Chip Brownies Are Different

Certain confections bring on an appreciative response on the mere hearing of their names, because of the delightful association with childhood memories. Brownies are in this class. Here is an unusual variation of this dessert which will please grownups and children alike.

De Luxe Chip Brownies
1/2 c. butter
2 sq. unsweetened chocolate
1/2 c. flour
1/4 tsp. baking powder
2 eggs, beaten fluffy and thick
1 c. sugar
1/4 tsp. vanilla
1/2 c. chopped walnuts
1/4 c. potato chips crushed
Ten minutes before baking, start oven at 350 degrees.
Melt butter and chocolate in double boiler over hot water (not boiling). Stir when melted and cool. Sift flour, measure and resift with baking powder. Add sugar to well beaten eggs in 3 parts, beating after each addition. Then beat in cooled chocolate and vanilla. With wooden spoon stir in flour mixture then nuts and potato chips. Spread evenly in lightly greased baking pan. Bake 20 minutes. While hot mark into squares with point of knife. Cool in pan on a rack. Complete cutting just before serving.

Desert Jewel Dessert Is Precious Addition To Recipe Collection

Chopped fresh dates, banana slices and chopped nuts in a setting of shimmery lemon gelatin flavored with apricot nectar make "Desert Jewel Dessert" as refreshing as an oasis spring.
This "Jewel" of a dessert mold is no mirage. It should become a very real — and precious — addition to your recipe collection. Top each serving of "Desert Jewel Dessert" with sour cream sprinkled with a mixture of sugar and cinnamon. A particularly attractive garnish would be pitted fresh dates filled with sour cream or whipped cream.
There's something new awaiting your pleasure in the produce sections of markets. Fresh dates are now packed in handy round plastic cup containers besides being packed in traditional bags, cartons and tray packs. The plastic containers, which when emptied may be used for food storage, come in two sizes — pitted fresh dates in a 10-ounce size and unpitted dates in a 12-ounce size.

Desert Jewel Dessert
1 cup fresh dates
1 package (6 oz.) lemon gelatin
1/4 teaspoon salt
2 cups boiling water
1 can (12 oz.) apricot nectar
1/4 cup lemon juice or Rose' wine
2 small bananas, sliced
1/4 cup chopped nuts
1 cup dairy sour cream or whipped cream
Sugar
Cinnamon
Chop dates coarsely. Combine gelatin and salt; add boiling water and stir until gelatin is completely dissolved. Stir in apricot nectar and lemon juice. Chill until mixture mounds on spoon. Fold in dates, banana and nuts. Pour into 5-cup mold or individual molds. Chill until set. Unmold and serve with sour cream sprinkled with sugar-cinnamon mixture. Garnish with additional whole dates, if desired.
Makes 8 or 9 servings.

EXOTIC SALAD
Chicken salad becomes exotic when the ingredients include Tokay grapes, coconut and nuts. Prepare your favorite chicken salad recipe, blending a dash of curry powder into the mayonnaise. Then stir in halved and seeded Flame Tokays, flaked coconut and chopped cashew nuts.

GINGERBREAD GLAZE
Drizzle chocolate-almond glaze over warm squares of gingerbread. Melt together 1 square chocolate and 1 tablespoon butter. Remove from heat and stir in 1 cup powdered sugar, 1 tablespoon hot water, few drops almond extract and 1/2 cup chopped almonds. Ladle over warm cake.
