

Dr. Anderson Is Named School Board Chairman

Dr. V. J. Anderson was elected chairman of the Roseburg School Board at the board's first meeting of the fiscal year Wednesday night. Anderson replaces Dr. Nels Lindell as chairman of the Roseburg board.

Bank official Don Reed was elected vice chairman for the coming year. Lindell will remain on the board as a director.

Anderson has been a member of the School Board for three years. A graduate of the University of Oregon Dental School, he has been in practice in Roseburg for 12 years.

Kruse Sworn In

Don Kruse took the oath of office to become the newest member of the board at Wednesday night's meeting. Kruse replaces Art Lamka, who did not seek re-

election.

In action at Wednesday night's meeting, the board approved a revised tax levy figure for the 1963-64 budget which will save District 5 property owners about 10 mills. The decrease of some \$381,000 in the tax levy was brought about by added monies being allocated to the Basic School Fund and the Common School Fund by the Ore-

Selby Renamed C. D. Director

The Douglas County Court this week reappointed Arthur M. Selby as director of Civil Defense for the coming year. This marks the fifth year Selby has been appointed to the CD post. Appointments are made on a yearly basis.

In addition, Selby will also carry the title of Director of Emergency Planning. The U. S. Department of Defense has changed the official title from Civil Defense to the Department of Emergency Planning. The move to appoint Selby to the dual post was made to avoid confusion which could be brought about by the change in names.

Selby has been a resident of Douglas County for 16 years. He and his wife took part in the original Ground Observer Corps in Douglas County, and when that organization was closed out they received award bars covering 20,000 hours of service.

The Civil Defense director said today that emergency hospital facilities are scheduled to be received in the county in December. The emergency hospitals will be located in the Roseburg area because of the availability of physicians, surgeons and nurses, he said. They will be supervised by county and state Department of Health, Education and Welfare officials.

During his term in office, Selby has followed through on the original fallout shelter survey, and presently has emergency markings posted at the Courthouse, the Federal Building, the Masonic Temple, the Trowbridge Electric Co. building and the VA hospital. An emergency shelter is also contemplated at Mercy Hospital.

The administrative end of the Douglas County Civil Defense is available for any emergency on a 24-hour-a-day basis through the sheriff's department, Selby pointed out.

Gilbert Estel Hicks

Funeral services for Gilbert Estel Hicks, 59, who died July 13 at his home were held today at Wilson's Chapel of the Roses at 10:30 a.m.

Hicks is survived by 12 step-children that were not previously listed. They are Robert Yarborough, Mrs. Norma Dailey, Mrs. Lucille Wilson, John L. Yarborough, Jim Yarborough, Gary Yarborough, Mrs. Joan Sico, Mrs. Ellen Laning, Mrs. Pat Metcalf, Jack Yarborough, Dewey Yarborough and Larry Yarborough.

City Planners Favor Hucrest Rezoning Plan

The Roseburg City Planning Commission, which has voted to delay final action on a request for rezoning a parcel of land in the Hucrest area for commercial use until the commercial zoning ordinance has been revised, has however, recommended that a request for the commercial zoning be granted in the future.

The commission voted to hold a request for the rezoning by Cecil Hugh in abeyance pending a change in the ordinance, but has also recommended "that in any event Mr. Hugh's request for rezoning to commercial be granted."

Some 90 residents of the Hucrest area signed a petition opposing any type of commercial zoning in the area.

A special committee appointed by the Planning Commission to study Hugh's request reported that "full consideration was given to the possible effect on property values in the area. Present county zoning in areas immediately adjacent to the property in question would allow a commercial installation of any kind in an approximate 270 degree arc and the committee felt that an objection to a rezoning of this particular property would be obstructing its highest and best possible future use and also would be exercising unfair authority."

The committee in its report also noted that committee members had contacted some residents of the area and arrived at the conclusion that at least, in some instances, pressure was used on the part of those circulating a petition against the rezoning.

The Planning Commission has also recommended that immediate action be taken to change the commercial zoning ordinance to break that ordinance down into subsections. It is felt that by doing this the commission will be able to allow commercial development in certain areas of the city but will still be able to control that development to assure property owners it will not detract from the value of their property.

Florida Pilot Wins Powder Puff Derby

ATLANTIC CITY, N.J. (UPI) — Mrs. Virginia Britt, Fort Lauderdale, Fla., the wife of an amateur pilot, was named the winner Tuesday night of the 17th annual Powder Puff Derby, an all-women transcontinental airplane race.

Mrs. Britt flew the 3,900-mile course from Bakersfield, Calif., to this resort city with Mrs. Lee Winfield, Miami Springs, Fla., as her copilot.

Their victory was considered by a derby spokesman as "quite remarkable" because their Piper Cherokee PA28 has only a 180-horsepower engine while the majority of the 42 planes that finished the race were equipped with 250-horsepower engines.

The Britt-Winfield team arrived here at 8:09 a.m. PDT Tuesday, coming in as the 35th plane.

The official winner is determined by the difference between her average flying speed and a handicap speed determined by the capability of her plane.

Second place was captured by the team of Mrs. Nancy Lyman, Alameda, Calif., and Ellen Bate-man, Rockville, Md.

Mrs. Ellen Leoning and her copilot, Mrs. Linda Warner, both of San Francisco, came in third.

Fourth place went to Mrs. Ginie Richardson, Yakima, Wash., and Marian Jensen, Del Mar, Calif.

Mrs. Mary Ann Noah, Mission, Kan., and copilot Stella Lehmann, Kansas City, Mo., were fifth.

Three Persons Killed In State Road Mishaps

By United Press International

Three persons died in Oregon traffic accidents Wednesday, two of them in a motorcycle-car collision near Salem.

Clifford Michael Moore, 20, and Ronald Morgan Church, 17, residents of the Keizer area north of Salem, were riding on Moore's motorcycle Wednesday night when it collided with a car driven by James Frederick Frye, 24.

Marvin Lee Ducey, 9, of Coquille was killed Wednesday afternoon when he was struck by a car as he ran across State Highway 42 two miles west of Coquille.

The boys had been berry-picking with his father and was crossing the road when he was hit by a car driven by Earl Russell Hill, 54, Eugene. He was pronounced dead on arrival at a Coquille hospital.

SWIM CLASS INSTRUCTION is among the several worthwhile programs for youth carried on by Roseburg's YMCA. Students above are enrolled in the regular Fish and Flying Fish classes. One instruction aspect is teaching boys and girls to stay afloat while wearing clothes. Students also learn how to remove clothing while in water, receive lectures in water safety and acquire skill in "drown-proofing" — the survival float position. Wayne Schulz, YMCA secretary, said purpose of the aquatic program is to prepare students in water safety not only through instruction in swimming techniques but in all levels of water skill, including survival techniques.

YMCA Endeavors To Fulfill Needs, Interests Of Community

The familiar triangle symbol of the Young Men's Christian Association symbolizes the organization's traditional concern for development of body, mind and spirit.

In Roseburg, the "Y" serves as the only year-around program of aquatic instruction and recreation within a 75-mile radius. As a participant in the Central Douglas United Fund appeal, its budget is subsidized in part by funds collected during the annual UF campaign.

Prominent in the Roseburg "Y" schedule are all types of aquatic programs, including swim classes, life-saving, scuba instruction, leadership service clubs, diving and training in certain aspects of competitive swimming. Over 1,200 persons were enrolled in swim in-

Alaska N. Guard Draws Ex-Roseburg Youths

Two young former Roseburg brothers took part recently in an Alaska National Guard ceremony in Juneau which saw one brother administer the swearing in oath to the other.

Second Lt. Jesse Bulkeley, who received his commission following graduation from National Guard at Ft. Benning, Ga., and who is presently assigned as platoon leader at Juneau, administered the oath to his younger brother, Jerry, new National Guard recruit. The assignment came in line of regular duty for the elder brother, who is also administering officer for the National Guard in Juneau.

The young men are sons of Mr. and Mrs. William Bulkeley who moved with their family from Roseburg to Juneau a few years ago. Lt. Jesse Bulkeley is the son-in-law of Mr. and Mrs. Ward Cottrell of Roseburg. His wife is the former Shirley Cottrell.

The younger Bulkeley will spend six months in training at Ft. Ord, Calif., and then return to Juneau.

Grass Fire Doused

The Roseburg Rural Fire Department quickly extinguished a spot grass fire near the airport Wednesday afternoon. Cause of the fire is undetermined, and no damage was reported.

SIMPLE REASON

WASHINGTON (UPI) — President Kennedy gave a simple explanation Wednesday for resuming golf. There had been a two-year layoff due to his back injury.

"I like it," he told his news conference. He said that his return to the game was aided by his 10-day European visit because it was good "to get out of the office." The President played golf at Hyannis Port, Mass., last weekend.

Other Services

Other community services include athletic leagues, physical fitness programs, family activities, social events for boys and girls, clubs, hobby and recreation groups, counseling and other activities which altogether attracted attendance totaling 77,735 last year.

It is significant that in the association's 119 years of service the "Y" has remained a voluntary autonomous organization with control and administration of each community group vested in its own board of directors.

One characteristic which has fostered development and acceptance of the "Y" as an important link in the lives of boys and girls as they learn skills of physical, social and spiritual attainments is the organization's ability to adapt to the needs and interests of the community.

The Roseburg YMCA proposes to operate its 1964 program on a \$62,377 budget. Its board of directors has requested a \$26,245 subsidy from the Central Douglas United Fund, which would represent 42 per cent of the "Y" income dollar.

Delegates Fail To Show For Sino-Soviet Parley

By NICHOLAS DANILOFF

MOSCOW (UPI) — Chinese and Soviet delegates did not show up for talks on their worsening ideological dispute today, indicating another recess had been called in the conference.

There was no announcement, but newsmen waiting outside the conference site in a villa on the outskirts of Moscow said neither delegation arrived. The usual pattern of the talks has been one day off and one day on, and talks were held Wednesday.

Edward G. Telgenhoff

Funeral services for Edward G. Telgenhoff, 70, who died Wednesday at a local hospital following a prolonged illness, will be held at Wilson's Chapel of the Roses Saturday at 3 p.m. with the Rev. Ed West of Oakland officiating. Concluding services and interment will follow at the Roseburg Memorial Gardens.

Telgenhoff was born March 10, 1893, in Michigan. He had lived in the Roseburg and Oakland areas for the past 13 years, moving here from Washington. His wife, Effie, preceded him in death in 1955. He was a member of the Baptist Church in Washington.

Telgenhoff is survived by three sons, Harold of Oakland, Edward Jr. of Everett, Wash., and Lawrence of Snohomish, Wash.; four daughters, Mrs. Agnes Longozo of Morro Bay, Calif., Mrs. Irene Carroll of Ferndale, Wash., Mrs. Mariann Snell of Sedro-Woolley, Wash., and Mrs. Dorothy Cully of Anacortes, Wash.; one sister, Mrs. Rena Shook of Central Lake, Mich.; 21 grandchildren; and three great-grandchildren.

Bad Check Passer Sentenced To 18 Months In Penitentiary

Jimmy Leon Harrington, 28, of Dallas, Tex., Wednesday was sentenced to serve 18 months in the Oregon State Penitentiary on a charge of conspiracy to obtain money by false pretenses.

Harrington pleaded guilty June 5 to the charge in which he was accused of conspiring with Mrs. Jimmie L. Taylor to obtain money by false pretenses by cashing a check, allegedly made out by Mrs. Taylor, who had no account in the bank on which the check was made. The check for \$100 was cashed at Robertson's Shell Service on Jan. 5, 1962. He was awaiting pre-sentence investigation and was given credit for time already served.

Circuit Judge Charles S. Woodrich imposed sentence. Harrington recently was returned here from Dallas to face the charge.

Innocence Pleaded

In another case before the judge Wednesday, Orval Almo Baker, 39, Myrtle Creek pleaded innocent to contributing to the delinquency of a minor. He is accused in a grand jury indictment of inducing a 15-year-old girl to leave her father and mother and to travel with him from the city of Myrtle Creek on April 5.

The pair was picked up in Texas recently on Douglas County warrants. The girl was returned by her parents and Baker by a sheriff's deputy. Baker had been living with the girl's parents near Myrtle Creek when the alleged crime took place. Baker's trial was set for Sept. 10. His court-appointed attorney is William Jayne.

Roger Lee Marino, 36, returned here recently by a sheriff's deputy from Seaford, Del., pleaded innocent to charges of burglary not in a dwelling, allegedly committed May 24, 1962. Judge Woodrich set trial date for Sept. 11, with bail at \$2,500.

Time Requested

Marine's attorney, Gerald O. Kabler asked additional time before entering a plea to a second charge of larceny by bailee, also allegedly committed May 24, 1962, and his case was continued until Monday with bail set at \$1,000.

Marine is accused in separate grand jury indictments, one charging him with burglary of Sanders Tavern, owned by Gladys Sanders at 244 SE Jackson St. The other indictment charges him with failure to return the automobile of Lyle

Warmack Traced

Robert Westley Warmack, 20, Winston, drew a sentence from Judge Woodrich of 90 days in the county jail without probation for furnishing alcoholic liquor to a minor. He was accused of furnishing liquor to a 17-year-old youth. He was arrested Tuesday by a sheriff's deputy as the outgrowth of a beach party which was broken up when raided by officers. A keg of beer obtained from a local distributor, was confiscated at the scene, when the party-goers fled the scene on July 11. Warmack, traced as purchaser of the beer, admitted his participation.

Dept. Dist. Atty. Thomas O'Dell handled the prosecutions.

Ned Nay To Head School At Umpqua

Ned Nay, fifth and sixth grade teacher for the past two years at Lookingglass, will be the new principal this year at Umpqua. He replaces the late H. J. Thoreson.

A native of Long Beach, Calif., Nay moved with his parents at

Myrtle Creek Man Hurt In Rock Crusher Mishap

Roy Carte of Myrtle Creek is reported in good condition at Myrtle Creek Hospital this morning following treatment for leg injuries suffered Tuesday during rock crushing operations north of Tiller.

According to Mrs. Milton Hammersly, correspondent, details of the accident were not immediately known. The accident reportedly occurred on Carte Bros. rock crushing operations on the Smith River Road job in the Dumont Creek drainage area, Mrs. Hammersly said.
