Immediately upon completion of service by publication of the above-described warrants, if the delinquent taxes and interest and cost of service shall not have been paid, each such warrant or duplicate thereof will be filed by the tax collector with the County Clerk for entry in the judgment docket of Douglas County.

The amount of each warrant when docketed, together with added cost charges, will become a lien upon the title to any interest in real property owned by the person against whom the warrant is issued, and the taxes on personal property embraced in such warrant, with interest, penalties and costs applicable thereto, will continue as a lien on the person assessed as otherwise provided by law. The effect will be the same as though the people of the county had recovered judgment against the person charged for the full amount of the delinquent taxes covered by the warrant, together with interest thereon and costs as provided by law.

Service of publication of this notice is made by four consecutive weekly publications thereof in the Roseburg News-Review, a newspaper of general circulation in Douglas County, pursuant to the order of the Douglas County Court, dated April 29, 1963.

Date of first publication of this notice 14th day of May, 1963.
