

## Khrush's Absence From Moscow Appears Snub To Chinese Reds

MOSCOW (UPI) — Premier Nikita Khrushchev, remaining far from Moscow in a seemingly calculated snub to the Chinese Communists, met in the Ukraine today with former NATO Secretary General Paul-Henri Spaak.

The official Soviet Tass news agency said that Khrushchev conferred with Spaak, Belgium's foreign minister, in the Ukrainian capital of Kiev.

Khrushchev and Spaak were discussing East-West problems in the Soviet premier's first meeting with a Western statesman since relations between Moscow and Peking worsened in recent weeks.

### Rebuff To Chinese

The Soviet premier, who had returned to Moscow only last Thursday from an East German visit, was disclosed Saturday to have gone to Kiev. His trip was considered a rebuff to the Chinese Communists meeting with high Soviet party officials in Moscow.

The secrecy-shrouded Moscow talks continued today as Western diplomats predicted that the Sino-Soviet struggle for Communist leadership would have little effect on the Kremlin's basic attitude toward the West.

The diplomats said the current Moscow ideological talks are concerned with the means rather

than the ends of Communist doctrines.

### Have Same Aim

Moscow and Peking agree, they said, that Communism should wipe out Western capitalism and their dispute is over whether this should be accomplished through Moscow's policy of peaceful competition or Red China's policy of armed revolution.

The diplomats said that Khrushchev, therefore, might pursue talks with Western leaders on key issues of tension, but would not lose sight of the Marxist-Leninist goal of Communist control of the world.

After a day of rest Sunday, the Soviet and Chinese delegations returned to the negotiating table today. The official Soviet press and radio have carried no reports on the talks, and no announcement was expected until the negotiations are concluded, probably within a week.

## Boy Hurt In Fall From Pickup Truck

Jackie Sallee, 11, son of Mr. and Mrs. Chester Sallee of Glendale, is reported recovering from an injury suffered July 3 when he fell from the back of a pickup truck in which he was riding, reports Glendale correspondent Mrs. Gerald B. Fox.

The boy was picked up unconscious from the pavement and rushed to the Forest Glen Hospital in Canyonville. He regained consciousness but was diagnosed as suffering from a concussion and is to be kept in bed at home for about 10 days.

The accident occurred on old Highway 99 near Glendale. The driver of the pickup, Bill Coats, son of Mr. and Mrs. A. B. Lang, did not know the boy was in the truck and started the vehicle before the boy had time to get settled, said Mrs. Fox.

## YMCA Schedules Hatchery Visit

In another of its educational adventure series, the Roseburg YMCA has scheduled a special trip to the Rock Creek Hatchery Wednesday.

The special bus for the trip will leave the "Y" at 1 p.m., and the group will return at 4.

This is the second in a series of four adventure trips being arranged by the "Y" in its summer recreation program. Wayne Schulz, "Y" secretary, says tentative plans are now being made for an all-day trip to the Indian caves of the North Umpqua area later.

Children wishing to make the trip to the hatchery Wednesday should make their reservations at the YMCA as soon as possible, Schulz said.

## Three Die, 52 Hurt In Bus Crash

ST. LOUIS, Mo. (UPI) — A crowded bus, with passengers standing in the aisles hit a wet spot and plunged down a 30-foot embankment Sunday. Three persons were killed and 52 were injured.

Officials feared the toll might be higher, but when the Scenicruiiser was finally righted five hours after the pre-dawn accident, the death count was fixed at three.

"This (accident) is one of the worst we have ever had," a Greyhound official said.

The dead were Jack Wesley, 23, Burdette Ark. Cleophas Johnson, 22, Ann Arbor, Mich., and Mrs. Jessie F. Matthews, 28, Ranton, Ala., who was traveling with her four children to meet her husband. Two of the children were hospitalized.

Ambulances shuttled 28 injured persons to St. Joseph Hospital, Kirkwood, Mo., where 16 were admitted. Twenty-four were taken to St. Louis County Hospital and four were admitted.

The driver, Elliott John Smith, 34, East St. Louis, Ill., who sustained only bruises and shock, said the rear of the bus skidded into a large highway sign and spun off the embankment. It slid backward into a mud-filled ravine and overturned on its side and top, smashing windows and

crumpling the vehicle. Many of the injured were among the 15 passengers standing in the aisles. There were 43 passengers seated.

Mrs. Matthews was thrown from the vehicle and crushed beneath it.

The bus was bound from Memphis, Tenn., to St. Louis when it reached a highway curve 22 miles south of St. Louis, where the accident occurred.

It will serve as the finals of the Emerald Empire District 2 championships. Swimmers from Reedsport will compete with North Bend, Klamath Falls, Medford, Roseburg, Grants Pass and Lakeview.

## Plywood Prices Reach New High

PORTLAND (UPI) — Plywood prices have climbed to their highest point in recent years under the pressure of increased demand and decreased production. They may go even higher this week.

A Crow's Lumber Digest market report said that sanded plywood was selling for \$76 per thousand Friday. It predicted an \$80 market early this week.

Sheathing and unsanded items on the 5-8 basis have reached a peak of \$102 to \$104.

A Douglas Fir Plywood Association production report showed production of sanded items down to 80.6 million feet for the week because of the industry strike-lockout and plant shutdowns for vacations. Demand rose an additional 12.1 million feet during the last week.

The \$102 price on sheathing is well above the \$86 price of six weeks ago, before the strike against U.S. Plywood and a few other smaller plywood firms began.
