N. Douglas Fair Plans Shaping Up

The board of the North Douglas Fair is busy with preliminary activities in connection with the big event to be held in Drain Aug. 22-24, correspondent Jo Carlile reports.

At a recent board meeting a special speaker was Dan Dunham, vocational agricultural instructor, who gave a brief outline of the Future Farmers of America program and how it could be worked into fair events to the benefit of both students and the fair association.

Dunham stated the FFA will study needed improvements at the fairgrounds prior to actual work by the group on erection of permanent facilities, wiring, plumbing, painting, landscaping, management and other aspects of fair operation. In connection with this, Dunham presented a five-year plan for improvement, enlargement and beautification of the grounds which was accepted by the board. The FFA plans to have some entries at the fair this year and will conduct a livestock judging contest for practice purposes.

Board Chairman Roy Anderson announced that permanent stock pens have been built to house animals entered at the fair this year with more additions planned in time for next year's event.

Plans are shaping up, Anderson reported, with the hiring of Nick Clark's orchestra from Springfield to play for the Coronation Ball at 8 p.m. Saturday, Aug. 17, and for the "Open Air Dance" set for Aug. 24 at the fairgrounds. The North Douglas Fair traditionally crowns its queen a week prior to actual fair events. Kiddies amusement rides have been arranged and entertainment booths will be set up by local clubs and organizations, Anderson said.

The next regular meeting of the fair board will be held Aug. 14, and a work night has been set up at the grounds for the evening of Monday, Aug. 19, to clean up the grounds and set up tables for the display of entries.

Use Of Zip Code Is Expected To Ease Glendale Mail Mixup

By MRS. GERALD FOX

Howard Edson, Glendale postmaster, urges that all Glendale residents use their new zip code, 97442, since its use should do much to avoid some of the errors in routing Glendale mail to California or Arizona, both of which have "Glendales."

Edson pointed out that the beginning numbers, 97, stand for the state of Oregon, and the last two numbers, 42, refer, specifically to Glendale.

School Opening Is Set Sept. 3 At Canyonville

Canyonville schools are still planning to open on Sept. 3 and no agreement has been made to delay the opening for the bean harvest, Supt. Norman York said today.

A letter from the local Department of Employment to Roseburg School District which was quoted in a news article indicated Canyonville schools had agreed to a postponement.

York said that this is not the case at this time. He said the Canyonville board will probably consider the request this week or at its meeting next Monday.

PREDICTS CANDIDATES

WASHINGTON (UPI) — Sen. Jacob Javits, R-N.Y., predicts, ruling out a compromise candidate, that the Republican National Convention will choose either Sen. Barry Goldwater or Gov. Nelson A. Rockefeller for the presidential nomination next year.

Because it takes a long time to make a candidate well-known in the country, Javits said recently on a television program, "there is the greatest likelihood that the Republican nominee" will be either the Arizona Senator or the New York governor.

Multnomah Fair Gets Visit From Hatfields

GRESHAM (UPI) — Gov. Mark Hatfield and his wife made a surprise visit to the Multnomah County Fair Saturday and paid tribute to Oregon poultry.

The governor told Frank Williams, superintendent of the poultry exhibit, that "people buying frozen chicken shipped in from Arkansas or other distant places may not know it but they are buying a lot of ice. When they buy Oregon chickens, they're buying all meat."

How to Win Double Dummy

By OSWALD JACOBY
(Written For NEA)

Here is yesterdays hand all over again. The bidding is the same, still nothing to be proud of, and West opens the six of hearts. Yesterday I showed how an expert would play the hand. I also pointed out that there was a double dummy play to make the contract.

	NORTH (D)	
	♠ J 7	
	♥ A J 4	
	♦ K 6 4 3	
	♣ A Q J 10	
WEST		EAST
♠ K 10 6 2		♠ A 9 5 3
♥ 6 5		♥ 7
♦ J 8 7		♦ Q 10 5 2
♣ K 9 6 5		♣ 8 7 4 2
	SOUTH	
	♠ Q 8 4	
	♥ K Q 10 9 8 3 2	
	♦ A 9	
	♣ 3	

Both vulnerable

North	East	South	West
1 N.T.	Pass	3 ♥	Pass
4 ♥	Pass	4 N.T.	Pass
5 ♥	Pass	6 ♥	Pass
Pass	Pass		

Opening lead—♥ 6

If an expert is given this as a problem hand he reasons that West must hold the king of clubs, otherwise he could make 12 tricks easily.

It is also apparent that West does not hold the ace and king of spades because if he did he would have led them right out.

He counts seven trump tricks, two diamonds and a club in top cards for 10 tricks and can get to 11 by finessing for West's king of clubs. Some sort of squeeze and end play is indicated.

South plays two rounds of trumps and the ace and king of diamonds. He ruffs a diamond, goes back to dummy with his last trump, ruffs the last diamond and leads out all his trumps at which point if the opponents have discarded to best ability the last cards are:

South leads the three of clubs and finesses against the king. Then he plays dummy's jack of spades. If East rises with the ace he drops his partner's king and has to give South two spade tricks. If East plays low, West wins and must give dummy two more club tricks.

Q—The bidding has been:

East	South	West	North
1 ♦	1 ♥	Pass	1 ♠
Pass	3 ♣	Pass	3 ♠
Pass	4 ♣	Pass	4 ♠
Pass	?		

You, South, hold:
♠ 2 ♥ A Q J 7 6 5 ♦ 4 ♣ A K 9 8 7
What do you do now?

A—Pass. You have two good suits, but apparently your partner has a better one.

TODAY'S QUESTION

Instead of bidding four spades your partner goes to four hearts over your four clubs. What do you do now?
