

FOOTBALL FOLLIES

Once again the "guessperts" of Football Follies are out on their limbs to predict the winners of the high school playoff games and the collegiate "Civil Wars." Roseburg's Indians and the North Salem Vikings are picked to win Friday's A-1 semifinal games and meet head-on for the state championship. The A-2 and B pictures do not emerge as definite—though North Catholic and Phoenix are the A-2 favorites. Camas Valley is a unanimous choice in its B eight-man semifinal. On the collegiate scene the Oregon Ducks have an edge over the Oregon State Beavers in the annual "big game." Bob Schindler moved well out in front with only one week remaining. Schindler has a 177-63-5 record for the season. George Castillo and Don Hagedorn tied for weekly honors with 21-5-1 marks.

Yoncalla's Eagles Set For B Semifinal Game

Yoncalla's Eagles will make their debut in the state B 11-man grid playoffs Saturday before the home fans when they host the powerful Jefferson contingent.

Kickoff time for the state semifinal game is scheduled for 2 p.m.

The Eagles captured the District 2 B 11-man football title in a hotly contested race with the Elktion Elks and the Powers Cruisers. Jefferson, rated as the top B team in the state, won its league crown with an undefeated mark, then topped Knapapa, 19-0, to grab the District 1 crown and earn the right to play the Eagles in the semifinals.

For the Eagles it is a return to the playoffs after an absence of one year. In 1961 the Yoncalla team swept through to the state finals without a setback in B competition. In the finale Yoncalla battled Pilot Rock to a tie to emerge as the state B 11-man co-champs.

The co-championship won by the Eagles in 1961 was their second. In 1959 Yoncalla had tied St. Mary's for the B title. While Yoncalla is an old hand at the game of playoffs, the Jefferson crew is seeking its first state crown. Though the Salem area team has yet to capture a state championship, it has built itself into one of the top B powers in the state in all sports.

Both teams sport rugged defensive units, and Saturday's game promises to be a struggle with a minimum of scoring.

In winning the Bico-Trico B League (District 1) championship, the Eagles opened with a 0-0 deadlock against the Powers Cruisers. Bouncing back, Yoncalla scored a 33-13 win over Elktion; stopped Crow, 27-0; turned back Lowell, 27-6; edged defending champion Monroe, 20-0, on a safety; and battled the powerful Oakland Oakers to a 6-6 tie.

Both times the Eagles stepped out of league play this year they ran into trouble—losing to A-2 Mapleton, 20-6, and to Sil- etz, 6-0.

This gives the Eagles a total of 107 points in eight games, while the opponents have managed to score only 51 points. Going into the playoff battle the Eagles boast a record of four wins, two losses and two ties.

Jefferson ranks as one of the top scoring B teams in the state, and to date has shown a miserly defense which has allowed the opposition very few points. The invaders from the north are undefeated.

Yoncalla will be led to battle by a strong group of all-conference defensive stars. First team defensive all-stars include line-backers Don Wiley and Richard

Wales, while the forward wall will be anchored by guard John Myers. Other defensive standouts include Dick Langdon, Bob Latham, Tom Cogswell and Mike Latham.

Offensively the Eagles top stars include tackle Roger Johnston, the lone player selected to a first team Bico-Trico B League all-star position, Roy Pond and Roger Carney. Though defense is their strong point, the Eagles still have plenty of straight-ahead power and Don Langdon is more than capable of throwing the ball.

The complete roster for the Eagles include Larry Russell, Myers, Rod Jackson, Larry Cox, Bob Byron, Jim Wiley, Jim Byron, Wales, Cogswell, John Webb, Carl Cox, Bob Vian, David Knowles, Eldon Green, Robert Mill, Pond, Don Wiley, Latham, Johnston, Don Langdon, Dick Langdon, Gary Bowman, Donald Vroman, Grant Buell and Richard Boettcher.

Coaching the high-flying Eagles is Tom Douglas. Douglas is at the helm of the Yoncalla crew for his first season.

In the other half of the B 11-man playoffs Merrill and Wasco will square off at 1:30 p.m. Saturday at Maupin. The winner of the Jefferson-Yoncalla game will play the winner of the Merrill-Wasco outing the following week for the state championship.

Oregon Drilling To Halt Passing Of OSU's Queen

UNIVERSITY OF OREGON, Eugene—Oregon's spirited Webfoots conclude the 1963 football season Saturday in their annual "Civil War" battle with Oregon State at Hayward Field.

Kick-off time for this traditional football clash is set for 1:30 p.m.

Coach Len Casanova's Webfoots could wind up the campaign with a solid 7-3 mark by winning, while the Beavers of Coach Tom Prothro are seeking to improve on a 5-4 record in the season finale.

The game marks the final collegiate appearance of Oregon's All-American halfback Mel Renfro, fresh from one of his finest efforts in last week's 28-22 win over Indiana.

Serafin Tops Rifle Action

Pete Serafin once again led the members of the Roseburg Senior Rifle Club in Wednesday's action at the Rod and Gun Club course in Winchester.

Firing from four positions for a possible 400 total, Serafin edged his nearest competitor with a 388 score. Serafin has now fired the top score for three consecutive weeks.

However, Serafin had plenty of competition from Bill Brickley. Brickley ended just one point below the leader with a 387 total. Paul Robinson was third with a 373 and Mildred Comfort placed fourth with a 370.

Other top scores included: Robert LeBlau, 365; Gene Lutzer, 361; Kenneth Cloake, 356; Leota Le Bleu, 352; and Pat Coats, 311.

The Roseburg Senior Rifle Club shoots each Wednesday evening at the Roseburg Rod and Gun Club. Anyone interested is invited to attend and participate in the weekly meets.

ALSTON GETS MVP

BOSTON (UPI)—The Academy of Sports Editors has named Walter Alston of the Los Angeles Dodgers its most valuable manager for 1963.

Renfro rushed for 81 yards in 16 attempts, caught five passes for 76 yards and compiled a grand total of 236 yards while touching the ball 24 times during the come-from-behind victory.

Both teams are armed with explosive offensive weapons. The Ducks, in addition to Renfro, boast slick-passing quarterback Bob Berry and halfbacks Larry Hill and H. D. Murphy, who caught the winning pass against Indiana.

Oregon State looks to its aerial combination of quarterback Gordon Queen and end Vern Burke, rated in most quarters the finest receiver in the nation, for its scoring punch.

The Beavers also present a sound running attack, featuring halfback Leroy Whittle and fullbacks Charlie Shaw and Booker Washington.

Oregon will be searching for its first win since 1958 against the Beavers in this perennial thriller, which has been a sell-out for the past three months.

Deer Hunters Get One More Chance

A few deer hunters who have not obtained permits for any special hunt or either-sex hunting area will have one more chance to score this year. The opportunity exists in the Waldport-Mapleton hunt scheduled for the next two weekends, Nov. 23-24, and Nov. 30-Dec. 1.

Requirements for this hunt include hunting license, unused deer tag and Waldport-Mapleton permit. Bag limit is set for one deer.

According to the game commission, a few permits are still available for the Waldport-Mapleton hunt, but will be issued only to those hunters who still retain their permit application received with the purchase of the general season deer tag. Hunters who filed and received permits for other special deer hunts or either-sex unit permits are not eligible to apply.

Waldport-Mapleton permits will be issued free upon application of eligible hunters.

Only six points separated the top and the bottom of the Western Hockey League today after Los Angeles net-minder Jim McLeod came back to haunt his old San Francisco teammates.

McLeod turned in a shutout Wednesday night before 8,654 at the Los Angeles Sports Arena as the Blades blanked the league-leaders, 4-0.

The puncheon Seals, who have made it to the top largely on their defense, managed only 24 shots at their old teammate and he blocked them all. Four different men scored for the winners, who have lost only two of their last nine games.

Los Angeles coach Al Pike commented after the game: "If we play like we played tonight, there won't be many teams that will beat us."

While San Francisco lost, Portland and Vancouver each advanced a point by battling to a 1-1 tie at Portland before 6,277.

Art Jones of Portland and Larry Poppin of the Canucks both scored in the first period and from there on goalies Don Head of Portland and Marcel Paille of Vancouver stole the show. Head blocked 40 shots

and Paille 36.

In action tonight, the Seals and Blades meet in a rematch in San Francisco, while Seattle—which trails San Francisco by a single point—is at Denver.

Clay To Report For Physical

NEW YORK (UPI)—New York City's director of Selective Service said today that Cassius Clay's transfer of physical examination and reported shift of residence to New York have no effect upon the date of his possible induction by Uncle Sam.

Col. Paul Akst explained: "The date of his induction will still depend upon the needs of his local draft board at Louisville, Ky. His local board of registration will always be the local board of jurisdiction."

The date of induction is very important to heavyweight challenger Clay, who is signed for a title fight with champion Sonny Liston sometime in February at a city to be announced soon.

Were he to be drafted before the end of February, Clay—who will be 22 on Jan. 17—might be deprived of a tremendous purse and his shot at the most valuable title in all sports.

Cassius had been scheduled to take his pre-induction physical today at hometown Louisville. But his Louisville attorney asked for a transfer of examination to New York. And Clay, now in New York, not only asked for an examination transfer at New York Selective Service headquarters Wednesday; but, according to a Clay secretary, went real estate shopping on Long Island "for a \$100,000 home."

Secretary Howard Bingham explained "Cassius has so much business in New York nowadays that he can't stay in Louisville."

Bingham expressed confidence that the shifts of examination and residence would permit Cassius to have the February title fight before going into service.

Dodgers Announce '64 Home Schedule

LOS ANGELES (UPI)—A season opener at night against the St. Louis Cardinals, nine relatively short home stands, 60 night games in 81 Dodger Stadium contests—those are the highlights of the Los Angeles Dodgers' 1964 home schedule.

The Dodgers, who opened on the road last season, will begin the defense of their National League pennant in Dodger Stadium April 14 and 15 against last year's runner-ups, the Cardinals. The Dodgers also close out the campaign at home with four games against the Cubs and three against the Houston Colts.

Whereas the Dodgers had seven home stands last season, the games were spread out to cover nine periods—the longest stand at 13 games, according to an announcement Wednesday by the Dodgers.

As announced previously, the National League race will begin and end five days later than last season.

Four doubleheaders are included in the Los Angeles home schedule. The New York Mets will play here in a Fourth of July twin-bill.

IN BOWL GAME

ALLENTOWN, Pa. (UPI)—Northeastern University of Boston, which completed its regular season unbeaten and untied, will play in the Eastern Bowl football game here Dec. 14. Its opponent has not been named yet.

Big 6 Title To Be Decided By Weekend Tilts

Coast Football Briefs

STOCKTON, Calif. (UPI)—University of Pacific coach John Rohde had praise today for Tiger halfback Chris Machado.

The UOP mentor said Machado looked good on blocking and pass receiving in workouts for Saturday's game with traditional rival San Jose State.

The Cougars held another "closed door" practice session Wednesday.

EUGENE, Ore. (UPI)—Oregon worked on passing and goal line defense Wednesday in preparation for Saturday's contest against Oregon State here.

The status of sophomore guard Mark Richards and end Buck Corey remained doubtful because of injuries, but coaches said Corey would be able to do

preparation for Washington State.

PULLMAN, Wash. (UPI)—Washington State coach Jim Sutherland warned traditional rival Washington today his men will be "fighting ready" when they meet the Huskies Saturday.

LOS ANGELES (UPI)—The University of Southern California Trojans went through two one-hour drills Wednesday in

the Ducks' kicking in any case.

CORVALLIS, Ore. (UPI)—Coach Tom Prothro remained silent today on the physical condition of his Oregon State Beavers.

The Beavers, who suffered several injuries against Southern California last weekend, play Oregon Saturday at Eugene.

LOS ANGELES (UPI)—The University of Southern California Athletic Director J. D. Morgan predicted that a crowd of 85,000 to 90,000 will show up for the game in the Coliseum "if the weather is good and the interest high."

REDWOOD CITY, Calif. (UPI)—The San Francisco Forty Niners probably will have to face Green Bay's Bart Starr Sunday at Milwaukee.

Word that the classy Packer quarterback had recovered from his head injury enough for at least part-time duty was received from the Midwest Tuesday.

The Forty Niners then ran through a light workout and watched films of last Sunday's 48-14 clobbering at the hands of the New York Giants.

GRAHAM VOTED TOPS

NEW YORK (UPI)—Otto Graham, who led the Cleveland Browns to three National Football League championships in six years, today was named the greatest pro quarterback of all time by a panel of the country's leading sports writers and sportscasters.

Graham coached the Coast Guard Academy to its first perfect season this year. He was followed in the balloting by Sammy Baugh.
