

Roseburg Bees Feature Powerful Hitting Attack

The Roseburg Bees boast a healthy .313 team batting average through six games as they prepare for tonight's invasion of Elmira.

Tonight the Bees will battle the host Elmira nine in a single seven inning game starting at 6. Elmira competes in the Summer High School circuit in Lane County.

Coach Jerry Droscher's crew will take a 4-2 record into the contest following Sunday's split with Cottage Grove.

Heading the list of regulars at the plate will be shortstop Dan Withers. Withers, in addition to being a slick fielder, has collected eight safeties in 15 at bats for a spectacular .533 average.

Outfielder's Chuck Person and Jim Coon rank next among the boys playing regularly. Person has a .409 average with nine hits for

22 at bats, and Coon is hitting .381 with eight hits in 21 appearances.

Ray Shepherd and Pete Woodruff lead the pitching staff with identical 1-0 records, while Russ Hubbard and Pat Long have 1-1 marks. Hubbard and Long have seen the most action on the hill to date. Completing the Bees' mound staff is Doug Matson. Matson has tossed five innings, but was not a pitcher of record.

The probable starting infield for the Bees tonight will find Stan Young at first base, Jim Kiser at second, Mike Cashner at third and Withers at short. In the outfield will be Person, Shepherd and Coon.

Charles Dornise, the only team member with a home run, or Gary Heeter will be behind the plate.

Reserve power will come from infielders Bill King, Dave Fenner and Butch Watson; outfielder Mike Doyle; and reserve catcher Rian Brown.

Merchants Topple Springfield Crew

The Roseburg Merchants stepped out of league play Sunday to sweep a twin-bill from the host Georgia Pacific softball team of Springfield.

Roseburg rolled to a 7-2 triumph in the opener, then scored two runs in the sixth inning of the second outing to nip Georgia Pacific, 4-2.

The Merchants received strong pitching performances from Cooper and Troy Fennell, with both tossing two-hitters. At the plate Cooper and Chuck Hiney set the pace with four hits each in the two games.

Dick Blehm started Roseburg's seven-run rally in the seventh inning of the opener with a pinch-hit four-bagger.

While the Merchant pitching was limiting the Springfield team to just four hits in the two games, the local powerhouse bombed the host team's choppers for a total of 17 hits in the doubleheader.

Included among Thomas' 19 victories are 11 knockouts. He has lost one bout and fought one draw. It will be Thomas' first appearance in Madison Square Garden. Television time is 10 p. m., EDT.

At New York's Sunnyside Garden on Tuesday, John Persol opposes Willie Giles in a 10-rounder.

Saturday: New York (Madison Square Garden)—Allen Thomas vs. George Benton (TV); Jackson, Mich.—Henry Hank vs. Ed Zaremha.

The Senate on Tuesday passed and sent to the House a bill to promote waterfowl management on four wildlife refuges along the Pacific Flyway in Oregon and California.

The legislation as amended by the Senate Interior Committee gave conservation priority but recognizes agricultural land use in the area, California senators said. It permits the present pattern of leasing in the Lower Klamath and Tule Lake refuges to continue with special provision on sharing of revenues.

The other refuges affected are the Upper Klamath and Clear Lake refuges.

Oregon's Touring Matmen Tied By Japanese All-Stars

TOKYO (UPI)—A team of Oregon's high school wrestling champions fought to a 4-4 draw today with a Knato (Eastern Japan) all-star team.

It was the Oregon wrestlers' first of nine meets in this country on a home and home goodwill series.

The competition was held at the Aoyama Wrestling Center in sweltering weather. Strong lights for television cameras increased the heat.

The Oregonians fought to a tie after they had lost the first four bouts in the lighter divisions. None of the competitors scored a fall.

In two exhibition bouts which did not figure in the team scoring, Katsuo Sasaki of Nihon University, 190 pounds, won a decision over Don Kauffman of Lebanon and Masanori Saito, Heavyweight, of Meiji University beat Harold Weight of Portland by decision.

Coach Delancey Duncan of Klamath Union High School told United Press International after the meet he was satisfied with the results.

He added: "We now know what to expect in the other meets. I hope our little boys will pick up some wins. I think they were a bit nervous today just like players are before the kickoff in a football game."

Coach John Dustin of Marshfield High School pointed out that it was very hot for the boys in the arena. He said his boys were used to much cooler weather in Oregon.

The results:
110 pounds: Moto Yasu, Mitt Agricultural High School, defeated Richard Benjyoni, Portland.
120 pounds: Haruoki Mizui, Tokyo Jitsugyo High School, defeated Rick Sanders, Portland.
130 pounds: Hideofumi Hirao, Sansho High School, defeated Grant Humphrey, Klamath Falls.
140 pounds: Koji Fujimura, Tokyo Jitsugyo High School, defeated Keith Flack, Canby.
150 pounds: Don Dyksira, Lebanon, defeated Satou Yamada, Oregon.

Next weekend, Miller will go to the Loggers and Lumberman's Jubilee in Arcata, Calif., events to be held on Saturday and Sunday. On Monday he will leave for Hayward, Wis., to enter World Championship events. Hayward pairs with Albany as one of the two places to hold such championship logging events. Liston Predicts Early Victory Over Patterson

LAS VEGAS, Nev. (UPI)—Heavyweight champion Sonny Liston declared today: "I'll knock out (Floyd) Patterson within five rounds, a week from tonight!" despite the facts that:

—Patterson has been officially pronounced in better condition for their return 15 round title fight at the Las Vegas Convention Center, July 22.

—Patterson scored a sensational training kayo Sunday.

—The betting odds favoring Liston dropped a point from 5-1 to 4-1 over the weekend.

—The crowds and cheers at Floyd's sparring sessions indicate he is in the midst of an unexpected popularity boom.

Undaunted by that boom, big Sonny told a sports writer at the Thunderbird Hotel today: "I'll not only knock him out within five rounds, but I'll do it with my right hand if you insist."

The writer had questioned the speed and accuracy now of Sonny's right, which seemed to have been missing the target more than in the past.

According to Dr. Donald Romeo, chief medical examiner for the Nevada State Athletic Commission, ex-champ Patterson, 28, is "physically sharper" — with faster reflexes — than massive, 29-year old Sonny. And Romeo added that Floyd is "more on edge mentally."

After an examination of both boxers Sunday, the Las Vegas physician reported:

"At this stage of preparation, Patterson seems more ready for the fight; but Liston shows much improvement since their first examination here weeks ago."

Second place was won by Mae Davis, with Nancy Palmer finishing third.

The next action will be July 23 when the lady golfers battle in a point tourney at Stewart Park.

However, as a result of winds in the south during the early days of the race, the Scripps' boat remained 28th in fleet handicap standings and last in her class of seven class A entries.

The first three corrected time leaders all were class D boats—the Islander, Tiare and Mammie. Corrected time leaders by class and their distance from Honolulu were:
