be initiated until fall.

Mr. and Mrs. J. W. Swift, guardian and associate guardian, were special guests.

At another recent meeting, Mary Bade was elected honored queen to serve for the next term. Viki Grauf will be the new marshal. Installation will be held June 8.

The "Neat Fairy" award was presented to Stephanie Sprague and the librarian's report given by Christine Sikstrom.

Tennile School Schedules Picnic

The Tennile School picnic will be held on Thursday, June 6, correspondent Mrs. Walter Coats reports.

School will open as usual at 9 a.m. and will continue until 10:45 a.m. when awards will be presented in the school gym.

There will be a picnic lunch in the Ladies Clubhouse with serving set to start at 11:30 a.m. Games for primary children will begin at 12:30 and games and relay for grades three, four, five and six will begin at 1:30 p.m. School girls and their mothers will participate in a softball game beginning at 2:30 p.m.

Vince McGovern, school principal, reports the following teachers signed for next year: Mrs. Thelma Leigh, combination first and second grade; Mrs. Alice Claiborne, combination second and third grade; Mrs. Lola Fitzgerald, third grade; Mrs. Margaret Boyd, fourth grade; Mrs. Coca Tervorse, combination fourth and fifth grade; Earl Peterson, fifth grade; and Charles Searle, sixth grade.

Twenty-three children registered for the first grade next year at the recent Tennile school round-up, Mrs. Coats reports.

Senate Ousts Proposed Label For 'Balloon Loaf'

SALEM (UPI)—A bill to require extra-airy loaves of bread to wear a "balloon loaf" label was defeated Friday in the Senate.

It had passed the House. Balloon loaves are baked by about half a dozen large bakeries in Oregon. Small bakeries had sought to ban them altogether.

Supporters of the bill said the label would prevent customers from being deceived.

There were signs the Senate defeat of the bill could be reconsidered.
