**Oakland Woman Back From Trip**

By EDITH DUNN

Mrs. Ruby Sorenson of Oakland has returned from a visit with her son at Colorado Springs, Colo. She traveled by way of California and reported fine weather all the way. She took in many sights of interest while in Colorado.

Mr. and Mrs. Herman Roberson had as guests Sunday Mrs. W. L. Righmier and daughter of Central Point. Righmier joined a family group for weekend hunting in this area.

Mr. and Mrs. Herb Hogan, Mr. and Mrs. Pat Ross, Mr. and Mrs. Stanley Long and children, Herb Hogan Sr. and Carey Hogan were hunting east of Oakland opening weekend on the Lloyd Pinkston ranch. Seven deer were bagged by members of the party. This hunting was done in the same general territory where Herb and Dixie Hogan shot bear last year.

Bob Lowell, who is stationed on the Valley Forge at San Diego with the U.S. Navy, surprised his grandparents recently with a visit while his ship was docked in Portland. Lowell recently received his rating of radarman 1C.

Jesse Lee, Gary Roberson, Leo Sparks and Mr. and Mrs. Holland Hutchings spent several days hunting recently in Eastern Oregon. They report the hunting as "poor."

**BEER KEGS "DEADLY"**

SACRAMENTO, Calif. (UPI) — Four youths were under arrest today on charges of assault with deadly weapons — two beer kegs. California Highway Pat. Joseph J. Brennan said the youths threw the kegs from a car he was chasing and one of the just missed him.

**Dear Abby!**

Do It With A Smile!

— By ABIGAIL VANBUREN —

**DEAR ABBY:** My sister and I have a problem with our father. He is 84 years of age. He has a "girl friend" about 65, and has been seeing her for about a year now. As he still drives his own car he has asked my sister (who lives out of town) if he and his "girl friend" can drive down to her place some Saturday and stay until Monday. My sister is a widow and she is very upset over the prospect of entertaining a woman she does not know. Father says he does not contemplate marriage—she is only a "girl friend." Yet he says, unless his "girl friend" is invited, he will not drive down alone any more. How should this be handled?

**SISTERS:** Tell your sister to put out the welcome mat and to do it with a smile. You girls should be tickled pink that you aren't running to a nursing home with chicken soup every day.

**DEAR ABBY:** Please help me out of this mess I got myself into. I am 14, but I liked this life guard so much I told him I was 17 and he believed me. I told him a bunch of other lies about where I went

to school and where I lived because I don't live in a very nice part of town and I didn't want him to know it. I gave him my telephone number. What will I do if he calls me up and wants to take me out? My parents are very strict and I can't date yet. Would it be terribly wrong to have him pick me up at my girl friend's house?

**IN A MESS:** Yes, it would be if he calls you, tell him the truth. And DON'T tell any more fibs, or you'll find yourself in so deep that even a life guard can't save you.

**DEAR ABBY:** Yesterday I sent my little boy next door to borrow a cup of sugar. He came back with a large white envelope (sealed) with a cup of sugar in it. Across the envelope was written: "PLEASE RETURN WITHIN 24 HOURS," and her name and address. Don't you think this is a very unfriendly way for a neighbor to act?

**SHOCKED:** Yes, I'll wager this woman isn't bothered by the same "borrower" twice, which is undoubtedly her motive.
