

Dear Abby!

Make The Whole Bed!

— By ABIGAIL VANBUREN —

DEAR ABBY: I am a 12-year-old girl and I have a big, fat, 14-year-old lazy slob for a sister. I try hard to keep our bedroom looking neat, but it always looks like a pig pen because of my sister. We share this bedroom which has only one large double bed in it. My mother tells me to clean up MY half, and to let my sister's half go, but Abby, have you ever tried to make HALF a bed? It looks just awful! I hang up all my clothes but she leaves hers piled up on a chair so high you can't use the chair for sitting. Her shoes are all over the floor. How can I keep a tidy room with a slob like her for a sister?

LIKES IT NEAT

DEAR LIVES: You've given me a problem that should be solved by your mother. No child should be permitted to let his room look like a "pig pen". Because your sister is sharing a room with you, your mother should insist that she keep her half neat. A suggestion: Make the WHOLE bed, Husbands. It's much easier than making half a bed.

DEAR ABBY: After reading about the plight of Lefty, the gas station attendant, I had to write. I am in somewhat the same fix. I operate a restaurant.

How about the carload of people who come in, order coffee all the way round, and then they bring out their own sandwiches and ask you for ketchup and mustard? If you have cherry pie, they want lemon. If you have lemon, they want apple. Whatever you don't have, they want. They order the coffee black, and when you don't bring the cream, they ask you where it is. So you bring it and one

of the kids drinks the whole pitcher. When they leave they take along your silverware too, maybe, eat a melon in the car. They also take your salt shakers and two dozen paper napkins to clean off the windshield. After they're gone, you discover one of the kids left a wallet on the chair. It's got one dollar in it, but the identification is plainly printed on a card. So you have to wrap it up and take it to the post office and mail it back. And that's the last you ever hear from them. Thank heavens! CAFE OWNER ON ROUTE No. 66

DEAR ABBY: Maybe you THINK you have heard everything. Well, listen to this. I just received an invitation to attend a shower for a bride. "TOYS" are requested — for "the baby". This is no joke, Abby. The two women who are giving this shower live in Worthington, Minnesota.

HEARD EVERYTHING

CONFIDENTIAL TO "WHY PSYCHIATRY?" Because psychiatry gets to the CAUSE of the trouble. Works like this: If a person's shoe constantly rubs a blister on his heel, he can treat the blister. But unless he gets rid of the ill-fitting shoe, thereby removing the CAUSE of the blister, he will continue to get blisters.

South Avoids Free Finesse

When Virgil said, "I fear the Greeks, bearing gifts," he might well have been writing a textbook on bridge play. It is a pretty good policy to assume that if your op-

ponent's jump to four hearts was primarily intended to shut out a spade bid. The fact that South was able to make the contract was a surprise dividend.
