Roseburg Scalps Millers In League Game, 69-55

By NIEL CELLERS

Sharp-shooting from the outside sparked a second half come-from-behind effort staged by the Roseburg Indians Saturday as they broke into the victory column in Midwest League play at the expense of the Springfield Millers.

Trailing through most of the first half, the Indians came to life in the second half to upend the Millers, 69-55, before the home fans. The victory evened Roseburg's conference record at 1-1, the same as that sported by

Springfield. The Indians are now in a six-way tie for third spot in the league standings.

Gary Heeter, Bob McKee and Steve Vasterling provided the spark that set off the game winning rally for the Redskins. Hitting from the outside the three Tribesmen accounted for 30 points in the second half.

Heeter sank nine field goals and was three for five at the foul line for 21 points. The sharp-shooting Indians started at a forward spot along with McKee, another converted guard. McKee ended the game with 16 points, while Vasterling potted 12 points. Heeter hit 12 points in the second half, McKee scored 10 in the second half and Vasterling potted eight during the last two periods.

Bruce O'Neil came up with nine points late in the fourth quarter to end the game with 11 points.

Gary Bates, fiery Miller guard, was the game's top scorer with 23 points. Bates hit eight field goals and converted seven of 10 chances at the foul line.

Roseburg controlled the boards 46-30, with O'Neil piling in 11 rebounds and Heeter getting 10. The Indians sank 26 of

62 field goal attempts and hit 17 of 22 shots at the charity stripe. Springfield made 19 of 32 shots from the field and cashed in on 17 of 31 free throw attempts.

The game was tied six times and the lead changed hands five times in the hard-fought first half. Early in the second half the game continued along the same pattern with Roseburg tying the score at 27-27, then taking a two-point advantage by scoring the first four points in the third quarter.

Battling for their lives, the Indians went out in front to stay when McKee sank a long one-hander from the top of the key to give the home team a 36-34 advantage with 4:06 remaining in the third quarter. The Indians, led by Heeter, McKee and Vasterling, began to move, enjoying a 42-37 lead with 32 seconds remaining in the period. This five point lead was the biggest of the game for either team until the fourth quarter when Roseburg began to pull away.

Leading 44-40 going into the final stanza, the Indians rapidly increased their lead to 12 points by scoring eight consecutive points to boast a 52-40 advantage.

In the rally that saw the Tribe pull away Heeter started off with a lay-in and O'Neil followed with a pair of free throws. Four straight free throws by McKee put the Redskins well out in front with 5:29 remaining in the game.

From this point on the Indians continued to lead by from 10 to 14 points as they rolled to the victory.

The statistics of the Springfield-Roseburg game are:
