**CASE NO. 888**

**CITATION**

IN THE CIRCUIT COURT OF THE STATE OF OREGON FOR DOUGLAS COUNTY

IN THE MATTER OF THE ADOPITION OF

LAURA MARIE WILLARD, a minor.

TO MICHAEL BERT WILLARD and ELIZABETH WILLARD, now known as MRS. JAMES MELLETT.

GREETINGS: You are hereby cited to appear in the above-entitled Court on the 22nd day of July, 1963, to show cause, if any there appears, why your child, Laura Marie Willard, should not be adopted by Homer Hassell Newsum and Lorraine Nadine Newsum, husband and wife, pursuant to a petition filed in this said Court.

The petition provides that the petitioners, Homer Hassell Newsum and Lorraine Nadine Newsum, reside at 4407 N. E. Stephens Street, Roseburg, Douglas County, Oregon. They are both over the age of twenty-one years and are residents and inhabitants of the State of Oregon, and have been and are now duly married and are husband and wife. The petition further provides that the said Laura Marie Willard is presently eight (8) years of age and has resided with the petitioners since March 14, 1960.

The petition further provides that the natural parents of the above-named Laura Marie Willard, Michael Bert Willard and Elizabeth Willard, now known as Mrs. James Mellett, were divorced on October 13, 1954 in King County, Washington. That the said natural parents have deserted and neglected the above-named minor child for a period of more than one year prior to the filing of the petition on file herein and have not provided support, care or maintenance for the support of the said child.

DATED this 14th day of June, 1963

G. D. MYLLENBECK, County Clerk, by J. H. Anderson, Deputy Clerk.

**Why is our nose so stubby?**

The VW doesn't need a long front hood because the engine's in back of the car.

This gives you a couple of advantages over the long-nosed jobs.

Obviously, it makes for a shorter car. So you can move in and out of traffic. And in and out of tight little parking spots.

Your chances of denting a fender in the process are practically nil, too. Because the VW's short hood lets you look right down your nose at the road.

The point is this. Everything on the VW is there for a reason, including our changes.

Unless you've noted around VWs for years, you may not be aware of things like our fully-synchronous transmissions.

Or our quieter, more powerful engine.

Or our 3012 other little improvements.

On the face of it, the VW looks the same, underneath, it's changed.

Which is one reason the VW depreciates so little and stays in style year after year.

Nose and all.

### National Forest Timber For Sale

#### Camp Grant Partial Cut

Oral auction bids will be received by the Forest Supervisor, or his authorized representative at the office of the Forest Supervisor, Federal Office Building, Roseburg, Oregon, beginning at 2:00 P.M., August 12, 1963, for all merchantable timber marked or designated for cutting on an area embracing 70 acres, more or less, within sections 29, 30, 31 and 32, T. 27 S., R. 1 W., W.M., surveyed in the Umpqua National Forest, Oregon. The estimated volumes are: 1,500 M board feet of Douglas-fir and pine, 500 M board feet of white fir and other species. The minimum acceptable bid per M board feet as follows: Douglas-fir and pine \$28.25, white fir and other species \$12.80. This includes the following rates, per M board feet for stumpage including deposit for sale area betterment: \$3.00 base rate plus an additional \$24.30 for Douglas-fir and pine, \$2.00 base rate plus an additional \$9.85 for white fir and other species and \$0.95 for slash disposal for all species. The prices bid for stumpage shall be considered as tentative rates subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the average of the monthly Douglas-fir region indices, as calculated by the Forest Service for the three previous months, and the following base indices: Douglas-fir and pine 114.36 (E), white fir and other species 91.68 (A). Such adjustments in the price for stumpage shall be applicable to timber scaled during the quarter for which the adjustment is computed. In no event, however, shall the payment rates for each quarter be less than the base rates as stated above. When the adjusted rates by species are lower than the base rates, the difference between the total dollar value of the timber cut at adjusted rates and at base rates will be recorded for each species. The stumpage rate for a species will not be increased above the base rate until the subsequent adjusted rates above the base rate will develop an accumulated total dollar value for the species in excess of the recorded accumulated difference for all species. Sealed bids will be publicly opened and posted, at the office of the Forest Supervisor at 2:00 P.M., on August 12, 1963. All those who submitted a satisfactory sealed bid will be permitted immediately to continue auction bidding. A money order, bank draft, cashier's or certified check in the sum of \$4,100.00 must accompany each bid, to be applied to the purchase price, refunded, or retained for application to any claim for damages, according to the conditions of sale. If requested by the purchaser, contract terms will permit felling of timber in advance of payment up to the value of the performance bond. If an oral bid is declared to be high at the closing of the auction, the bidder must immediately confirm the oral bid by submitting it in writing on a Forest Service bid form. The right to reject any and all bids is reserved. Forest Service bid forms for use in submitting sealed bids and full information concerning the timber, the conditions of sale and the submission of bids should be obtained from the District Ranger, Glendale, Oregon, or the Forest Supervisor, Roseburg, Oregon, before bids are submitted.
