

Marin Eyes NCAA's Triple Crown

USC Star Seeks Path Trod By Jesse Owens

JULIO MARIN, University of Southern California track star, strides across the finish line to win the 3 mile run in the NCAA track tournament at Albuquerque, N.M. Friday in 14 minutes, 24.9 seconds. Marin also won the 6 mile run and is eyeing the triple crown. (UPI Telephoto)

ALBUQUERQUE, N.M. (UPI)—Julio Marin, a wisp of a lad with legs of steel and a heart of iron, calls upon his last ounce of reserve tonight to try and become the NCAA track and field meet's first triple winner since Jesse Owens' heyday in the mid-1930s. Owens turned in "quadruples" in 1935 and 1936. He won both dashes, the low hurdles and broad jump.

Marin, a wiry legged Costa Rican pre-med student at Southern California, already is the toast of the 42nd annual NCAA championships being held at the University of New Mexico for his stirring endurance triumphs in the six-mile and three-mile runs.

Tonight, he goes after his third victory in as many nights when he tries to give USC's championship chances another big boost with a victory in the meet's closing event—the 3,000 meter steeplechase.

He won the six-mile Thursday night in 30:32.9, collapsed at the end of the race but refused an offer of oxygen, then came back Friday night to whip a good field in the three mile in 14:24.9.

Marin, whose winning performances came as a surprise in the other two events, will provoke an even bigger one if he pulls off his triple in the steeplechase. He's never run it before. His nearest comparative event is the two-mile run in which he has been clocked in 8:50.2.

USC may need every point Marin can pull from his stout legs if the Trojans are to dethrone champion Oregon or keep speed-packed Arizona State from cutting inside and edging both the favorites.

Suiters Drops First Loop Tilt

The Roseburg Merchants sent Suiter's Building Supply down to its first defeat of the season Friday in YMCA Twilight League action, recording a 6-4 triumph.

Exploding for five runs in the fifth inning, the Merchants overcame a 2-1 deficit and moved out in front to stay. The rally came on three walks, three Suiter's miscues and two timely hits by Earl Bissonette and Phil Telford.

Bissonette was the big stick for the winners as he went 2-3, including a triple and three RBIs. Bruce Steiner was 1-2 for the losers. Telford scattered five hits over the seven innings to emerge as the winning pitcher.

The victory gives the Merchants a 5-1 league mark, while the loss dropped Suiter's to a 2-1 record. Suiter's has two ties still to be played.

Next on tap for the Merchants will be the lone remaining undefeated league team—Mock Motors. The crucial battle is set for Monday evening at 6 p.m.

The full alpine squad of eight men and six women was named and two got definite appointments to the Nordic combined events.

Those named to the women's alpine team included Margo Walters of Salt Lake City and Jean Saubert of Lakeview, Ore.

Big Dick Radatz Comes Out Of Bullpen To Save Boston Victory Over Orioles

By United Press International

Dick Radatz is just too big and too tough to argue with and so who's gonna challenge him today if he claims a major league record?

The 6-foot, 5-inch, 245-pound Boston Red Sox relief ace has pitched 33 consecutive scoreless relief innings. The major league record for a starter is 56 in a row, by Walter Johnson, but 33 by a relief pitcher is the best any big league statistical wizard can recall—and so big Dick has the record.

That is, unless you care to debate the question with a man who can come out of the bullpen with the bases filled and nobody out and retire the side on three pitches.

In the course of his magnificent pitching, Radatz has compiled an .88 earned run average—well below the American League record of 1.01 and also lower than the modern major league mark of 0.90.

Stops Oriole Threat

Radatz entered Friday night's game against the Baltimore Orioles with the bases filled and nobody out in the eighth inning. He got Johnny Powell to hit into a double play and then retired Jim Gentile on a pop to preserve a 5-1 victory for Earl Wilson. It was Wilson's fifth win of the season.

The New York Yankees beat the Detroit Tigers 4-2, the Cleveland Indians topped the Washington Senators 3-2 in 19 innings after a

C. K. YANG, decathlon record holder, strains across the finish line at Albuquerque in the 120 yard high hurdles to set a personal record of 13.9 seconds. Pacing Yang to the top is Robert Green of Southern Illinois. By virtue of this trial win, Yang is assured a spot in the finals. (UPI Telephoto)

Wayne Thornton Is Favored Over Menno Tonight

NEW YORK (UPI)—Light heavyweight contender Wayne Thornton of Fresno, Calif., is favored at 14-5 to beat mystery man Jose Menno of Argentina tonight at Madison Square Garden and thereby clinch a shot at the title.

Their 10-rounder will be televised nationally by ABC.

Garden matchmaker Teddy Brenner has promised Thornton, 22, a crack at Willie Pastrano's brand new 175-pound crown if fourth-ranked Wayne wins tonight because of his 1-1-1 record in three fights this year with Pastrano before Pastrano became champion.

Willie took the title from Harold Johnson June 1 on an unpopular split decision at Las Vegas, Nev.

The unknown Menno is 27 years old but he has had but 15 professional bouts since turning professional in 1961 after a long amateur career. He is unbeaten as a pro with 15 wins, including seven knockouts, and one draw.

Thornton, a specialist with hooking combinations to body and head, seeks his 28th victory in 32 fights. He also is after his 19th knockout. He lost two decisions, was stopped once on cuts, and had one draw.

Reeve, Steen Keep Oregon's Chances Alive

ALBUQUERQUE, N.M. (UPI)—Vic Reeve finished second in the three-mile run and Dave Steen led all qualifiers in the shot put Friday to keep Oregon's slim hopes alive for its second straight NCAA track championship.

Reeve, who has been a big disappointment this season, came in second behind Southern California's Julio Marin in 14:26.6. Marin's time was 14:24.9.

Steen got off a heave of 61-11 1/4, the best effort of his career, to nose out Gary Gubner of New York University in the qualifying. Gubner went 61-9 1/4.

Reeve's finish was worth eight points and gave the defending champion Ducks a total of 10 after four events and two days of the three-day competition. The meet ends tonight.

Southern California was in first place with 20 and Villanova held second with 12. Boston College was tied with Oregon with 10.

Other qualifiers for Oregon were Dave Blunt in the 100-yard dash, Archie San Romani in the mile and John Burns in the javelin.

Blunt ran second in his heat in 9.5. San Romani finished third in the heat in 4:13.6 and Burns went 242-10 1/2 for fourth place in the javelin.

High jumpers Paul Stuber and Terry Llewellyn and pole vaulter Bob Watson qualified Thursday for Oregon for the finals.
