Registration for Roseburg Senior High School students will be held Aug. 28, 29, and 30 in the school auditorium. Classes begin Sept. 3. Vice-Principal Tom Gruwell, who is in charge of registration, announced the following schedule will be followed: Seniors — Wednesday, Aug. 28; Juniors — Thursday, Aug. 29; and Sophomores, Friday, Aug. 30. Registration each day will be divided by last names into the following categories: R-Z, 9-10:30; M-Q, 10:30-12; E-L, 1-2:30; A-D, 2:30-4.

Class schedules, handbooks, and locker assignments will be issued. Students are urged to complete their registration at the time assigned. In order to be enrolled, students must come prepared to pay required fees and to purchase their books. This expense will range from \$15.00 to \$30.00 depending upon courses taken. Books are bought from the Associated Student Body Book Store and may be sold back at the end of the school year if they are in good condition and if the book will be used as a textbook the following year. A portion of the lock deposit fee will be returned at the end of the school year. Required fees are as follows: **Lock Deposit** — \$1 for students taking physical education and .75 for those who do not. **Towel Usage Fee** — \$2 for Physical Education students only.

English Fee — \$1 for all students — covers cost of book rental of literature books and other required materials. **Art Fee** — \$2 for Art students only — covers materials used in classes. **Science Fee** — \$1 Lab Fee — all students enrolled in science courses. **History Fee** — \$5.00 — all History students — this includes the materials and magazines used in classes in this department. **Homemaking Fee** — \$1 for Home Economics students only — covers the rental of books used in the courses. **Textbooks** — Oregon law forbids the School District providing textbooks for High School students. Roseburg Senior High School provides a student-operated book exchange dealing in new and used texts in order to save parents and students considerable expense since it is operated on or at near cost basis. Cost of textbooks per student will range from \$8 to \$20. Cost to students enrolled in more than one science course may run slightly higher. Variance in textbook costs is dependent upon courses being taken and availability of used texts. Used books are sold on a first come first served basis. Alphabetical scheduling for registration is reversed on alternate years to allow equal advantage for students to purchase used texts.

OPTIONAL FEES
Student Body Membership Card — \$5 — Any student participating in student body activities must have a student body card. Membership card also entitles the student admission to all home athletic contests, free copies of the school paper, and qualifies the holder to vote in A.S.B. elections. Pictures for student body cards are taken at registration time. (These same pictures are used in the Annual book. Additional pictures may be ordered for an additional fee, but this is optional). **Student Insurance** — \$3 — All Roseburg High School students who turn out for athletic teams are required to purchase student insurance. **The Umpqua (The High School Annual Yearbook Publication)** — \$5. — May be purchased at registration and at other times during the school year.

Health Examinations — Entering 10th grade students are urged to present a completed health examination form. Local doctors have been supplied with these forms by the County Health Office. If a student withdraws from school, the unused portion of his fees will be refunded by the business office and books which are in good condition may be sold back to the Student Bookstore. Students are encouraged to have a uniform type of gym suit, white shirt, (T-shirt for boys and white blouse for girls) and navy blue shorts, white gym shoes and socks. All items of clothing are to be plainly marked. All markings may be clearly visible while being worn. Optional garments, sweatshirt, shower cap (for girls).
