Judges Pick Winners In Garden Department Of Douglas County Fair

Attesting to the enthusiasm of the gardeners in Douglas County were the over 500 entries received in the Flower Department of the Douglas County Fair and Exposition. Entries were made in a wide variety of categories from individual blooms to elaborate arrangements. Both amateur and professional classes were included.

To insure maximum freshness and best possible keeping conditions, the entries were brought in on Wednesday, the first day of the fair, and were judged on that day by a large panel of judges. Many fairgoers lingered over the floral exhibits and many 'Oh's and Ah's" were heard as some of the spectacular exhibits were viewed.

Final count revealed a lengthy list of winners. Listed in the various categories in which they were entered, with all listing made in order of award, except as otherwise noted, are the following:
