Mitchell Quits Newburgh Post

NEWBURGH, N.Y. (UPI)—Joseph McD. Mitchell, to whom controversy is nothing new, has resigned his post as Newburgh city manager to work for the John Birch Society, both of right-wing conservatism in the nation. He will become an organization director of the society's Eastern Seaboard division. Announcing the change Monday, the 41-year-old administrator said he took the new job because "it involved a cause in which I believe." Mitchell's program to crack down on so-called welfare chiselers in Newburgh touched off a nationwide controversy. He again made headlines more recently when he was tried and exonerated on a bribe taking charge. Mitchell had held the \$17,500-a-year city manager job since 1960. He held similar positions at Culver City, Calif., and Marble Township, Pa.

KINDERGARTEN STARTS

2 Local Youths Are Life Scouts

A Boy Scout Court of Honor was held in Umpqua Park in Roseburg last week to elevate two Boy Scouts to the Life Scout rank.

The two on whom the rank was bestowed were David Gerlitz, son of Mr. and Mrs. A. H. Gerlitz, and Stephen Tyson, son of the Rev. and Mrs. Alfred S. Tyson.

The court followed a picnic for more than 100 parents and family members of Boy Scouts of Troop 4. Presentation of the Life Scout awards was made by Harold Glover, district chairman of the Douglas Fir District. Scout Tyson has been active in his troop for more than two years and is a patrol leader. Gerlitz has also been in scouting over two years, having transferred to Troop 4 a year ago when he and his parents moved to Roseburg from California. He is assistant senior patrol leader.

At the same session, two new scouts, Richard Delfart and Robert E. Elliott, were welcomed as new scouts by Scoutmaster Robert Hollwell.

Following the court of Honor, slides were shown of various camping trips and outings taken by the troops during the past year, as well as the Oregon Trail Council Camp near Florence. Troop 4 members will attend this summer camp again this year July 21-27.

You're always welcome...even if it's just to clean up a few little problems.

Anytime you want to get off of the road—and get some of the road off of you, stop at the sign of the Chevron. We check our restrooms as often as possible to keep them neat and properly equipped.

Of course, when you do need gas, we hope you'll try one of the three Chevron gasolines. Why three? So you can choose a gasoline made to fit the requirements of your car—without paying for extra power you can't use.

All three gasolines have Methyl* power—a research breakthrough in antiknock compounds that stands up under the extreme tem-

peratures of high compression engines. Unlike others, Methyl spreads evenly to all cylinders, giving uniform antiknock performance. And it combines with all the other ingredients required for the best performance a car can deliver.

For the very highest-powered cars, use Custom, highest-powered gasoline in the West. For all other high-compression cars, fill up with Supreme. For cars designed to run on regular, choose Chevron.

You'll get on-the-road proof that we take better care of your car.
