NATIONAL FOREST TIMBER FOR SALE

Pit Frieda Salvage Sale (12-63)
Oral auction bids will be received by the Forest Supervisor, or his authorized representative at the office of the Forest Supervisor, Federal Office Building, Roseburg, Oregon, beginning at 2:00 P.M., August 13, 1963, for all merchantable timber marked or designated for cutting on an area embracing 200 acres, more or less, within sections 10, 11, 14, 15, 22 and 23, T. 31 S., R. 1 W., W.M., surveyed, in the Umpqua National Forest, Oregon. The estimated volumes are: 1,400 M board feet of Douglas-fir and pine, 800 M board feet of western hemlock and other species. The minimum acceptable bid per M board feet is as follows: Douglas-fir and pine \$23.80, Western hemlock and other species \$9.90. This includes the following rates, per M board feet for stumpage including deposit for sale area betterment: \$3.00 base rate plus an additional \$19.80 for Douglas-fir and pine, \$2.00 base rate plus an additional \$8.90 for western hemlock and other species and \$1.00 for slash disposal for all species. The prices bid for stumpage shall be considered as tentative rates subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the average of the monthly Douglas-fir region indices, as calculated by the Forest Service for the three previous months, and the following base indices: Douglas-fir and pine 114.23(E), western hemlock and other species 91.68(A). Such adjustments in the price for stumpage shall be applicable to timber sealed during the three-month period following the quarter for which the adjustment is computed. In no event, however, shall the payment rates for each quarter be less than the base rates as stated above. When the adjusted rates by species are lower than the base rates, the difference between the total dollar value of the timber cut at adjusted rates and at base rates will be recorded for each species. The stumpage rate for a species will not be increased above the base rate until the subsequent adjusted rates above the base rate will develop an accumulated total dollar value for the species in excess of the recorded accumulated difference for all species. Sealed bids will be publicly opened and posted, at the office of the Forest Supervisor, at 2:00 P.M., on August 13, 1963. All those who submitted a satisfactory sealed bid will be permitted immediately to continue auction bidding. A money order, bank draft, cashier's or certified check in the sum of \$3,500.00 must accompany each bid, to be applied to the purchase price, refunded, or retained for application to any claim for damages, according to the conditions of sale. If requested by the purchaser, contract terms will permit felling of timber in advance of payment up to the value of the performance bond. If an oral bid is declared to be high at the closing of the auction, the bidder must immediately confirm the oral bid by submitting in writing on a Forest Service bid form. The right to reject any and all bids is reserved. Forest Service bid forms for use in submitting sealed bids and full information concerning the timber, the conditions of sale and the submission of bids should be obtained from the District Ranger, Cow Creek Ranger District, Tillamook, Oregon, or the Forest Supervisor, Roseburg, Oregon, before bids are submitted.
