Russia Proposes Summit Meet To Work On Disarmament Pact

UNITED NATIONS, N.Y. (UPI)—Russia today proposed a summit conference of 18 countries in Moscow next year to work out a "general and complete disarmament" treaty and discuss relaxation of international tension.

Soviet Foreign Minister Andrei Gromyko, in a policy speech to the General Assembly, also called for a U.S.-Russian agreement not to send nuclear weapons into space.

He proposed that the 18 countries invited to participate in the current Geneva arms talks—France declined the invitation—convene a new conference next year at a convenient site to be decided.

He said Russia would welcome "the heads of governments or state" of the conference members in Moscow for such a conference.

In a speech reflecting the "Moscow spirit" which followed last month's signing of the partial nuclear test ban treaty, Gromyko used the polemics for which he is

noted only to lash out at West Germany.

He declared that Chancellor Konrad Adenauer's Bonn government "inevitably" would throw a monkey wrench into plans for relaxation of international tension.

Gromyko called for "leading statesmen of the highest level" to participate in the new 18-nation disarmament conference during the first quarter or first half of next year.

"The Soviet government believes that this conference should discuss both the question of general and complete disarmament and separate measures to achieve the further alleviation of international tensions," Gromyko said. "Such a conference could be convened at any place convenient for its participants."

Issues Invitation

"For its purpose, the Soviet government would be prepared to receive for the purpose of such a conference the heads of government or state of the members of the committee in Moscow."

A Soviet delegation spokesman amplified Gromyko's proposal, saying:

"Of course, highest level means Khrushchev and Kennedy and other heads of state."

Gromyko also retreated from Russia's previous insistence that nuclear weapons and their vehicles of delivery be destroyed at the end of the second stage of gradual disarmament.

"The Soviet government states its readiness to agree that limited contingents of intercontinental, anti-missile and anti-aircraft missiles should remain at the disposal of the U.S.S.R. and the United States in their own territories not only until the end of the second stage, but also until the end of the third stage—until the completion of the whole process of general and complete disarmament," he said.

"With the U.S.S.R. and the United States retaining a limited number of rockets, the problem of confidence in the process of disarmament will turn out to be solved even under the most mistrustful approach on the part of

skeptics in the West," he said.

Canadian Leader Speaks

Earlier today Canadian Prime Minister Lester B. Pearson called for a strengthening of the United Nations' political, military, and economic roles in order to make the most of the easing of the cold war.

Pearson warned that "when the United Nations fails, its member governments fail. When it succeeds, the people, the plain and good people of all the world succeed."

President Kennedy will address the assembly Friday.

Salem Man Hurt In Accident Here

Noel Parker Kellogg, 58, has been taken to the Douglas Community Hospital suffering from lacerations of the left forearm and forehead received in a collision with a logging truck, state police report.

The accident occurred on U.S. Interstate Highway 5 at the Dillard Gardens Road interchange about 14 miles south of Roseburg.

The truck, towing a trailer with a load of logs was operated by Robert Eugene Scott, 40, of Route 1, Box 352, Roseburg. He was southbound and slowing for a left turn onto the Dillard road, when the other car approached from the rear and started to pass.

Observing the turn signal Kellogg applied his brakes and pulled back into his lane but collided with the end of the truck reach with the left front of his car. The car suffered heavy front end damage, according to police.

Firemen Douse Two Minor Fires

The Roseburg City Fire Department was called Wednesday to control two minor fires.

At 4:06 p.m. a trash fire at the home of Elmer Scrape, 1678 SE Eddy, sent the firemen into action. No damage was reported.

Later in the evening, firemen controlled an oven fire at 418 West Center. The fire was reported to have been started by grease running over onto the bottom unit in the oven. No damage resulted.

Azalea Church Schedules Special Speaker Sunday

On Sunday the Rev. Roy Allen, son of Mr. and Mrs. Roy Allen of Barton Road, Glendale, who, with his family, is home on furlough from his work with the Weyliffe Bible Translators in Ecuador, will be the morning speaker at the Azalea Community Church.

Allen will show slides at 7:30 p.m., the regular evening Bible Study hour.

Driver Is Fined \$75

William Lewis Stewart of 1731 SE Hamilton St., pleaded guilty to a charge of reckless driving in Roseburg Municipal Court Wednesday, and Judge Warren Woodruff fined him \$75 and \$5 costs. The charge was reduced from one of drunken driving.

Conflicting Pleas Entered By Pair Accused Of Robbery

Darlene June Whitaker, 22, of 932 W. Stanton l., Roseburg Wednesday pleaded guilty to being an accessory after the commission of a felony in connection with a robbery. But the man she is accused of aiding and abetting pleaded innocent.

James Walter Watson, 23, Winston, entered his innocence plea to a charge of robbery by force and violence not being armed with a dangerous weapon, on arraignment on a Grand Jury indictment before Circuit Judge Don H. Sanders.

Watson is accused of beating and robbing Harlan Everett Payne, Star Route, Tenmile the night of Aug. 24, and taking from him \$18 and a wrist watch at Dillard.

Judge Sanders suspended imposition of sentence until he has the benefit of a presentence investigation on Mrs. Whitaker. She has been released on her own recognizance. She was represented by attorney Dudley Walton.

Plea Changed

June Lyman, 24, Winston, on appearance before Judge Charles S. Woodruff, changed a previous plea of innocence to guilty to an indictment charging her with contributing to the delinquency of a minor. The judge ordered a presentence investigation and bail was continued at \$1,000.

Miss Lyman is accused of immoral conduct in the presence of a 16-year-old boy. She was transferred today from the Douglas County jail to the Rocky Butte jail in Portland pending sentencing.

Harold E. Stillwell, 36, Reedsport, accused of false representation in connection with narcotics purchase, asked for additional time when he appeared for arraignment. The case was continued until Sept. 24, and bail was reduced to \$2,000. Neither of his court-appointed attorneys was present when he appeared before Judge Sanders.

Innocence Pleaded

Donald Crosier, Jr., Rt. 2, Roseburg, pleaded innocent to wilfully and maliciously setting fires, on appearance before Judge Sanders in answer to an indictment. His attorney was Randolph Slocum. Trial will be set at the next docket setting and bail was continued at \$1,500.

The judge appointed attorney George Weigum to represent John H. McCool, 34, returned here from Prescott, Ariz., to face a charge of uttering a forged check. He is scheduled for later arraignment.

Dep. Dist. Attorney Philip Washburn handled the states cases.

Fischer Quints

(Continued From Page 1)

ing gift list for Andrew Fischer, 38, a \$76-a-week grocery clerk, and his wife, Mary Ann, 30.

The Curtis Publishing Co. announced it had bought publication rights to pictures and stories of the Fischer family.

Live On Outskirts

The Fischers and their other five children have been living in a five-bedroom two-story stucco house two miles out of Aberdeen. Fischer also has rented some barns and a few acres so he could keep two milk cows.

Dr. James N. Berbos, the general practitioner who delivered the quint, told newsmen after his midnight visit that he has not decided when Mrs. Fischer will return home. He said earlier that she was being held in the hospital because of the excitement and hectic activities that surely will surround her when she does leave.

"The quint is all getting along good," he said. "Their milk formula has been increased. The boy (James Andrew) is very hungry and is getting nearly two teaspoons of formula and some sugar water."

"Mary Catherine and Mary Margaret also are very hungry," he said. "They get a little less than a teaspoon."

Boy Most Active

E. C. Pieplow, president of the Aberdeen Chamber of Commerce and a family spokesman, said in a news conference Wednesday night that James Andrew was the most active of the five.

"He really lets you know he's a boy," Pieplow said. "He got his foot caught over a plastic partition in his isolette. It was nothing serious."

"Baby B" (the second-born, Mary Magdalene) turned over on her stomach on her own accord. This was a muscular feat."

Pieplow said he has had offers of land, blueprints, work, lumber and other materials and interior furnishings for the new house. It will be built to the Fischers' specifications.

Local Man Jailed On Driving Count

Glenn Aubry Cole, 42, of 1542 Fairmont St., Roseburg, was sentenced to 10 days in jail and fined \$200 and \$5 costs on one charge of driving with suspended operator's license and \$100 and \$5 costs with two days in jail on a second charge, on pleas of guilty before District Judge Charles S. Woodruff Wednesday.

The jail terms are to run concurrently. A further fine of \$5 and \$5 costs on still another charge of driving without an operator's license was imposed.

Dumping Rapped

Jerry Lee Curry, 23, of 1863 NE Hollis St., was sentenced to 30 days in jail and fined \$100 and \$5 costs for dumping rubbish on private land on a plea of guilty. Execution of sentence was suspended for one week to clean up the premises littered with debris and rubbish.

Gary Guy Carroll, 19, Coles Valley Road, pleaded guilty to driving with a suspended operator's license and was fined \$100, \$5 costs and sentenced to two days in jail.

Richard Lee Noblit, 20, Elmira has been arrested by the sheriff's department and lodged in the Douglas County jail on a charge of contributing to the delinquency of a minor, on a Lane County warrant.

Jerry Robert Eddy, 20, Camas Valley, is booked at the county jail as being absent without leave from the military service.

Del Ray Carr, 27, of 270 Pine St., was arrested by a sheriff's deputy Wednesday and lodged in the county jail on a charge of assault and battery. The complaint, was filed in the court of Justice of the Peace Ward Watson at Sutherland by Carr's wife, Mildred.

Firemen Honor Roseburg Youngster For Heroic Efforts In Home Fire

By BILL SPARKS
News-Review Staff Writer

A shy, likeable Roseburg seventh grader sat with his head bowed while praises about his heroism were voiced by Oregon's No. 1 fire-fighting authority Tuesday night.

Jimmy Burt finally broke into a smile as his picture was being taken with state Fire Marshal Walt Stickey after he had been presented a plaque for his heroic action in saving the lives of six other youngsters when his home caught fire last June 26.

The plaque, presented by the Douglas County Firemen's Association, was given to Jimmy by the state fire marshal at an association meeting in Canyonville. It was the first such award made by the Douglas County association.

Boy Lauded

In addition to presenting the plaque, Stickey read a letter to Jimmy from the National Fire

Protection Association, Boston, Mass., honoring the young Roseburg boy for his action.

Jimmy, the son of Mr. and Mrs. Byron Burt, spoke with several firemen during the dinner prior to the presentation, but when he spoke it was not about fire fighting, but rather about his hopes of becoming an artist when he grows up and about his pride in the Joseph Lane Junior High School seventh grade football team. Jim is a first string halfback on the seventh grade team, which seems at the present to be his No. 1 point of pride.

On one occasion he shyly reached for his billfold and showed a fireman one possession of which he has full cause to be proud, a letter of commendation from Gov. Mark Hatfield. Jimmy says he plans to frame that letter and put it on his wall, along with the plaque presented by the county firemen.

In that letter, the governor told Jimmy, "Your actions are certainly a credit to yourself and your parents and your school, and I know all your friends in the Roseburg community are proud of you. It is wonderful to know that there are young people who can respond so bravely to responsibility and danger. I certainly wish to compliment you, not only on your courage, but also on your thoughtfulness for the other children in your home. I know you will be a stalwart citizen and leader of your community in the future."

Fire broke out in the Burt home during the early morning hours of June 26 while all members of the family were asleep. Jimmy was awakened and heard his uncle calling from the downstairs part of the two-story frame house. The door to the hallway was closed, and when he opened it, he was confronted with a ball of fire.

He closed this door and swiftly rounded up the other children (six) and forced them to lie down on a floor in one of the back bedrooms and remain calm. By this time, his father had gotten a ladder and put it up to the bedroom window and the boy guided four of the children down.

When he went back for the other two he could not find them in the smoke filled upstairs. He called to his father, who in turn came up the ladder and helped him find and guide the other two to safety.

Roseburg Rural Fire Chief Cliff Thrasher said at the time that had it not been for the actions of the young boy, the other six children without a doubt would have perished in the blazing inferno.

The plaque presented by the county firemen, 65 of whom were on hand for the presentation, read, "James Burt is hereby commended for his courage and resourcefulness in saving the lives of six children trapped in a house fire June 26, 1963. By his action, panic was averted and the six were led to safety."

Boundary Reduced By Realtor Board

The Douglas County Board of Realtors voted at a meeting Wednesday noon in the Umpqua Hotel to limit its boundaries and adopt the name of Central Douglas County Realty Board.

The membership approval was given to permit the directors to negotiate with the national associ-

RICHARD STEVENSON
heads Realty Board

ation to make this possible. The move will make it possible for Realtors in remote parts of the county to form their own groups or to join boards nearer them.

The Reedsport area Realtors had petitioned the county board for permission to withdraw, because of the difficulty in attending the twice-monthly meetings due to travel distance. Previously the Drain area was excluded so members there could join a Cottage Grove board.

Proposed boundaries will be the area from the north Oakland city limits south to the south Canyonville city limits, and include the areas to the east and west. This will exclude the Glendale, Reedsport and Drain-Yoncalla areas.

New president of the Board of Realtors is Richard Stevenson, formerly vice president, who was elevated to the position with the resignation of Gus Reynolds, due to press of business.

Umpqua Forest Slash Burning In Full Swing

Weather conditions were reported excellent as slash burning operations got into full swing Wednesday on ranger districts of the Umpqua National Forest.

Umpqua fire official Homer Oft said rainfall at higher elevations throughout the forest provided the desired burning conditions for those areas.

"We fired one 70-acre block Wednesday and it burned beautifully," the official reported.

Burning activity was scheduled to continue today, but subsequent burns will depend on the weather. Burning permits are required, Oft stated.

Slash fires on National Forest timber sale cuts are handled cooperatively by crews of the Forest Service and timber operator. In a controlled slash burn, fire lines are prepared and the men are in position to patrol before the slash is ignited. At all times, a close watch is kept on the weather.

The Roseburg headquarters office of the Douglas Forest Protective Association also reported slash burning activity Wednesday and today. Permits were issued for burning on lands west of Yoncalla and in the Rock Creek and Canton Creek areas. Private timberland was involved.

Although campers may feel that campfires no longer need to be extinguished, Oft emphasized that forests can become dry again in a very short time and unattended fires still could cause a conflagration. He urged continued public cooperation to prevent further man caused fires.

Winston Man Is Taken To Hospital At Eugene

Roger Mills, 18, Winston, critically injured in the Aug. 31 tragedy at the Roseburg Speedway, has been moved from Douglas Community Hospital to Sacred Heart Hospital in Eugene.

Mills has been in an unconscious state from injuries suffered when a racing car crashed and hit over a high fence to land in a bleacher section. Reports listed two persons killed, 19 persons hospitalized and another seven or eight persons who reported suffering some form of injury.

Most of the persons hospitalized were released after receiving treatment on the next day.

Reedsport Jail Vote Set Friday

Reedsport voters will go to the polls Friday to decide the fate of a bond election for \$47,500 to construct a new jail which would be attached to the city recorder's office in the Community Building.

The building itself would cost \$35,000, not counting engineering and architectural costs, said Fred Kruse, Coos Bay architect who drew up the plans. The remainder of the bonds would be used to relocate the police station in the city recorder's office.

The main reason for the bond issue was a report earlier in the year by the Douglas County Grand Jury calling the present Reedsport jail a "disgrace to the community."

Balloting will be from 8 a.m. to 8 p.m. in the Community Building.

Grass Fires Doused

Firemen from the Roseburg Rural Fire Department quickly extinguished two minor grass fires Wednesday which were blamed on unattended incinerators.

The first call was received at 11:47 a.m. at Route 4, Box 256, where a fire covered a quarter of an acre on a vacant lot belonging to Morrey Lesell.

At 6:07 p.m. the firemen were called to 2887 NE Parker Road where a fire covered one-third acre on a vacant lot belonging to C. W. Cooper. Neither fire caused any damage.

Developers To Meet

The Roseburg Payroll Development Plan committee will meet tonight at 6:30 in the Umpqua Hotel.

Co-chairmen Phil Quisenberry and Don Dole urge all members to attend. On the agenda will be a discussion of the Payrolls for Progress salute, possibilities of a local development corporation and other industrial promotion topics.

Hospital News

Visiting Hours
2 to 3:30 p.m. and 7 to 8 p.m.

Mercy Hospital Admitted

Medical: Dallas Tomison, M.R.S. Alfred Remy, both of Roseburg; Robert Brown, Sutherland; Mrs. Patrick Hannagan, Oakland.

Discharged

Mrs. Clifton Frost, Frank Graham, Betty Bakke, Mrs. Eugene D'Ambrosio and daughter, Pia Lynn, all of Roseburg; Connie Crindle, Idleyd Park; Mrs. Albert Everett and son Charles Lee, Riddle; Marilyn Nelson, Sutherland.

David O. Crispen

David O. Crispen, 81, a longtime resident of Milo, died at a Canyonville hospital Wednesday night following a short illness.

Crispen was born July 26, 1882, in Pueblo, Colo. His childhood was spent in York, Pa., and in the state of Washington. He attended school and was engaged in logging work at Winlock, Wash., before coming to Oregon in 1916. The deceased had a ranch at Milo.

Crispen worked for the Forest Service for a number of years and was also employed as timber cruiser and powder man in the logging industry. He was married to Ellen Furlong at Drew, Ore., on June 20, 1916.

Surviving are his wife, of Milo; a daughter, Mrs. George Shaffer of Grace Culver of La Mesa, Calif.; and four grandchildren.

Graveside funeral services are slated at 2 p.m. Saturday in the Thomason Cemetery at Drew. The Rev. Joseph Cornier of the All Souls Catholic Church of Myrtle Creek will officiate.

Ganz Mortuary is in charge of arrangements.
