

AWOL Sailor Shows No Remorse In Slaying Of Mother, Brother

PORTLAND, Maine (UPI)—An AWOL sailor who replied "hell, no" when asked if he felt remorse for killing his mother and younger brother and critically wounding his father was extradited to Massachusetts today to face prosecution for murder.

Crew-cut Stanley N. Garfield, 18, of Framingham, Mass., waived extradition in municipal court a few hours after he was seized at a police roadblock in South Portland.

Garfield, dressed in tight-fitting dirty white trousers and open-neck blue shirt, spoke out in a loud clear voice during the seven-minute appearance before Judge Millard E. Emmannelson.

Asked by the judge whether he would waive extradition, Garfield said "That's what I wish to do. I talked this over with the Maine state police." He was arraigned on a fugitive from justice charge.

The tanned, slender, fingered-teen-ager chatted willingly with

newsmen as he stood guarded but unmanacled in the courtroom.

"...Something Snapped"

When a newsman asked him why he strangled his mother, Garfield answered, "That's not a sensible question. I don't know. Perhaps something snapped."

To a question as to whether he was sorry for the killings, he snapped, "Hell, no. I don't feel regretful. There's no reason to regret it."

He said he did not know why he went AWOL from the Navy. He said he considered himself a "religious" person.

Garfield was turned over to Massachusetts state police Lt. John A. Cahalane.

Garfield, who joined the Navy last May, is a native of Quincy, Mass., and lived in Portland from 1955 to 1958.

Police said Garfield readily confessed he strangled his mother, Mrs. Ruth T. Garfield, 43, and his brother John, 9, and that he shot and wounded his father, Robert T. Garfield, 43.

Maine police said the youth described the violence as "something that has been coming to a boil for a long time." A family dispute apparently had been fomented by his marriage to a teen-aged sweetheart.

His father when he returned from work, police said. The elder Garfield, an executive with the Polaris Corp., was shot in the chest.

Police said the wounded father asked his son to call an ambulance. He also told him to take some money and the family car and turn himself in to police.

Calls For Ambulance

The youth took \$100 from his father's wallet and left in the car, but instead of surrendering he headed for Maine. He told Maine authorities he stopped along the way and called an ambulance for his father.

Garfield was taken to Framingham Union Hospital, which reported his condition today as critical. He underwent emergency surgery.

The youth told authorities in Maine he left California Sept. 9 and hitchhiked across the country, arriving home about noon Thursday. He was reported absent without leave from the California base about a week ago.

Two other sailors who reportedly fled the base with him were seized in a Framingham hotel Thursday night by Navy intelligence officials.

Thriving Aberdeen Quintuplets Will Get First Weighing Today

ABERDEEN, S. D. (UPI)—The thriving Aberdeen quintuplets were scheduled for their first weighing today and townsfolk decided to do something nice for the other five Fischer children.

There were busy goings-on as the quint entered the sixth day of their lives. The doctor boosted their rations again. Two grandmothers tidied up the house for

Mrs. Fischer's coming home from the hospital Saturday or Sunday.

And the Aberdeen "welcome wagon" prepared to make a call to the ten-room farm house outside Aberdeen with gifts and goodies for the oldest Fischer children. They range in age from 3 to 7.

"I talked with Sister Stephen, the hospital administrator, and told her the children at home would more or less be forgotten," said Mrs. Dorothy Getsman, the welcome wagon hostess. "Some gifts would more or less cheer them up a little bit."

Mrs. Getsman said she thought of the other children in the family because she once had twins herself who were in the hospital for two months. The Getsman twins are now 16.

Mrs. Getsman said she and her assistant rounded up cook sets and dishes for the two older girls, fuzzy dogs and teddy bears for the younger two, and sweat shirts and plaid bathroom slippers for the boy.

"And we have a 5-pound box of candy for the whole family," she said.

The mother, Mrs. Mary Ann Fischer, 30, admitted earlier in the week she was worried about her other children. Her doctor, Dr. James N. Berbos, said Thursday she would leave St. Luke's Hospital either Saturday or Sunday.

U.S. Officials Seeking Cuts In Viet Nam Aid

SAIGON, Viet Nam (UPI)—High-ranking American civilian officials here are pressing for selective cuts in U.S. aid to South Viet Nam despite opposition from U.S. military and intelligence chiefs, diplomatic sources said today.

Washington officials have rejected the idea of massive cuts in the \$500 million annual U.S. aid to the government of President Ngo Dinh Diem in its fight against Communist Viet Cong guerrillas.

But the sources here said carefully calculated small cuts could help America's image in Viet Nam and other parts of Southeast Asia by showing that the U.S. government is not committed irrevocably to the Diem regime, which has been accused of suppressing democracy and persecuting the nation's Buddhist majority.

One of the ideas said to be under study would be termination of the \$3 million which the U.S. Central Intelligence Agency (CIA) is reported to pay annually to Vietnamese special forces controlled by Diem's brother, Ngo Dinh Nhu.

These are the forces which spearheaded a series of violent raids on Buddhist pagodas Aug. 21, under the command of Col. Le Quang Tung.

Nhu could probably divert funds from some other source for the special forces, the sources said, but U.S. withdrawal of direct support for the organization might have desirable political and psychological effects.

Nhu's wife, an outspoken defender of the regime's treatment of Buddhists, continued a European tour today. She planned to leave Belgrade, Yugoslavia, for Athens and Rome. She also will visit Paris and is expected to arrive in the United States Oct. 2 to explain the government actions against Buddhists and urge continued U.S. aid.

LeMaire is accused in one complaint with burglarizing the residence of Barney Root at Myrtle Creek on Feb. 9, and in a second with taking and using the car of Charles Arnold Rubut of Myrtle Creek, according to the sheriff's office.

LeMaire was arrested by a sheriff's deputy and Myrtle Creek Police Chief Jim Pringle on warrants out of the justice court of Nina Pietzold at Canyonville, where he is scheduled for arraignment.

Booked also at the county jail is Larry Wilson Waddle, 18, of Rt. 1, Box 310, Roseburg, arrested by state police on a Lane County warrant charging him with issuing insufficient funds check.

Payroll Builder Selection Made

Decision on the "payroll builder" to be saluted during October was made at the monthly meeting of the Payroll Development Committee of the Roseburg Chamber of Commerce Thursday night at the Umpqua Hotel.

Announcement of the selection will be made prior to Oct. 1. Several members of the committee today made a visit to the plant of the concern to be recognized. They were accompanied by Larry Dineen, Southern Oregon representative of the Oregon Department of Planning and Development; Bill Salmon, Portland, Pacific Power & Light Co., industrial development representative, and Don Lewis, Portland, economic development manager for Pacific Telephone Northwest.

Discussion was held on future payroll builders to be recognized in the committee's effort to lend assistance where possible to expansion of small industries and to help keep them on their feet where they may be experiencing difficulties.

A checkback on previous selections to determine progress or to offer further assistance if needed is scheduled by the committee.

The payroll builder for September is Southern Oregon Fabricator Service, Winston, builder of component structural sections for construction of homes and other buildings.

Others recognized so far were Viletta's Arts and Souvenirs, El Rancho Candles, both of Roseburg, and McKinney's Arrows, Oakland.

Some discussion also was given to a proposal to establish an industrial park to attract new industries.

Big Turnout For Rocky Planned At Republican Confab In Eugene

SALEM (UPI)—Plans to guarantee a massive turnout for New York Gov. Nelson Rockefeller at the Western Republican Conference in Eugene were drafted at a private meeting held recently in Boise, it was revealed today.

Both Rockefeller and Arizona Sen. Barry Goldwater are to speak in the 10,000-seat McArthur court basketball pavilion on the university of Oregon campus Oct. 12.

Rockefeller is to speak at noon, Goldwater at 7 p.m.

House Minority Leader F. F. Montgomery, R-Eugene, said he and Tuck Wilson, Portland Young Republican, attended the Boise meeting.

"I'm in charge of arrangements for Rockefeller and Goldwater at Eugene. I'm trying to get together with the Goldwater people now," Montgomery said.

"I didn't stay at the meeting, we discussed arrangements for Rockefeller, then I left. I didn't want to get involved because I'm on the host committee," he added.

Rockefeller boosters from several Northwest states reportedly attended the session.

Montgomery said "I know Wilson will do some work. I understand he is working closely with the Rockefeller forces."

When asked by United Press International what plans were drafted at the meeting, Wilson said "I'm in no position to tell what happened in Boise."

Wilson did reveal plans to provide free bus rides from Portland for college students and others.

He said buses would arrive in time for Rockefeller's speech. Asked if special buses were planned for Goldwater's appearance, he said "we aren't going to shuttle buses back and forth all day."

Wilson said he was coordinator for a group headed by Martha Kate and Bob Ridgley, both of Portland, who were heading an independent Republican conference committee.

"We didn't plan any announcement now. We have arranged a publicity campaign. It wasn't to be announced until next week," he said.

R. Mort Frayn, former Washington State Republican chairman and Camden Hall, former University of Washington student body president and now a law student at the university, told UPI they attended the Boise meet.

Frayne said he would be at Eugene and "probably would host a reception for Rockefeller."

He said a Rockefeller for President group was being organized in Washington.

Frayn said "Rockefeller will get an enthusiastic welcome from his supporters at Eugene." He said it would not be a conventional-type demonstration "it's not the time or place for the kind of action."

Montgomery said Rockefeller is scheduled to fly to Portland at 9:55 p.m. Oct. 11, then fly to Eugene.
