Negro Fireman Injured As New Violence Flares In South Carolina Racial Riots

By United Press International

Violence flared during an anti-segregation demonstration at Charleston, S.C., Tuesday night and a Negro fireman was wounded in one of a series of shooting incidents in Savannah, Ga.

Several hundred Negroes, staging Charleston's fourth racial demonstration of the day, began throwing bricks at policemen and firemen in front of a newspaper office. Six officers and a fireman were injured. Reinforced by state troopers, police dispersed the demonstrators and arrested 95 Negroes.

Negro fireman Warnell Robinson, 27, was struck in the stomach by a pistol bullet fired from a car containing white teen-agers at Savannah where shots also were fired into one white and one Negro residence. No one was hurt in the residential shootings.

Robinson, reported in good condition, was part of a street "stakeout" detail guarding fire alarm boxes. False alarms have been a feature of racial vandalism in Savannah recently.

Police later cornered a car at a drive-in restaurant and took two youths and two girls, all white, into custody. The teen-agers said two other youths, carrying .22 caliber pistols, had fled moments before officers arrived.

At Cambridge, Md., National guardsmen rushed to the home of a guard officer Tuesday night to investigate a report that a white woman was struck in the finger by a bullet. Guard officials said Mrs. George Horner Jr., wife of a lieutenant colonel, reported "hearing a bullet (and) something struck her finger." Guardsmen have been keeping peace in the city while Negro and white leaders attempt to iron out racial problems.

Elsewhere in the nation:

New York — Seven major American anti-segregation organizations have formed a single "emergency" council to expand the fight for civil rights. It will be known as the Council for United Civil Rights Leadership (CUCRL).

Columbus, Ga. — City officials Tuesday closed the public swimming pools for whites and Negroes following an attempt by three Negro youths to enter the white pool. A group of about 30 white youths threw rocks at about 20 Negroes as they were leaving the public library. No one was hurt.

Thomasville, N.C. — Police bodily moved about 40 Negroes from in front of a segregated theater Tuesday night.

New York City — One hundred city policemen stood guard Tuesday while a 12-man construction crew, including four Negroes, crossed integrationist picket lines at the Harlem branch of Manufacturers Hanover Trust Co. for the first time in almost two weeks. The contractor signed an agreement with the Greater New York Committee for Equal Opportunity to be "color-blind" and use men sent by unions, regardless of race.

Hollywood — Film star Marlon Brando said he would leave Sunday to participate in Negro integration demonstrations in Cambridge, Md., and a Baltimore amusement park. He said he would go "as a private citizen," not as a representative of any organized civil rights group, and would "not fight back" if violence occurred.

Shreveport, La. — Investigators from the Justice and Defense Departments arrived Tuesday to conduct a two-day probe into alleged discrimination near Barksdale Air Force Base.

MASS PROTEST was mounted by whites after Negroes suspended demonstrations for 24 hours in Cambridge, Md.'s explosive racial situation Tuesday. Here a group of whites gathers on the courthouse lawn to protest the restrictions imposed by the National Guard. (UPI Telephoto)

Concessions Stand, Rest Rooms Due At Riddle Athletic Field

The Riddle School Board at this week's meeting laid the groundwork for construction of a concession stand and public rest rooms at the athletic field.

The preliminary action included a decision by board members to send a check for $700, along with a check from Verl Stimson for double that amount, both to be accompanied by a letter to the Riddle City Council requesting that the fund be placed in escrow and bids called for by the city to install a pump station and sewer line to connect with the Nickel Mt. Trailer Park and the Riddle Athletic Field.

Riddle School Supt. Kenneth Stuart was then authorized to prepare to call for bids for the proposed construction at the athletic field. Don Martin, city engineer, is to meet with Stuart this week to select the site for the pumping station, correspondent Erma Best reports.

John Briscoe, school architect, was present to discuss progress of the high school annex construction and several changes which had been or would be made through change orders. He reported that the building program had been a month behind at one time but that the contractor was gaining on the schedule. It was not determined whether there will need to be a delay in the opening date of school, tentatively set for Sept. 9, Mrs. Best reports. Construction completion date is listed for Sept. 4.

In other action, the board accepted Union Oil Co.'s bids for fuel oil at $3.851 per barrel and gasoline at $.2256 per gallon.

Fred J. Vedder, newly-elected chairman, was in charge of the meeting. Guests present besides Briscoe were Verl Stimson and City Engineer Martin.

The board will meet next on Aug. 12.

Hospital News

Visiting Hours
2 to 3:30 p.m. and 7 to 8 p.m.

Mercy Hospital

Admitted

Medical: Mrs. Charles Packer, Mrs. Gordon Crook, Mrs. Robert Bright, Mrs. Garland Walker, Mrs. Roger Swengel, all of Roseburg; Marie McClenny, Riddle; Mrs. Roy Wright, Sutherlin.

Discharged

Robert Ganzina, Mrs. Russell Bryce, Darel Pearsons, all of Roseburg; Ed Pemberton, Winston.

Bracero Program Extension Wins Solons' Approval

WASHINGTON (UPI) — The Senate Agriculture Committee today approved a one-year extension of a law under which Mexican can be brought into the United States for seasonal farm work.

The action set the stage for a second congressional scrap this year over continuation of the Mexican program past its scheduled Dec. 31 termination date. The House earlier defeated a bill to extend the program for two years without change.

The committee approved the bill by Sens. Gordon Allott and Peter H. Dominick, Colorado Republicans, on an 11-5 roll call vote.

Under the Allott-Dominick bill, authorization for importing braceros — Mexican farmhands — would continue through Dec. 31, 1964 with no change in other terms of the basis bracero law. The Kennedy administration recommended a one-year extension coupled with new restrictions de the program of domestic workers.

Farm spokesmen urging extension of the program have maintained that many farmers in parts of California and some other states, mainly in the Southwest, would be hit hard by a cutoff of Mexican labor because they contend they could not get enough domestic labor at critical harvest and cultivating periods.

Church and labor groups have been fighting extension of the program, asserting that the use of Mexican labor depresses wages signed to reduce the impact of can migratory farm workers.

Driving Sans License Nets Jail Term, Fine

Bert Junior McLain, 25, Winston, was sentenced Tuesday by Roseburg Municipal Court Judge Warren Woodruff to serve four months in the city jail and ordered to pay a fine of $250 and $5 costs.

He pleaded guilty to a charge of driving an automobile with his operator's license suspended, following arrest by Roseburg City Police. He has had previous arrests for this offense.

Forty five cases were handled in Tuesday night traffic court. Of these, 21 were for violation of the basic rule, five for non-stops and the others miscellaneous. In addition, 11 parking meter violations, on arrest warrants, were taken care of.

Local News

The Golden Age Club will have a potluck picnic Monday, July 22, at 2 p.m. at Stewart Park. This will be instead of their regular meeting in the evening. Those attending are to bring their own table service.

Edward G. Telgenhoff

Edward G. Telgenhoff, a resident of Kellogg Star Rt., Oakland, died this morning at a local hospital following a prolonged illness.

Funeral arrangements will be announced later by Wilson's Chapel of the Roses.

Picnic Supper Set

The East Douglas Farm Bureau Center will meet Thursday night for a picnic supper at the home of Mr. and Mrs. Joe Brumbach Sr. on Buckhorn Road. The hosts will furnish the meat dish and members are to bring salad and dessert.

Three Firemen Injured In Loading Dock Blaze

VANCOUVER, Wash. (UPI) — Three firemen were injured when a fire flashed through a loading dock at a paper company here Tuesday night.

The blaze of undetermined origin destroyed part of the dock of the Bennett Paper and Supply Co.

Rookie firemen Ben Judah, 29, was badly burned when he slipped in flowing muratitic acid.

William Gage, 34, was overcome by fumes while fighting the flames and inspector James Brown, 42, was burned on both hands.

All three were at St. Joseph's Hospital for treatment and observation.

Firemen were able to confine the blaze to the dock area and save the major portion of the plant.

Negro Football Players Charge Discrimination

PORTLAND (UPI)—Two Negro students at Lewis and Clark College Tuesday accused the City of Portland of discrimination in barring them from jobs as park playground directors.

Samuel Macon and Nathan Jones, both football players, made the accusations.

An official for the Oregon Bureau of Labor said the bureau's civil rights administrator, Mark A. Sith, has petitioned the labor commissioner for a cease and desist order against the city.

The Portland City Council has been called to appear at a hearing before the commissioner Aug. 1.

Gilbert Estel Hicks

Funeral services for Gilbert Estel Hicks, 59, who died at his home on the Clark Branch Road Saturday, will be held at Wilson's Chapel of the Roses Thursday at 10:30 a.m. with the Rev. Clarence LaRue of the Church of God of Salem officiating.

Concluding services and interment will follow at Civil Bend Cemetery in Winston.

Hicks was born Nov. 15, 1903, in Tennessee. He was married to Ollie Yarbrough on March 11, 1962, in Reno, Nev., and was employed by Roseburg Lumber Co. until ill health forced his retirement.

Surviving are his wife, Ollie of Roseburg; three daughters, Mrs. Osda Dillon of Mexico City, Mexico; Mrs. Bessie Hallahan of Dayton, Ohio; Mrs. Jane Thompson of Springfield, Ore.; two sons, Frank of Jamestown, Tenn., Jimmy of Dayton, Ohio; three brothers, one sister and 5 grandchildren.

SP Picnic Planned

The ninth annual "safety" picnic for Southern Pacific employes and pensioners in Southern Oregon will be held Sunday at Umpqua Park.

The event features free ice cream, beverages and pony rides, plus a special tribute to all retired "rails."

Convicted Slayer's Appeal Questioned

SALEM (UPI)—A demurrer to the appeal of convicted child slayer Jeannace June Freeman was filed Tuesday in Marion County Circuit Court.

The demurrer questions if there is sufficient legal evidence to warrant a post-conviction trial of the murder case. It was filed by Assistant Atty. Gen. Collis Marsters.

Miss Freeman had been scheduled to become the first woman to die in Oregon's gas chamber, but her Aug. 1 execution date was stayed when her attorneys filed the post-conviction suit.

If Marion County Circuit Judge George Jones sustains the demurrer the post-conviction case would be dismissed.

Should the demurrer be turned down, arguments on the post conviction appeal would be heard later.

Post - conviction proceedings were instituted in Oregon to provide a hearing for convicts who claim they haven't been given a fair trial or that their legal rights have been abused.

Meeting Set Thursday On Payroll Development

The Roseburg Chamber of Commerce Payroll Development Planning Committee will meet Thursday at 6:30 p.m. at the Umpqua Hotel, announces co-chairmen Don Dole and Phil Quisenberry.

Research reports will be made for the August and September "Payrolls for Progress" salutes, together with other business.

Showers Are Forecast

The five-day weather forecast, according to the Weather Bureau station at the Roseburg airport, calls for temperatures averaging below normal with highs in the 70's and low 80's except in the 60's along the coast. Lows of 45 to 55 are expected with a few showers occurring late Friday or Saturday and again on Monday.

Winston Youth Was In Berlin For Kennedy-Khrushchev Visits

Dan Dodd of Winston, one of America's student ambassadors in the People to People program, was on hand recently to witness the visits of both Russian Premier Khrushchev and President Kennedy to Berlin.

He outlined these high points in his tour to Europe in letters to his parents, Mr. and Mrs. Paul Dodd. Young Dodd, who is hoping someday to enter the diplomatic service, is spending the summer in Europe as part of the national Student Ambassador program.

During his stay, designed to further "international understanding," he meets people of the countries he visits by joining them in their homes where he is a guest.

After an impressive orientation in Washington, D. C., and the University of Maryland, he was flown to Brussels. Then, he went on to West Berlin for his first home stay. His stay there was with the family of Irmtraut Wendt, a former foreign exchange student who spent a year in Douglas County.

On June 26, he says, he and Irma went to see and hear President Kennedy at the City Hall. "People were extremely enthusiastic," he said. "I think the President did a fine job."

The reaction by West Germans to the President's visit, he said, was good. "They like us (Americans) and are so thankful for our support," he continued.

"They realize they would be ruled by the Communists if it weren't for the United States. They have complete faith in us and were very much reassured, Mayor Brandt (of Berlin) said, by President Kennedy's words."

Dodd's impression of the American presence in West Berlin was that "our commitment is very great, and very right."

In the following letter, he described his visit to East Berlin. He said the difference between East and West Berlin was fantastic.

He said he and others had the letter "P" on their jackets which made some of the guards think they were members of the East German People's Party. He said they were very friendly until they caught on "when we failed to clap for Mr. K's speech."

Dodd said he had pictures of Khrushchev and people marching to see him. "The workers have to go," he said. "Even so, the crowd was nothing compared to Kennedy's."

From Germany, Dodd headed to Denmark, where he visited Aalborg and Viborg.

He noted that everywhere he has gone, American music and the "twist" are very popular.

Also on his itinerary during his two-month stay will be Finland, Sweden and Norway.

During his orientation in Washington, D. C., and Maryland, he heard such national personalities as Atty. Gen. Robert Kennedy, Rafer Johnson, co-director of the University People to People Program; and Averill Harriman, undersecretary of state for political affairs. He also attended a committee meeting of the foreign relations committee of the Senate. Oregon's Sen. Morse announced that the ambassadors were present and recognized Dodd as being from Oregon. Later he asked Dodd to send him a memorandum, upon his return, regarding impressions and experiences. Morse will report on these in the Senate.

Young Dodd was also given a tour of Washington, D. C., by former News-Review reporter Laura Olson. She is now an administrative assistant to Sen. Gruener of Alaska.

It adds up to probably the most impressive summer in Dan Dodd's young life.

Roseburg Man Held On Probation Count

Alfred R. Drew, 22, Eugene, was taken into custody in that city on an arrest warrant in a show cause order for probation violation, and returned Tuesday to Roseburg by the sheriff's department.

Drew has been ordered to show cause why his probation granted April 17, 1962, on a forged check charge should not be revoked and why he should not be committed to the state penitentiary for 18 months to serve the sentence imposed by court on that date.

An order of dismissal has been signed by District Judge Gerald R. Hayes in the case of Henry Eugene Gerke, who had been charged with obtaining money by false pretenses in connection with a $40 check. Dismissal was on motion of the district attorney.

School Board Elects New Chairman Tonight

The Roseburg School Board is scheduled to elect a chairman for the coming year at the regular board meeting tonight. Dr. Nels Lindell has served as chairman for the past year.

A new member, Don Kruse, will be sworn in at tonight's meeting. Kruse replaces Art Lamka, who did not seek re-election.

The board meeting is scheduled for 8 p.m. at the school district administration offices on W. Harvard Boulevard.
