### Meredith Indicts His Race For 'Intolerance, Bigotry'

By FRANK L. SPENCER

CHICAGO (UPI) — James H. Meredith, the Negro who integrated the University of Mississippi and became a hero to his race, charged today that "intolerance and bigotry" among his own people endanger the civil rights movement.

Meredith who was roughly treated by his audience after a speech Friday night at a session of the annual convention of the National Association for the Advancement of Colored People (NAACP), bitterly attacked his detractors.

In an interview with a United Press International reporter, Meredith said, "I shed my first tears early this morning since I was a child. Throughout all of the other ordeals that I have encountered, I was able to maintain my composure.

"However, the discourtesy shown me last night by the group before which I had been invited to speak, overwhelmed me. My makeup cannot endure this kind of intolerance and stand to be so dishonored by my own people," Meredith said.

Group Rebukes Meredith

Meredith's remarks to an NAACP youth group resulted in a sharp rebuke. Meredith was rebuked by a youth leader as being too moderate.

Association officials interpreted his speech as being offensive and

### Business Is Good In Real Estate, Local Group Told

The real estate business in Oregon and the Pacific Northwest, with few exceptions, is reasonably good, Harold Clingerman, of Chicago, regional representative of the National Association of Real Estate Boards, has found.

Clingerman spoke Friday noon to the Douglas County Board of Realtors. He currently is on a tour of the Northwest in the interest of the national association. Roseburg was the 51st of 55 boards he has appeared before.

His talk pertained largely to the NAREB and to local boards, in which he pointed out the importance of the organization in promoting ethics in the real estate business.

He urged a strong campaign to get every real estate broker as a realtor, together with salesmen as associate members.

Clingerman reviewed policies and activities of the NAREB, recent legislation affecting real estate and efforts to standardize forms in handling sales.

He observed that Roseburg appears to be going through what seems to be a temporary lull in movement of real estate but this does not seem to be a serious situation.

### KILLS 2, WOUNDS 3

## Suspect In Slayings Surrenders Meekly

NEWARK, N.J. (UPI) — A Linden, N.J. truck driver who fatally shot his wife and sister-in-law, wounded three other persons and terrorized a family of eight surrendered meekly to police early today.

An 18-year-old girl abducted by the fugitive and released after several hours reported to police that Richard (Teddy) Coleman, 32, a Negro, sexually assaulted her. Doctors at Elizabeth, N.J. General Hospital said examinations confirmed the possibility of rape.

The girl, Mary Kaminski, who is white, was the second eldest daughter of a family which Coleman had held at gunpoint for four hours after the shootings. She was released on an Elizabeth, N.J., highway at about 3 a.m. EDT today, and hailed a passing police car.

Surrenders Quietly

A roadblock on state Route 1 near Newark Airport halted the automobile in which Coleman was fleeing a vast police hunt. An officer who helped in the capture said, "We came up to his car. He stepped out and threw up his hands. That's all there was to it."

On the seat of the car was a loaded .38 caliber pistol, and in Coleman's pocket, according to police, was a 25 caliber pistol. These were the weapons with which the slender Negro allegedly created a bloodbath in his home community Friday afternoon.

Coleman's rampage was traced to a series of quarrels with his wife, Millie, 37. A young man who had been held at gunpoint by Coleman quoted him as saying that he killed his wife "because she was no good."

Brought before newsmen after his apprehension, Coleman said he was tired and sat listlessly. Under questioning, he said, "I'm sorry about the whole mess, I'm sorry about the whole thing."

Police said Coleman, who was on vacation, had stayed away from home Thursday night after a dispute with his wife. Friday afternoon he returned home and found her seated in the kitchen with Betty Ann, 15, one of the couple's four children.

Shoots Wife

Coleman shot his wife, police said. Then, leaving his daughter unharmed, he raced into an adjoining house occupied by his brother and sister-in-law, Harry and Ruby Coleman. He killed his sister-in-law and wounded his brother, then ran from the house.

Leaping into his 1962 station wagon, Coleman started to drive down the street, then suddenly stopped and went toward the home of Mary Ann Kube, 28, shooting the woman as she ran out to protect her eight-month-old son.

A neighbor, Leroy Edwards, was outside his house preparing to wash his car. Coleman called him over and shot him. All the injured were taken to Elizabeth General Hospital.

### Turnout Great For Fireworks

Every hill in Roseburg was jammed with cars and the grandstand at the Douglas County Fairgrounds was packed to overflow capacity as Roseburg area residents turned out Thursday night to view the 1963 Moose Lodge fireworks display.

A crowd estimated at upwards of 13,000 people watched displays ranging from single multi-colored shots to the brilliant Niagara Falls, which lighted up the sky so brightly that fans in the grandstand could see what color shirts people on the hills across the river were wearing.

The general consensus was that this was the finest display ever put on by the Moose Lodge, John Melnick, Moose Lodge governor, said the lodge was indebted to everyone who helped make the program a success.

A special highlight of the evening was an appearance by the new Miss Oregon, Roseburg's D'Ann Fullerton. In addition to the 1 1/2-hour fireworks display, those who turned out at the Fairgrounds were treated to a 2 1/2-hour-long talent show, directed by Wayne Wagner. Wagner said it was the best talent show ever offered for such a program.

### Hawaiian Program Received Warmly

A Hawaiian state senator who helped make his islands the 50th state in the United States came to Roseburg Friday night.

With him came a dozen and a half other Hawaiians to show a warm audience of about 400 something of the songs and dances of the islands and New Zealand.

Sen. Alfred Apaka was one of the stars of the show. His vocal duet with a woman of the troupe was one of the highlights of the program, "A Nite In Hawaii." Also drawing a big audience response was Anita Kahanani doing a special hula number.

The hula skirts used in the show were made of fresh island leaves, which are kept in cold storage when not in use. With the cold storage treatment, they are usable in the show for about a month.

Greeting the Hawaiians was the 50th state, Sen. Al Flegel, Oregon counterpart, Sen. Al Flegel, Ralph Anderson, bishop of the Roseburg Latter Day Saints Church was host for the evening.

Funds raised by the church from the show are earmarked for a new church in the Ilwaco area.

### CDUF Visits Four Offices

Twelve members of the Central Douglas United Fund board of directors and CDUF participating agencies spent a day recently touring four agencies in Portland affiliated with the Oregon United Appeal.

A portion of the money raised from the Central Douglas United Fund, as well as other United Fund community organizations goes to the United Appeal. These UA agencies serve Douglas County women and children, as well as those from elsewhere in the state.

The CDUF workers were flown to Portland and back on an airplane furnished by Pacific Power & Light Co.

The tour took the dozen people to the Volunteers of America Mothers' and Children's Home, the Villa St. Rose School for Girls, Albertina Kerr Homes' Louise Home and Our Lady of Providence Nursery.

The Volunteers of America home is one for mothers and their children during family crises. It is designed to keep mother and children together when they are in need of refuge for as little as one night and as much as several months. It provides mental and physical health treatment, marital counseling and homemaking training.

The Villa St. Rose, under the direction of the Sisters of the Good Shepherd, is a home for pre-delinquent girls. It offers counseling, guidance and education.

### 90-Day Jail Term Ordered In Assault, Battery Case

Thomas B. Venn, 33, Myrtle Creek, Friday was sentenced to serve 90 days in the Douglas County jail on a plea of guilty to assault and battery before Circuit Court Judge Don H. Sanders. The charge was brought in the district attorney's information.

Venn previously had been indicted by the Grand Jury for burglary. He is alleged to have entered a Myrtle Creek home to commit an assault upon a woman. It is understood this charge will be dismissed. The assault and battery charge to which he pleaded guilty involves the same circumstances.

California authorities have a hold order on Venn for a criminal charge in that state, it was reported, and if authorities there want to exercise their option, it was indicated he will be released to them prior to expiration of the 90 days.

Probation Given

In another action before Judge Sanders, Lloyd Baxter Robison, 33, Winston, was sentenced to serve 18 months in the Oregon Correctional Institution, but placed on probation. He earlier pleaded guilty to the district attorney's information charging burglary not in a dwelling. He was accused of burglarizing Mark's No. 2 Market on May 21. He admitted participation but denied that he actually entered the building. He was awaiting pre-sentence investigation.

Larry Eugene Turner, 22, of 210 SE Lane St., Roseburg, who also had pleaded guilty earlier to burglary not in a dwelling and who had been awaiting pre-sentence investigation, had imposition of sentence suspended by the judge. He was placed on probation for three years. He had admitted burglarizing the Roseburg Bowl, as charged in the district attorney's information. He was caught inside the building by a city policeman stacked out there.

Sentence Suspended

Imposition of sentence also was suspended for three years for Christine Isakson, 21, of 937 NE Winchester St., Roseburg, and she pleaded guilty earlier to an information charging her with forgery, in connection with a check passed at Drive 'N' Save Market.
