

**PACIFIC LUTHERAN UNIVERSITY** Concert Band, now on its annual concert tour, will be presented at the Joseph Lane Junior High School auditorium at 8 p.m. on Monday, Nov. 25. The program will feature contemporary and classical music along with a selection of favorite marches. The 52-piece band is sponsored in its appearance here by the Faith Lutheran Church. Prof. Gordon O. Gilbertson is the director. Tickets are on sale at Ricketts' Music Store and may also be secured at the door. The band is considered by many to be one of the finest musical aggregations of its kind in the northwest.

## Pacific University Band Due For Monday Concert

The Pacific Lutheran University Concert Band from Tacoma, Wash., will present a program of stirring marches, contemporary music and classical favorites in a concert here in Roseburg on Monday evening, Nov. 25.

The touring band, under the direction of Prof. Gordon O. Gilbertson, will present this concert at the Joseph Lane Junior High School auditorium at 8:00 p.m. The public is invited to the concert and tickets will be on sale at Ricketts' Music Store and at the door. Children under 6 will be admitted free. Faith Lutheran Church is the host for this 52-piece band and will provide meals and housing for the group while it is in this city.

**Program Varied**

The program will open with the "Allegro Maestoso" movement from Handel's famous "Water Music." This will be followed by Bach's "Prelude and Fugue in F Minor."

Next the band will play Mendelssohn's famous overture, "Fingal's Cave," an expressive work which the composer wrote after viewing the famous Scotch cave. The first group will

conclude with Wagner's "Elsa's Procession to the Cathedral" from the opera "Lohengrin."

Following an intermission the band will play works by modern composers. First will come the colorful composition, "Tournament of Trumpets" by Bennett, followed by the "Celebration Overture" by Creston.

### Other Numbers Listed

The vivid, impressionistic music from Leonard Bernstein's hit Broadway musical "West Side Story," will be followed by "Clarinet Candy," a novelty selection for the entire clarinet section by Leroy Anderson. Next will come the march, "Fairest of the Fair" by John Philip Sousa, the "March King."

Other selections from which Prof. Gilbertson will choose for the program here include "Music for a Festival," Gordon Jacob; "Procession of Nobles," Rimsky-Korsakov; "From Heaven Above," Bach; "Showboat," Jerome Kern; "El Capitán," Sousa; "Scotland the Brave," Norman Richardson; "Norad Defenders," Albert O. David; and "Hey, Look Me Over," Leigh and Colman.

## AT&T Is Talk Of Wall Street

NEW YORK (UPI)—American Telephone & Telegraph Corp., one of the nation's most widely held "blue chip" stocks, was the talk of Wall Street today.

Shortly after noon Wednesday, AT&T sent a surge through the "street" with the announcement that it would split its common stock on a two-for-one basis next June and was increasing its quarterly dividend from 90 cents to \$1 per share next April.

AT&T reached an all-time high of 140 a share shortly before the market closed and leveled off at 139 5/8 at the close. It pulled other stocks with it and the Dow Jones industrial average closed up 5.41.

The directors of the corporation also announced plans to make a large new offering of stock to shareholders of record next Feb. 18.

A check of the records shows that the company paid the same \$9 annual dividend from 1922 until 1958, a period punctuated by a depression and a world war without once slipping, despite the fact the earnings were sometimes below the amount paid in dividends.

## Washington Man Faces Probation Violation Here

Ross Victor Kinsey, 21, Vancouver, Wash., has been returned to Roseburg by the sheriff's department to face charges of probation violation.

Kinsey originally was placed on probation for three years for burglarizing a dwelling at Route 1, Box 58, Oakland, Sept. 16.

A warrant was issued May 17, 1962, for his arrest to be brought before the court to show cause why his probation should not be revoked and why he should not be committed to the Oregon State Penitentiary for three years to serve the sentence imposed Dec. 9, 1960.

Reasons for revocation were that he had committed larceny in Washington and also was wanted on the Dyer act.

### Sentence Suspended

Circuit Judge Don H. Sanders Wednesday suspended imposition of sentence on three Navy men for larceny of an auto and released them to the military. They were David Kellen, 18, Chicago; Edward Lightner, 20, Seattle; and Richard Pachmar, 19, Detroit, Mich. They earlier pleaded guilty to the charge on arrest by state police after the automobile they had taken in Roseburg had broken down near Tokete Ranger Station. They were arrested at Idlewild Park.

Grady Snelling, 19, Winston, pleaded guilty to forgery on arraignment before Judge Sanders and a pre-sentence investigation was ordered. He admitted forging the name of Mrs. Clyde Murray to a check for \$65 made out to David Ledbetter on the Douglas County State Bank and cashed at a local store Oct. 3.

### Contempt Charged

James Anthony Kendziora, 31, 3338 W. Carnes Rd., Roseburg, has been arrested on a Yamhill County warrant charging him with contempt of court.

In District Court Wednesday Stewart Glen Turner, 19, Rt. 1, Box 344, pleaded innocent to petty larceny and his trial was set for 1:30 p.m. Nov. 25. He is accused of the theft of a tire and wheel of Austin Lynch Oct. 31.

## Symphony Group Rehearsal Tonight

Under the direction of Mike Norell, the Roseburg Symphony will hold its third meeting tonight from 7:30 to 9 in the high school band room.

According to Norell the group is still in need of experienced players. Anyone from Roseburg and other Douglas County communities is invited and urged to attend the rehearsals.

Brass and woodwind players will not need to be present until 8 p.m. The group is currently rehearsing for its part in "The Messiah" to be presented at the Fairgrounds in December. A spring concert is also contemplated, Norell said.

Anyone desiring to join the orchestra who is not able to come to tonight's rehearsal, is asked to contact Norell at 672-2498.

### Drive Is Completed

Oakland High School freshmen have just completed their magazine drive. Their goal was achieved and passed according to the report by class president, Wayne Harger. Boyd Stewe, class treasurer, was general chairman of the sale.

**MUSIC STUDENTS** of the University of Oregon and their instructor, pictured above, were featured in the Roseburg Woman's Club sponsored lecture-recital series at the First Baptist Church Wednesday. Presenting "The Piano and Its Literature" above, were Serena Wright, pianist; standing from the left, Joan Wasson, Francis W. Bittner, associate professor of the School of Music; Catherine Henke, Carla Garrison and Don Addison. Bittner described representative characteristics that distinguish the piano solo composition of the 16th-century periods. The advanced students with him played selections from each period. Miss Wright illustrated modern music by playing a suite she composed. (News-Review photo)

## Belly Dancer Featured At Winston Nightspot

Ann Inge, the world's only Norwegian Turkish harem dancer, will appear for a four-night stand at The Junction in Winston tonight through Sunday.

The tall, blond Miss Norway of 1958 just completed a six-week engagement at the Medford Hotel and prior to that had appeared at the Three Star in Portland.

A native of Moi i Rana, Norway, she learned to do the Turkish harem dance in Baghdad while traveling in the Middle East with a dancing revue from Paris. Miss Inge said the harem dance is a traditional folk dance from middle eastern countries, much the same as the hula is the folk dance of Hawaii.

## Dillon Starts Service In Peace Corps

Paul Dillon, Jr., son of Mr. and Mrs. Paul Dillon, 1131 NW Ellis St., Roseburg, has become the fifth Douglas County resident to begin service as a member of the Peace Corps.

Dillon and his wife, Lexy, have begun a Peace Corps mission in Ancud, Chiloe, Chile. They spent the summer months this year at Notre Dame University in South Bend, Ind., preparing for their mission in Chile. Half of each day was spent studying oral Chilean Spanish and the other half studying background and technical material.

Following this training, they spent a month gaining practical experience at Camp Crozier, Arecibo, Puerto Rico, where their training included jungle living and mountain climbing.

### College Attended

Dillon, a 1958 graduate of Roseburg High School, attended one year of college at Stanford University and two years at the University of Oregon. His wife was graduated from the University of California this spring.

They were married in September 1962 in Fallen Leaf Lake, Calif. She is a native of San Jose, Calif. Dillon majored in philosophy, while his wife received a degree in sociology.

Dillon has spent one year working at the National Council of Churches headquarters in New York. His wife spent the summer of 1962 working with integration problems with the American Friends Service Committee in Tennessee.

Following is a letter Dillon sent to his parents, giving his impression of the land where he and his wife will serve as Peace Corps Volunteers:

### It's Spring

"It is spring here and the sun is in the north. I think that is the hardest thing to get used to — and it comes up on the right and sets on the left if you're facing it. After three buses and two launches, we arrived at the Instituto de Educacion Rural in Ancud. It is wet. It has rained every day except yesterday when the sun shone and all was shining glory.

"The signs of the terremoto and maremoto can still be seen here and there but a new dock has been built and the water front is busy. The streets are slowly being paved with concrete. There is a new bank building (only one in town). Ancud is kind of a free port and there are import houses

all over the place. A city of contrasts — the most modern, flashy fishing lures in the same hardware (general store) with a steel horse plow in the middle of the floor on prominent display.

"Most of the houses are wood with shingle exterior and roof-green with moss. At odd points are scattered very new and modern houses of concrete, with composition roofs, and tasteful use of well varnished natural wood and native stone.

### Schools Abundant

"The place abounds in schools. There is a normal school (which I think means grade school), high school, parochial school, seminary, and the school of the I.E.R., which is for girls in the campo with courses in practical home economics, cooking, sewing,

gardening, etc.

"So far we're just getting acquainted with the town and some of the people here. There is one other P.C.V. on a project with a fishing co-op. Yesterday and today there is another 'Gringo,' also a P.C.V. in town with a basketball team from Valparaiso. It's a big deal to have an out-of-town ball team here, and bigger for the team to include a 'Gringo.'

"Yesterday was All Saints Day and a holiday — last night there was a fiesta in our honor and today, inside out of the rain, we are having a meeting with all the delegados and delegados. This month the meeting is only one day instead of the usual four days, because we leave tomorrow for a special three day course on sugar beets."
