

Church Council Averts Prayer Issue Trouble

NEW YORK (UPI) — The National Council of Churches averted a split in its ranks Friday night when its general board adopted a revised endorsement of the U.S. Supreme Court's ruling against regular prayers in public schools. Earlier, the council's policy-making board unanimously approved a strongly worded resolution calling for mass demonstrations throughout the country to protest racial discrimination and elimination of any discrimination in the member churches.

The board, in winding up its annual spring meeting today, is scheduled to debate another resolution urging support of economic boycotts as a last resort to eliminate economic racial injustices.

Orthodox Church Objects
The board also is expected to elect Dr. R. H. Edwin Espy as general secretary of the council to succeed Dr. Roy G. Ross, who is retiring at the end of this month after nine years in the post.

An original statement on the issue of school prayer met objections from the Greek Orthodox Church in North and South America, which feared it might be interpreted as a renunciation of God. A revised version of the pronouncement was accepted.

Like the one that was shelved, the final pronouncement carefully avoided endorsing religious devotion in the classroom but supported the teaching of religious subjects in public schools.

The resolution denouncing racial prejudice committed members of the 270-member board to personally involve themselves in demonstrations and direct social action. It also urged the 31 Protestant and Orthodox denominations which belong to the council to cooperate with the National Catholic Welfare Conference and Jewish organizations in interfaith demonstrations against racial barriers.

Five Persons Die In Crash

MILPITAS, Calif. (UPI) — Five persons were killed and two others critically injured today in a four-car crash apparently caused by a man chasing his wife and another man, the California Highway Patrol said.

The man accused of causing the accident escaped with minor injuries. He was identified as Edward E. Sylvia, 26, of Irvington, Calif.

He was admitted to Santa Clara County Hospital and held under police guard on suspicion of felonious manslaughter.

Highway Patrol officers said he apparently was chasing at high speed a car driven by Donald Wayne Gordon, 41, of Fremont, Calif., southbound on the Nimitz Freeway.

Sylvia's wife, Audrey, was in Gordon's car.

When he caught up with Gordon, Sylvia sidestepped his car, officers said. Gordon's vehicle careened into the northbound lanes and collided with another car, which then was struck by a fourth.

The dead were:
Gordon and Mrs. Sylvia.
David Lee Danner, 31, of Portland, Ore., driver of the car struck by Gordon's.
Helen Barnett Greene, age and address unavailable, believed to be Danner's mother-in-law and a passenger in his car.
Dean Walton Cook, 24, of Fremont, driver of the fourth car.

The injured were:
Bernard Maki, 31, of Fremont.
His wife, Margaret Suzanne Maki, 30, in critical condition at Washington Township Hospital.
Helena Cook, 27, believed to be Dean Cook's wife, critical condition at Washington Township Hospital.

Officers said the crash was still under investigation. It occurred about 2:15 a.m. p.d.

Damaris entered the hospital on April 22 for examination and preparation, and her mother reports that three days after surgery she was allowed to sit up, and was walking on the fifth day. She was released from the hospital in 10 days and recuperated very quickly at her home. The only problem, states her mother, is that of trying to keep her from overdoing her activities. Lions Slate Installation

Joint installation of officers of Roseburg Lions Club and Lady Lions will be held Thursday of next week at 6:30 p.m. at the Roseburg Country Club. Dancing will follow the dinner. Dr. Byron Woodruff and Ray Doerner are co-chairmen in charge.

Both the Roseburg and Umpqua Lions clubs benefit from this project, but proceeds are used for sight conservation work.

The club authorized payment of a scholarship to Beaver Boys' State and two scholarships for 4-H Summer school this summer.

A Toastmaster representative Bruce Shaner spoke on tourist information and travel, a project of the State Highway Department. Toastmasters are cooperating in spreading the information.

PONTIAC, Ill. (UPI)—A father and five of his seven children were killed today when their station wagon plowed into a parked truck.

The dead were identified as Charles J. Kozumplik, 41, Rolling Meadows, Ill., and five of his seven children.

The dead children ranged in age from 10 years to 7 months old.

Two other children, 9 and 2, and the mother, Dorothy, 37, who was driving the car, were in serious condition at St. James Hospital here.

The driver of the truck, Dial Rascas, 36, Decatur, Ill., said he had parked to check a tire and then waited for the Kozumplik car to pass. The car smashed into the rear of the truck and was demolished.

The children were wearing bathing suits.

No More Special Train Rides For U. S. Ambassador

WASHINGTON (UPI) — The State Department was afraid that West Berliners might think the United States was abandoning them if the U.S. ambassador showed up in a limousine instead of his special \$118,000-a-year train.

In fact, the State Department said the ambassador's train "symbolizes the U.S. commitment to Berlin."

Nevertheless, the department ordered the train discontinued after Rep. John J. Rooney, D-N.Y., suggested that it would make American taxpayers happier if the ambassador used an automobile or an airplane.

Rooney, chairman of a House appropriations subcommittee handling the State Department's money bill, discovered that the ambassador's train regularly chugged off from Bonn for dinner parties, to skiing slopes, on sightseeing trips and to take the envoy to speaking engagements within easy driving distance.

The subject came up at closed hearings in March. The testimony was made public Friday.

Oregon Deer Seasons Set

PORTLAND (UPI) — The State Game Commission Friday set Oregon's general deer season from Sept. 28 through Oct. 30.

The commission followed closely its tentative regulations adopted two weeks ago in setting final seasons and bag limits on the state's big game.

Members had considered testimony ranging from an appeal for closure of all deer hunting to wide-open seasons.

As in the past, hunters will be restricted to bucks with forked horns west of the Cascades and bucks with visible antlers in eastern Oregon during the general season.

The unit permit season for taking antlerless deer will run from Oct. 12 through Oct. 20, one week shorter than last year's season. The commission reduced the number of unit permits to 97,350, making most of the cuts in southeastern Oregon, where a low fawn production has been reported.

An early buck season was approved in the high Cascades, the Minam area and the Waldport-Mapleton area. Fifteen extended hunts also are scheduled for hunters with unit permits who have not used their deer tags.

The general elk season will run from Oct. 26 through Nov. 11 in the Coast Range and Oct. 26 through Nov. 24 in the rest of the state. The antelope season is scheduled Aug. 17-21.

The Clatsop, Wilson, Trask and Tioga elk units will be hunted only on a permit basis. Antlerless elk hunts also are scheduled in northeastern Oregon with 3,200 permits to be issued.

A total of 650 antelope tags will be issued this year, 50 more than last year. The Interstate unit and the south portion of the Klamath game management unit will be opened to antelope hunting this year in addition to the six regular units.

The commission said a synopsis of the 1963 big game regulations will be available to hunters early in July.

Through actual practice, these rights, duties and responsibilities become a reality for a week. Attendance at Girls' State also arouses in each girl the love of democracy and sense of freedom."

Miss Walton will join other girls from around the county in the Salem session.

Defendants Get \$5,000 In Condemnation Suit

A trial jury awarded defendants Robert S. and Joanne A. Gallo way \$5,000 for property needed by the Oregon State Highway Department for improvement and widening of Highway Interstate 5 between Anlauf and Yoncalla Junction.

The State Highway Commission filed condemnation proceedings, offering \$1,250 for the property. The defendants sought \$9,800.

The trial was conducted Wednesday and Thursday before Circuit Court Judge Don H. Sanders. The verdict was returned at 11:40 p.m. Thursday.

Pleads Guilty To Charge

James Lindsey Eastburn, 20, of Cottage Grove, pleaded guilty to burglary not in a dwelling Friday before Circuit Court Judge Don H. Sanders.

He was sentenced to serve 2 1/2 years in the Oregon State Correctional Institution. The district attorney's information accused him of breaking into the service station of J. W. MacDonald at Rice Hill May 26, with intent to commit larceny.

AT BEVERLY HILLS, CALIF., President Kennedy visits the graduating seniors of Burbank's John Burroughs High School at their \$18-a-couple prom after leaving his \$1,000-a-couple Democratic dinner being held in another part of the Beverly Hilton Hotel. The prom was almost booted out of the Grand Ballroom last month to make room for the fund-raising dinner honoring the President. The chief executive intervened and moved into a smaller room. PARTY DINNER MOVES

Grads Cheer JFK After Prom 'Save'

BEVERLY HILLS, Calif. (UPI) — A high school prom that almost got "bumped" from its reserved ballroom at the Beverly Hilton by a \$1,000-a-plate Democratic party dinner received a visit Friday night from the man who saved their day—President Kennedy.

Broadly grinning, the President strode from the celebrity-abounding fund-raising affair to greet the

542 graduating seniors from John Burroughs High School of Burbank who gave him a thunderous reception in the grand ballroom.

Kennedy took one of the celebrities, comedian Jack Benny, along with him. One of Kennedy's first remarks was, "Actually, this is a better room than the room I have."

"Next to being president, I would prefer to be a senior at this high school," the President said. "And Mr. Benny and I are not too old."

The fuss over the conflict in space for the two events—the prom and the dinner—came to light a few weeks ago when the school sponsors disclosed they were informed the prom had to be moved from the ballroom because of the dinner.

When Democratic officials and Kennedy heard of the problem they arranged to reschedule their event for two smaller rooms in the same hotel.

Bert C. Hoyt, Roseburg, pleaded innocent to assault and battery on George C. Stanley May 30, when arraigned before Judge Hayes. His trial was set for June 17 at 9:30 a.m. The alleged assault took place outside a local tavern.

Don Maurice Lent, 21, Portland, pleaded innocent to counseling and aiding a game violation. Trial by court was set for June 18. He is accused of aiding and counseling a 12-year-old boy to fish for trout in the North Umpqua River on May 18, when the river was still closed to trout angling.

Move Now On To Change Name Of Green Community

By MARY WEIKUM
Green Correspondent
A move is on in the Green community to change the name from "Green" to "Green Valley."

It seems the name for the area naturally grew from the name of the Southern Pacific Railroad's sign stating this was their Green station. This name, in turn, was probably derived from the Green family which owned much property here at that time.

Since there has never been a name established legally, some residents who feel the name "Green" doesn't say much, would like to see those who live here begin to call it "Green Valley" in honor of one of the "One Hundred Valleys of the Umpqua."

Also, since the area is growing both commercially and residentially, there is talk of trying to beautify it by planting trees and shrubs and undertaking a general cleanup of properties here.

Civic Clubs Proposed
Some residents have come up with the idea of forming a local civic club which could sponsor moves of this kind, including the recreational program for the children during the summer. Up to this time, this has been maintained by the parents of the children. If a plan such as the kind proposed could be put into operation, it could be enriched by the building of a regular community hall where Boy Scouts, garden clubs and other groups could meet and carry on their activities.

Anyone interested in these moves, is asked to call Mrs. Floyd Warner, OR 3-8802, Mrs. Warren Engdahl, OR 3-7719, or the writer, OR 3-4737. They will record expressions of opinions from area residents.
