Oakland Resident Ends Mexico Stay

By EDITH DUNN

Mrs. Dorothy Todd of Oakland has returned from Mexico City where she attended the University of Americana for six weeks. She made her home with a Mexican family while there.

While in Mexico Mrs. Todd made several sightseeing trips including the pyramids, shrine of Guadalupe and other points of interest. She made the trip south by plane both ways. She will teach in the Roseburg school district this year. Mr. and Mrs. Donald Winegar and daughters, Judy and Marilyn, of Canoga Park, Calif., spent several days recently visiting Mrs. Melvin Martin Sr. Accompanied by Mrs. Martin they drove to Hood River to see Mr. Martin who is employed there this summer. Mrs. Winegar and Mrs. Martin are sisters. A sightseeing trip in Washington was made by the group.

Pfe. Guy W. Martin of Ft. Riley, Kan., recently spent 17 days visiting his parents, Mr. and Mrs. Melvin Martin Sr., and with other relatives and friends. Guy had recently returned from a six-month tour of duty with the army in Germany.

SAFETY RULES BROKEN
WASHINGTON (UPI)—Interior Secretary Stewart L. Udall says the mine accidents at Hazleton, Pa., and Moab, Utah, have underscored "the laxness of mine safety practices in some segments" of the industry.

He said recently that most of the serious mine accidents that occurred in the United States this year could have been prevented by "elementary safety precautions."
