Forest Glen Residents Feted At Canyonville

By MRS. R. E. PROCTOR

Junior Girl Scouts from Canyonville Troop No. 40 keynoted the Thanksgiving holiday season at the Forest Glen Senior Residence with an appropriate skit Tuesday afternoon. On Wednesday evening, talented Senior Residence members followed suit by presenting a program.

Resident In Hawaii

Most glamorous holiday for residence members was that of Mrs. Edith Diorbaugh who is spending two weeks in the Hawaiian Islands. Mr. and Mrs. Frank Brown spent the holiday with their son and family at Santa Rosa, Calif., and Mrs. Myrtle Wood spent Thanksgiving and the following week with friends and relatives in the Eugene area.

Mrs. Harriett Emmerson left Monday for a short visit with her son-in-law and daughter, Mr. and Mrs. B. H. Alm at Winston, who have just returned from visiting in Klamath Falls. There she will enjoy a belated Thanksgiving dinner.

Mrs. Jennie Shurtliff visited relatives in Medford over the holidays.

Returning from a nine-week tour of Mexico and Guatemala this week were Aaron Glasgow and his sister, Arcola Glasgow, and Mrs. Pearl Richards. Mr. Glasgow will be showing his pictures of the trip shortly. Mrs. Richards narrowly escaped serious injury when the car in which she was riding became involved in an accident. She was the only one able to crawl from the wreck unassisted and spent two days in the hospital. The driver of the car was killed in the accident.

Members also welcomed back Mrs. Inez Houston who has spent 15 days in the hospital.

Mrs. Ethel Driscoll had as guests for Thanksgiving dinner her daughters family, Mr. and Mrs. Dale Canaday and children, Jeffrey, Terry, Patty and Danny of Springfield. Mr. and Mrs. Canaday and the two youngest children returned home Thursday evening, leaving here the two older ones, Jeffrey and Terry, to spend the night with their grandmother returning home the next day by bus.

Mrs. Bessie Hyland spent Thanksgiving weekend with her son in the country. Visiting Mrs. Evelyn Miles for a few days is Mrs. Laura Kramer of Portland.

Also listed as guests for the holiday season at Forest Glen were Mr. and Mrs. James McKinley of Portland; Mr. and Mrs. Hurry of Mitchell, S. D., Nancy Moore of Grants Pass; Mr. and Mrs Nelson Brooke of Pinetop, Ariz.; Daphne Phillips and Mrs. Grant Phillips of Roseburg; and Elder and Mrs. R. E. Swantz and family, missionary volunteers of the Oregon Conference, Seventh-day Adventist Church.

Thanksgiving tables around Canyonville included many college youth close enough to come home for the holiday weekend. From Southern Oregon College came Terry Soeteber, Ron Kipers, Mickey Yakal, Pete Megowan, Howard Thompson, Mr. and Mrs. Mike Patrick and Dick Richey. A. J. Waltz came from Oregon State University, Roger Shaffer and Pat Patterson from the University of Oregon, Johnny Patterson from Monmouth and Linda Moore from George Fox College.

Riddle Family Vacations, Visits California Friends

By ERMA BEST

Mr. and Mrs. Richard Stevens and two children have returned from a vacation trip to California. They stopped first in Sacramento where they met Mr. and Mrs. M. L. Stevens, parents of Mr. Stevens, who had come from Rochester, Minn., to attend the National Field Trials for retrievers and other breeds of dogs. In Fresno they visited Mr. and Mrs. Harry Prestegard, cousins of Mr. Stevens. In Long Beach they were guests of his uncle and aunt, Mr. and Mrs. C. R. Bever. En route home the Stevens stopped in San Jose to visit friends they had known in Minnesota.

Back From Portland

Mr. and Mrs. Dale Page and three children spent thanksgiving weekend in Portland, with Mrs. Page's sister, Mrs. David McCool and family.

Mr. and Mrs. John Zarnekee and four children spent the holiday weekend with Mr. and Mrs. Jack Salo and family in Mt. Shasta, Calif.

Following a Thanksgiving weekend leave spent with his parents Mr. and Mrs. Lonnie Jones and other members of the family, Airman Bill Jones has returned to the naval base in Alameda, Calif., to report for overseas duty in the Philipines.

Recent guests at the home of Mr. and Mrs. William Dickson were an old friend, Mrs. Edna Milligan of Casper, Wyo., and Mrs. Bertha Gibson of Hillsboro, a cousin of Mr. Dickson. Coming for Thanksgiving dinner were their son-in-law and daughter, Mr. and Mrs. Fred White of Medford.

Mr. and Mrs. Harry Neff and two children of Concord, Calif., joined local relatives for Thanksgiving dinner at the home of Mrs. Neff's parents, Mr. and Mrs. W. M. Hendrick.

Mr. and Mrs. William Strode and daughter, Carol, of Portland, were weekend visitors at the home of his brother Charles Strode, and family. The visitors were accompanied from Portland by an aunt of the brothers, Mrs. William Strode of Boise, Idaho, who was en route to Connecticut to visit a daughter during the Christmas holidays. Before her departure, the Charles Strodes took the aunt to Myrtle Point to visit another nephew, Elmer Strode and family. Also at the Strode home for Thanksgiving Day were their daughter, Clara Neil, from Seattle, Wash. and their son Donald, from Canby.

Mr. and Mrs. George Gibson spent Thanksgiving in Aberdeen, Wash., where they visited Mr. Gibson's 90-year old mother, Mrs. Ida Gibson, who resides in a rest home.

Nation's Idle Ranks Climb

WASHINGTON (UPI) — The Labor Department reported Friday that unemployment climbed by about twice the expected amount in November to 8,936,000.

The increase of 483,000 in the jobless ranks came as total employment fell by 566,000 to 69,325,000.

The key seasonally adjusted unemployment rate climbed from 5.5 per cent to 5.9 per cent of the labor force last month. Department officials, however, said part of this increase was inflated because of statistical deficiencies in their estimates.

The jobless rate rose to the highest level since last May as construction jobs and other outdoor projects laid off workers with the coming of colder weather. The department also reported an increase in the number of teen-agers who could not find part-time jobs.

A spokesman for the Labor Department said the employment situation showed basically no change and was "reasonably strong." The number of jobs in nonfarm category climbed by 1.4 million over the year.

Unemployment, expected to rise by about 220,000 in November, climbed by more than double that amount. Joblessness was higher across the board for men, women, and teen-agers.

DELIVERY HALTS TRAIN

NAPLES, Italy (UPI) — The Rome-Palermo express train was held up in Naples station for several minutes Friday night while railwaymen helped a cow deliver her calf in the cattle car.

Stearns Return

Mr. and Mrs. L. F. Stearns have returned from spending a week with their son-in-law and daughter, Mr. and Mrs. Vernon Bunch, and children of Empire. They report beautiful sunshiny weather on the coast.

Mrs. Clarence Earls of Winchester Bay, visited her mother, Mrs. Edith Dunn, recently. Mrs. Dunn accompanied her daughter to Winchester Bay, and with Mr. Earls they drove to Tillamook, to visit the Earl's daughter, Mrs. Nadine Williams, and Mr. and Mrs. Gerald Mobley. The group enjoyed the holiday dinner at the Mobley home. On Friday the group drove to Eugene, where Mrs. Dunn visited her daughter, Mrs. Louis Painter, and family, and her son, John Dunn, and friends.

Gas Endangers Portland Area

PORTLAND (UPI) — The Northwest Natural Gas Co. has told the City Council that combustible gas presents a "potentially serious hazard" over a large area of Portland's near east side.

The utility said the gas may be from decay of underground wood waste.

The report said the gas is not from natural gas distributed by Northwest, but is a composition commonly called "marsh gas." It is from decomposition of materials underground.

The company recommended prompt action to protect existing buildings in the area and to inform property owners of the danger.

Marsh gas is not toxic, but will ignite when mixed with air in the proper proportion, the report said. It is lighter than air and will rise through openings in the ground.

The gas company stated the marsh gas was found during routine investigations and was in places well below normal pipeline installations. The highest concentration of gas was at locations some distance from gas company facilities.

Similar marsh gas concentrations at various times have necessitated a subsurface collection and exhaust system under the Boeing Co. plant at Renton, Wash.; started underground fires in a sanitary fill on University of Washington property, and caused abandonment of a proposed housing development in Philadelphia, the firm said.

Post Office Sets Job Examination

Robert L. Snider, postmaster of Roseburg, announces examinations will be held in the very near future to fill anticipated vacancies in the post office.

These are positions as substitute clerk and substitute carrier, with a starting wage of $2.26 per hour, and a maximum of $3.14 per hour.

Postal employment includes low cost group life insurance, health insurance, a liberal paid vacation, and paid sick leave. Substantial civil service retirement benefits and job security are also an integral part of federal employment.

No previous experience is necessary, but all competitors will be required to take a written test lasting about 2¾ hours, designed to test aptitude for learning and performing the duties of the positions. Any citizen, 18 years of age or older, and high school graduates 16 years of age or older, may apply. For more information, applicants may see the postmaster or civil service clerk in the Post Office Building.

The necessary application forms may be obtained at the post office.
