

SAFEWAY Pork-Petite

THIS SIGN IDENTIFIES THE BEST FRESH PORK IN TOWN

Perhaps you've noticed the Pork-Petite sign above packages of fresh pork at Safeway. It's been put there to give special recognition to the top-quality pork that's featured by Safeway. If you've never tried Safeway's fresh pork, you may wonder what's so special about it.

Just this. Our hard-to-please buyers will accept only small-size, grain-fed pork for Safeway. This is the kind that yields lean, tender, juicy chops and roasts and spareribs. It's the kind that gives you more lean meat and excellent pork flavor, too. Our stores make sure you get it carefully prepared, and glistening-fresh.

This Pork-Petite name is a merit badge for this kind of pork. It's the sleek, svelte, slim, small pork we think your family will enjoy.
