## Korean War Veterans Get Dividend Warning

Korean War veterans who hold GI "RS" insurance policies have until Sept. 13 to qualify for a special cash dividend by exchanging them for "U" term policies or converting to permanent insurance. The warning was issued today by George V. Blomgren, Douglas County veterans' service officer. He said after Sept. 13, these veterans may still convert or exchange their policies, Blomgren said, but they will no longer be eligible for the dividend payment. Veterans affected may secure more information by contacting Blomgren at the Douglas County Courthouse.
