

# Pope Paul Seeks To Maintain Momentum Toward Church Unity

VATICAN CITY (UPI)—Pope Paul VI is seeking new ways to maintain the momentum toward Christian unity that was begun by his historic Holy Land meetings with Eastern Orthodox Patriarch Athenagoras, Vatican sources said today.

History "seems to be opening up" to a future "full of good and great things," the Pope said Wednesday at his first general audience since he returned Monday from his pilgrimage to Palestine.

Nine centuries of bitterness were partly swept away when the Pope and the Constantinian church leader met and embraced. But deep differences of belief and practice between the two churches remained.

## Burglar Given Sentence Here

Janos Vamos, 25, of Dallas, Wednesday was sentenced to serve 18 months in the Oregon Correctional Institution for burglary of the Idle Hour Tavern on Oct. 23.

What are the next steps? Pope Paul gave some of the answers himself in talks during his three-day pilgrimage. He indicated that Christians must forget the past and work to build up mutual respect, trust and love.

Eventually, high Catholic spokesmen say, theological experts of the two churches must meet to define the issues that divide them and seek solutions. All this could take years. The Eastern Orthodox do not recognize the Catholic doctrine of papal infallibility or the jurisdiction of the Pope over all faithful, a point that underlies Roman doctrine.

Vamos had pleaded guilty earlier to the charge, but was awaiting pre-sentence investigation. Circuit Judge Charles S. Woodrich, in imposing sentence gave Vamos credit for the time he has already spent in jail, leaving 15 months 22 days.

Hostile Greek Orthodox clergymen responded by meeting in Greece to pray for failure of the contacts between the churches. But this was to be expected, since the Greeks opposed Athenagoras' meeting with the Pope in advance.

## Police Reserves Install Officers

The Roseburg Police Reserve conducted its annual installation of executive officials at a recent meeting.

## Drain Resident Injured In Crash

A passenger, Mrs. Marvin Epperson of Drain, in a car which went out of control on Interstate Highway 5 near Sutherlin, was taken to Douglas Community Hospital by ambulance and treated for injuries, according to state police.

Robert Triplett was promoted from captain to chief, Don Lewis from patrolman to captain and John Kelly from sergeant to lieutenant.

The accident occurred at 2:30 p.m. Wednesday. The operator was listed as Iris Pickle Brown of Oakland, Calif., driving a 1957 station wagon towing a trailer house. She apparently lost control of the car and it swerved across the highway into the guard rail and upset. Both the vehicle and trailer were heavily damaged.

Patrolmen Wayne Hesselgrave, Willie Marical and Glen Yates were advanced to sergeant. Five other men, having passed a required examination, were recently accepted by the executive board as patrolmen in the reserve. They were Bob Flory, William Jackson, Harvey McClure, Dale Magby and Lee Shike.

Merle Lloyd Osborn of Lake Wood, Calif., operating a 1961 station wagon, and his passenger Robert Cicero Burns of Grants Pass escaped injuries when the automobile went out of control on Interstate Highway 5 four miles north of Rice Hill.

## Drivers License Fraud Is Costly

Elmer Eichele, 45, of Roseburg, Wednesday pleaded guilty to securing a drivers license by fraud. He was sentenced to 60 days in the county jail and fined \$200 and \$5 costs by District Court Judge Gerald R. Hayes.

Osborn told state police he went to sleep and drove off the highway. The car rolled over coming to rest on its wheels. The car had to be towed from the scene by a wrecker at Rice Hill. He was traveling south.

The charge dated back to the date of license issue July 23, 1962. The name of Albert Brigham was used.

## Doug-ette Officers Named For New Year

Louise Krings has been re-elected to the office of captain of the Doug-ettes, Sheriff's Mounted Patrol. Also re-elected were Hazel Jameson, second lieutenant, secretary; and Gertrude Sherlock, drill sergeant.

Russell Glen Engebretson, 39, of Winston, pleaded guilty to drunken driving before Judge Hayes. He was fined \$150 and \$5 costs and sentenced to 90 days in jail. William Jasper Bates, 38, Winston, arrested with Engebretson, by state police was sentenced to two days in jail and fined \$25 and \$5 costs.

Other new officers are Betty Salikie, first lieutenant; Mary Perry, second lieutenant, treasurer; executive members, Betty Murray, Liz Arthur and June Hansell, chairman; Alena Farabaugh, publicity chairman; and Gertrude Sherlock, secretary.

# Principal Praises Reader Aide Plan

The Myrtle Creek School Board met in regular session Wednesday night and under old business heard a favorable report from Howard Bingham, high school principal, regarding the reader's aide program instituted at the beginning of the fall term.

A similar report of approval was given by Ray Coffinberry, upper elementary principal. "Both teachers and students are pleased with the program," Coffinberry said.

Bingham also gave a high school standardization report from the Northwest Association of Secondary and Higher Schools. Myrtle Creek High School this year moved down from the second to the third of four levels of approval, with the lower rating directly attributed to the "bursting at the seams" enrollment, he said. Approval on the third level was given with the recommendation for correction of the following: Insufficient periods of guidance for number of students enrolled; inadequate gym and physical education facilities for both boys and girls; and insufficient counter space in the library.

Bingham stated that these lacks are well recognized and that action hinges on the outcome of the vote Jan. 21 on consolidation with the Canyonville district.

## Collins Forfeits Bail In Picket Fight Case

Charles W. Collins, 32, of 1845 NW Calkins Rd., Roseburg, Wednesday forfeited \$20 bail for failure to appear in Roseburg Municipal Court in answer to a disorderly conduct charge. He was accused in a complaint of Goldie Kleich of the charge in connection with allegedly disturbing a picket at the Rose Hotel restaurant Dec. 28.

Neet, recently appointed chairman of the budget committee, said that budget requests for all schools in the district must be presented by Feb. 19, with a final approval date set for March 4, the budget hearing on April 8 and election on May 4.

In traffic court Tuesday night, Garvin Dale O'Neal, 22, of Route 3, Box 1770, was fined \$40 and \$5 costs for street racing. George Ralph Slout, also of Roseburg, was fined a like amount on the same charge. Total of 38 cases were handled in traffic court, including six for basic rule violation, nine non-stop and five for parking meter violations. Others were miscellaneous.

Present at the meeting was Mrs. Jack Cox, representing the Myrtle Creek Classroom Teachers Association, who thanked the board for its recent stand allowing regular salary minus fee allowed by the court, for teachers serving on the jury, with a one-week limitation.

## George Vaughn

George W. Vaughn, 89, of Rt. 1, Box 402, Sutherlin, died at his home Wednesday.

Neet said that the dire predictions about the future unless Congress appropriated \$3 billion for foreign aid — made at the end of the last session — was "an effort to mislead rather than to inform the Congress and the public."

He was born May 15, 1874, at Hardin County, Ky. He had lived in the Sutherlin area for the past 15 years and in Douglas County for the past 50 years. He was married June 24, 1941, at Roseburg to Jimma May Miller.

Morse said that in addition to the \$3 billion, there was also \$870 million left over from the previous year. He said the carryover "makes the case that we have been appropriating too much."

Survivors are his wife of Sutherlin, a son, James of Roseburg; a daughter, Mrs. Alice Smith of Maupin; one stepdaughter, Virginia Barton of Hollywood, Calif.; six grandchildren; and six great-grandchildren.

Funeral services are scheduled Saturday afternoon at 2 p.m. at the Long & Shukle Memorial Chapel in Roseburg. The Rev. Donald Smith of the Westside Christian Church will officiate. Private interment will follow at the Oak Creek Cemetery on the North Umpqua Highway.

Leland Marion Height, 27, 1013 Nevada Court, Roseburg, on a plea of guilty to driving with suspended operator's license was fined \$125 and \$5 costs and given a two-day jail sentence by Judge Hayes.

# Aid To Education Effort Promised

WASHINGTON (UPI)—Sen. Wayne Morse, D-Ore., Wednesday promised to push for a bill providing federal aid to grade schools and high schools.

# Senate Group Eyes Baker's Dealings With Insurance Man

WASHINGTON (UPI)—The Senate Rules Committee shifted the focus of its Bobby Baker inquiry today to examine the former Senate aide's business dealings with a local insurance man.

He also made it clear that he planned to continue his attack on the foreign aid program. Morse said that as important as the passage of the vocational education act last year was, "the most important need is the improvement of grade and high schools."

Rep. H. R. Gross, R-Iowa, urging a full investigation, told the House that premiums on the policy, up to \$12,000 annually, were paid by the I.B.J. Co. That company is the Texas broadcasting firm in which Mrs. Johnson formerly held a controlling interest. Her stock was recently placed in a trust-ship.

The Oregon senator, chairman of the education subcommittee, added that education at these levels cannot be improved "unless the government assumes its fair share."

Called to testify at a closed session was Don B. Reynolds, an insurance dealer in suburban Silver Spring, Md. Committee sources said Reynolds was to be questioned about a number of business dealings.

"All we are asking for is a loan from the taxpayer," Morse said, "because the increased earning power provided by education will return this money many times."

Baker has been described in previous testimony as a one-time partner in Reynolds' insurance business. The committee's investigators are reported to have been given several versions of that Reynolds-Baker relationship.

The Oregon senator launched another of verbal flurries at the foreign aid program. He said that the dire predictions about the future unless Congress appropriated \$3 billion for foreign aid — made at the end of the last session — was "an effort to mislead rather than to inform the Congress and the public."

Baker's activities came under fire last fall after the Capitol Vending Co. filed a \$300,000 civil damage suit against Baker, Serv-U Corp. and several other defendants. It alleged that Baker was paid \$5,600 for obtaining and retaining a vending machine franchise with an electronics plant in nearby Virginia. The contract was finally switched to another company which bought out a stock of machines from Serv-U.

Morse said that in addition to the \$3 billion, there was also \$870 million left over from the previous year. He said the carryover "makes the case that we have been appropriating too much."

## Defendant Wins Accident Suit

A verdict for the defendant was returned by a trial jury Wednesday night in the case of Teresa E. (Gibbons) Rush, by her guardian Lois Gibbons vs. Douglas Veneer Corp. and John C. Hastings.

Neet, recently appointed chairman of the budget committee, said that budget requests for all schools in the district must be presented by Feb. 19, with a final approval date set for March 4, the budget hearing on April 8 and election on May 4.

The plaintiff had sought \$35,000 general damages plus \$945.75 special damages and costs and disbursements for injuries suffered in an accident at 12:02 a.m. Feb. 25, 1952.

Present at the meeting was Mrs. Jack Cox, representing the Myrtle Creek Classroom Teachers Association, who thanked the board for its recent stand allowing regular salary minus fee allowed by the court, for teachers serving on the jury, with a one-week limitation.

The accident involved the car operated by Sandra Jean Brown, with Teresa Gibbons as a passenger, and a truck hauling veneer for Douglas Veneer, operated by Hastings. It took place at the Rifle Range Road intersection with NE Diamond Lake Blvd.

Funeral services are scheduled Saturday afternoon at 2 p.m. at the Long & Shukle Memorial Chapel in Roseburg. The Rev. Donald Smith of the Westside Christian Church will officiate. Private interment will follow at the Oak Creek Cemetery on the North Umpqua Highway.

The truck was traveling west on Diamond Lake Blvd. and the car headed south on Rifle Range Road.

Funeral services are scheduled Saturday afternoon at 2 p.m. at the Long & Shukle Memorial Chapel in Roseburg. The Rev. Donald Smith of the Westside Christian Church will officiate. Private interment will follow at the Oak Creek Cemetery on the North Umpqua Highway.

The purpose of the school is to assist those who will be preparing budgets and levying taxes for the next fiscal year, in light of the new law.

Survivors are his wife of Sutherlin, a son, James of Roseburg; a daughter, Mrs. Alice Smith of Maupin; one stepdaughter, Virginia Barton of Hollywood, Calif.; six grandchildren; and six great-grandchildren.

## Merely Players Slate Trials For Next Play
