

Development Corporation Set To Help Industries In Need

Groundwork for establishing the Umpqua Development Corp. was laid at a meeting of the Payroll Development Committee of the Roseburg (Area) Chamber of Commerce Thursday night in the Umpqua Hotel Wakiup room.

The committee voted to recommend to the Chamber board the dissolution of a non-profit corporation in existence since 1957 and establishing in its place a profit corporation.

Corporation Dormant
The original non-profit group was formed, with Gordon Todd, Maurice Newland and Harold Reaume as the incorporators, and was given \$1,500 by the Chamber of Commerce as a starter sum. But the corporation has been dormant.

Firemen Study Decontamination

Roseburg Rural Firemen this week received their first training course in radiation decontamination, as information and training received in a special 40-hour session at a Civil Defense school in Alameda, Calif. began filtering down to the local department.

Rural fireman Gene Holcomb attended the CD course in Alameda and is serving as instructor here. Holcomb was one of 47 firemen from throughout the United States to take in this training session, which served as a pilot CD program.

Emphasis is placed on such training for firemen because it is estimated they would be concerned with about 95 per cent of any required decontamination activity by virtue of their training and equipment.

Rural Fire Marshal Harry Harryman last week attended a fire prevention engineering conference at Clark College, in Vancouver, Wash. There were some 200 fire department officials from throughout Oregon and Washington attending the Oregon and Washington departments of vocational education.

Drunken Driver Gets Sixty-Day Term, Fine

Charles Wayne Williams, 27, of Rte. 1, Box 635, Roseburg, was sentenced to serve 60 days in jail and pay a fine of \$150 and \$5 costs, on a guilty plea to drunken driving before the District Court of Gerald R. Hayes. Arrest was by the sheriff's department. An additional fine of \$10 and \$5 costs was imposed against him for having no operator's license.

Michael Allen Goodson, 21, Winston, was committed for 30 days and fined \$50 and \$5 costs on a plea of guilty to giving liquor to a minor, from Judge Hayes' court.

Vera Quinton

Vera Caralan Quinton, 83, a resident of Roseburg died this morning at a local rest home following a prolonged illness. Funeral arrangements will be announced later by Wilson's Chapel of the Roses.

The change to a profit corporation was recommended as giving more incentive for investment capital. The purpose of such an organization is to lend financial assistance to industries in need, or for the establishment of industries which have potential for development. It could also purchase property for future industrial sites.

The corporation would be set up to comply with requirements of the Small Business Bureau, which makes money available to sound business ventures in sums up to \$300,000. However, a development group could operate with its own investment funds.

The payroll committee, in its motion, recommended that the chamber take the necessary legal steps for establishing the new group, but asked that the papers in their final form be referred to the committee for comment prior to filing the incorporation papers.

Industry Picked
The committee selected an industry which will be saluted by the Chamber for January. The announcement will be carried

Non-Suit Motion Filed By Plaintiff In Court

Trial of John T. Suhrstedt vs. Douglas County Farm Bureau Cooperative Exchange, Inc. ended with a voluntary non-suit on motion of the plaintiff as the trial got under way on the second day Wednesday.

The trial opened in Circuit Court Tuesday and continued through that day. Suhrstedt had sought \$42,500 damages and \$1,250 special damages for injury to his eye when a garden sprayer he bought from the Farm Bureau exploded when he applied pressure by means of a pump, he had claimed. He alleged negligence, claiming the sprayer drum was faulty. He claimed he lost 25 per cent vision of his eye.

Young Girl Injured In Accident Thursday

Mary Lou Starks, age 6, of 3525 NE Stephens St., Roseburg suffered a broken right leg when she was struck by a car and knocked to the pavement Thursday morning, state police report.

The accident occurred in front of the Chrystalite Tile Co. near Winchester. The little girl reportedly ran across the road into the path of an oncoming car operated by Barbara Jean Tinker, Winchester, police said.

She is the daughter of Mr. and Mrs. Marvin Starks.

HUNGRY FIGHTER

EL PASO, Tex. (UPI)—Robert Chappell Morris, 47, of Clovis, N.M., was convicted Thursday of biting off a man's nose and sentenced to six years in prison.

Tavern owner Candelario Hernandez was hospitalized Sept. 5 following a fight with Morris. When he arrived at the hospital he had teeth marks in his back and shoulder and half his nose was missing.

Pupil Tells Japan Story

Interesting facts about Japan were discussed by Miss Yoshiko Kimura, affectionately called "Yo-Yo," at the Roseburg night in the Umpqua Hotel.

Miss Kimura was introduced by Ray Doerner, in whose home she is living while attending Roseburg High School under the Foreign Exchange Student program. Doerner explained that she is not living in his home as a guest but as a member of the family and that she has her household chores, such as washing dishes, the same as other members.

This was the first public appearance as a speaker before a group by Miss Kimura. The exchange student program has rigid rules aimed at getting the student well oriented in the new home before forming opinions sufficient to answer questions.

Her talk, however, was limited primarily to the physical aspects of her home country and something about the people and customs. She had numerous enlarged pictures of Japan which she passed out to be viewed by members of the club. Miss Kimura has mastered the English language very well, but stumbled on a few occasions when the choice of a word wasn't forthcoming immediately.

During the business meeting, report was made on the Lions spaghetti dinner for a local supermarket last weekend, proceeds from which went to the club for its projects.

The club will be ringing Salvation Army bells on the city streets Tuesday, Dec. 24, between 12 and 4:30 p.m.

Report was made on a club visitation to the Canyonville Lions Wednesday night.

Argentina Wants Peron To Stand Trial For Rape

MADRID (UPI) — Argentine ex-dictator Juan D. Peron today scoffed at Argentina's attempts to extradite him from Spain to stand trial on a charge of statutory rape.

"I just do not have the time to make statements on such foolish things," Peron said.

Officials in Madrid and Buenos Aires said Thursday the Argentine government has asked for Peron's extradition on the charge of having illicit relations with Nelly Rivas.

Nelly, currently married and living in seclusion, is alleged to have become Peron's mistress in 1954 at the age of 14. Peron was 59 at the time.

He was overthrown in a military coup the following year and fled into exile, passing through Paraguay, Nicaragua, Venezuela and the Dominican Republic before arriving in Spain in 1960.

A spokesman for the Spanish government refused to say whether Spain would grant the extradition request.

Spain has extradited only one political refugee as prominent as Peron—former French Premier Pierre Laval, who was tried in France on charges of collaborating with the Nazis during World War II and executed.

Marian Anderson Plans Retirement

NEW YORK (UPI) — Negro contralto Marian Anderson announced her retirement Thursday and said she would dedicate herself chiefly to aiding the civil rights movement.

Miss Anderson, the first Negro to sing at the Metropolitan Opera, told a news conference she planned a farewell worldwide concert tour next year and would end her 30-year career with an Easter Sunday Carnegie Hall concert in 1965. She said her tour, arranged in consultation with the State Department, would take in Europe, Asia and North and South America. She said it would begin next October.

Miss Anderson, 61, spoke of the civil rights struggle as "activities which interest me deeply. I plan to do what is within me to do—not to follow others." She was first acclaimed as an artist after her 1935 debut in New York's Town Hall following her return from Europe. She began her career in 1925.

Eugene Men Held In Idaho Robbery

TWIN FALLS, Idaho (UPI) — Two Eugene, Ore., men faced armed robbery charges today in the holdup of a downtown Safeway store Thursday night.

The suspects were taken into custody 2½ hours after two young men, neatly dressed but unshaven and needing haircuts, held up the store. They told the dozen clerks and shoppers to "freeze," then robbed the cash register and escaped through a back door to a waiting car.

Store Manager J. Robert Loveland did not have an immediate estimate of the full amount taken.

About an hour later a cab driver who had heard of the robbery telephoned police and said he had delivered two "suspicious looking" men to a local supper club.

Police identified the suspects as James Jacobs, 26, and Donald H. Collins, 25.

OBJECTS TO INSULTS

BELGRADE, Yugoslavia (UPI) — Yugoslavia handed the Communist Chinese charge d'affaires a note Thursday protesting "insulting attacks" on President Tito by Red Chinese Deputy Premier Li Hsi-jen Nien.

The deputy premier allegedly made the remarks at an Albanian embassy reception in Peking on Albania's national anniversary Nov. 29.
