A brief riot that broke out following the second bombing in two weeks of Negro attorney Arthur Shores' home provided one more bight on the record of Negro leaders who have tried to keep their integration movement peaceful.

The new Birmingham flareup wiped out, in part at least, the racial advance created by the peaceful march on Washington Aug. 28.

The night of terror came at the end of a day of tension, Two young Negroes had been safely admitted to one public school. Rumors were running through the town that segregationists would be out in strength today at two
