

# Game Commission Service Honored

An aggregate 100 years of service is represented in awards presented recently to longtime personnel of the Oregon Game Commission.

Nine employees of the game agency's southwest region received recognition awards—the first to be presented under a new commission program—at ceremonies conducted at Roseburg. Six of the nine recipients have assignments in the Roseburg area.

Honored for 15 years of service were John Shaw, assistant superintendent, and Henry Tygart, both veteran personnel at Butte Falls Hatchery.

**Decade Of Work Noted**  
Certificates saluting 10 years of service went to Kenneth Cochran, Roseburg, assistant regional supervisor; Ray Culver and Jim Olsen, both at the Rock Creek Hatchery; Jerry Bauer, fisheries biologist, and Juanita Burt, regional office secretary, both Roseburg; Walter Cavanaugh, Medford, Ken Denman Management Area superintendent, and Homer Clendenen, assistant superintendent at Bandon.

Cochran started his career with the game agency in 1950 when he went to Klamath Falls

as fish and game biologist following graduation from OSU with a bachelor's degree in fish and game management. In 1956 he was assigned to the Portland area as fisheries biologist. He joined the Portland office staff in 1959 and came to Roseburg in his present capacity in 1962.

Culver, now superintendent at Rock Creek Hatchery, had his first assignment at Bandon Hatchery after receiving a bachelor's degree in fish and game management from OSU in 1951. Two years later he went to the Leaburg Hatchery as assistant superintendent and in 1961 assumed the Rock Creek post.

**Hood River Came First**  
Olsen has been at the Rock Creek facility since 1958. His career with the commission started at Hood River in 1953. His past work has included a two-year temporary assignment at Diamond Lake.

A 1953 graduate of OSU, Fauer worked at the Wilson Management Area near Corvallis in his first capacity. He served as fisheries biologist at La Grande and Coos Bay before coming to Roseburg in 1957.

Juanita Burt, who resides at Winchester, has handled secretarial duties at the Roseburg office since 1951.

Cavanaugh, whose career started in 1949, has been at the Ken Denman area since 1959. His assignments have included the Central Point fish screens plant, Lakeview fish screen, Warner Valley public shooting grounds and again at Central Point for work on the Upper Applegate screen.

The Alsea Hatchery at Corvallis was initial duty for Clendenen. Cedar Creek Hatchery near Hebo and Roaring River Hatchery near Albany were other stops for Clendenen on his way to the Bandon post. Shaw and Tygart have spent their entire careers with the commission at the Butte Falls Hatchery. Shaw came to the hatchery in 1948 and Tygart in 1948.

**Stanford Meets UCLA Tonight**

By United Press International  
Stanford, with its best basketball team since World War II, tonight takes on UCLA, the nation's top-ranked college power, in the opener of a blue ribbon Big Six series.

UCLA has a 4-0 conference record and a 13-0 mark in overall play. Stanford is 3-1 and 9-2 and has not downed UCLA south of the Tehachapi Mountains in the past 18 games.

The Indians would undoubtedly settle for a split this weekend since they later host the Bruins in their own gym.

The games will also provide a showcase for All-America candidates Gail Goodrich and Walt Hazzard of the Bruins and Tall Tom Dose of the Indians. The Bruins also have a underrated performer in 6 foot 5, 230-pound Fred Slaughter. His strength under the boards helps make up for the Bruins lack of height.

UCLA and Stanford tied for the Big Six title last year and the Bruins took a 51-45 playoff victory for the right to compete in the NCAA tournament.

Stanford coach, Howie Dallmar says his team is out for revenge for last year's playoff loss. "We're ready as we'll ever be," he said.

California (3-1) also journeys southward to take on USC (1-3) and Washington (1-3) battles at Washington State (0-4) in more Big Six action.

The West Coast Athletic Conference is idle this weekend because of examinations. Other

games include Oregon State at Oregon and Idaho at Seattle in a pair of big Northwest independent battles. Pepperdine is at Los Angeles State.

At Pocatello, Idaho State star Art Crump was suspended from the team for the rest of the semester so that he could try to hike up his grades. School officials will review his marks then to decide if he can return.

Crump, the nation's 10th leading scorer last year, was hitting about 22 points per contest this season.

In action Thursday night, San Diego State dumped Whittier, 81-75, as Larry Willis hit 21.

Arizona State, which usually waltzes into the Western Athletic Conference title and thereby lands in the NCAA tourney, won't find the going so easy this year. Wyoming took the Sun Devils, 67-62, in the conference opener for both squads Thursday night. New Mexico edged Arizona, 59-50, in more WAC action. New Mexico, now 12-2, could edge out Arizona State this season.

## Keg Tourney To Aid Drive

A "100 Per Cent Handicap Tourney" set Jan. 20-25 at three area bowling alleys is an event designed to boost the March of Dimes fund-raising campaign.

Don Baile, Dimes drive publicity chairman, said trophies are at stake in competition open to league bowlers at the Four Winds Bowl, Roseburg Bowl and Indian Lanes.

Handicaps have been set up in such a way that the lower average bowler has as good a chance to win as the kegler with the higher pin total.

Bowlers can participate in connection with their regular league bowling games. The entry fee of 50 cents will be turned over to the March of Dimes. The four trophies at stake will go to the three-game handicap winner and high scratch game winner and high scratch game winner for men and women.

## Cas Views New Grid Rulings

EUGENE (UPI)—Oregon football coach Len Casanova said Wednesday the new substitution rule will mean a switch toward the former two-rotation system but that top players still will go both ways.

Casanova, new president of the National Football Coaches Association, said he acted as an observer at the Florida rules committee meetings but had no say.

## Bill Brickley Wins Match

Bill Brickley won the weekly Roseburg Rifle Club shoot at the club range in Winchester Wednesday night by firing a total score of 385 out of a possible 400.

Vern Whittenberg finished second with 382, followed by Ray Bentzen with 381. Carl Johnson and Bob LeBlond tied for fourth and fifth with 379.

The second five finishers were Mildred Comfort, 376; Arville Koozer, 375; Paul Robinson, 370; Gene Lutzler, 368; and Bob Mitchell, 359.

Club officials said anyone interested in joining the senior rifle club is invited to attend one of the Wednesday night meetings. Rifles and instructors are available. The annual meeting will be held next Wednesday night.

# Glide 5 Hosts Douglas In UVL Feature Tonight

Two of the top rated Umpqua Valley League powers will knock heads Friday in the second round of conference play—and as a result at least one undefeated record will fall.

Douglas' Trojans and Glide's Wildcats, both sporting undefeated league marks of 1-0, will meet head-on in Friday's featured battle at Glide.

While the Trojans and the Wildcats are staging warfare, Myrtle Creek's Vikings will be seeking their second consecutive conference victory when they entertain the Sutherlin Bulldogs. Both the Riddle Irish and the Glendale Pirates will be after their first league victories when they meet at Glendale.

All Friday's UVL games will be played at 8 p.m., with the Jayvee teams to clash in preliminary battles at 6:30.

Four non-league games are on tap Saturday for UVL teams, with Douglas traveling to Coquille to meet the No. 1 ranked Red Devils. Glide will be at Bandon, Mapleton invades Myrtle Creek and Pacific will be at Riddle.

The Douglas Trojans were the pre-season picks to win UVL honors this year, but Glide is not ready to be counted out of the race. The Trojans sport a well-balanced running attack led by forward Ray Shepherd and guards Larry Samples and Danny Withers. Shepherd is averaging 22.8 points-per-game and Samples is hitting at an average of 12.9 in 10 outings. Withers is scoring at a 10.7 average.

The Wildcats will enter the weekend with a 6-4 record for the season.

Myrtle Creek's Vikings are currently rated No. 10 in the state. The Vikes boast a smooth, well-balanced team which is one of the top defensive units in the state. Leading the Myrtle Creek scoring is Larry Pringle with an average of 15.08 points-per-game. Jerry Willson, averaging 13 points-per-game, and Bob Fuller, with an 11.9 points-per-game average. The Vikes have a 9-3 season's record.

Sutherlin boasts a young team, and when the Bulldogs are clicking they will give any team a rugged battle. The well-balanced Bulldog scoring is headed by Larry Johnson and Don Goertzen with identical averages of 10.65 points-per-game.

Riddle sports the top A-2 point-maker in the state in the form of guard Mike Markham. Markham has collected 201 points in nine games for a 22.33 average. Another guard Gary Paetz, is hitting at a 12.78 pace per game. The Irish have good hustle and employ a pressing defense.

Glendale has a 6-3 record for the season.

Folley, Phoenix, Ariz., is a 12-year veteran of the ring. The 31-year-old father of seven is sixth ranked and at one time was the No. 1 challenger while Floyd Patterson was reigning as king of the heavies.

Folley is no slouch when it comes to throwing the KO punch. He has knocked out 36 foes. His record is a glittering 63-6-5.

# Unbeaten Marks On Line In Bico

Elkton's Elks, Powers' Crusiers and Camas Valley's Hornets will put their undefeated Bico-B League records on the line in a full round of weekend action.

In Friday's round of conference play Elkton will be at

Days Creek, Powers will be at Canyonville, Yoncalla invades Camas Valley and Canyonville Bible Academy will be at Oakland.

Saturday's schedule finds CBA at Elkton, Days Creek at Canyonville, Oakland at Yoncalla and Camas Valley at Powers. Varsity games both nights will

start at 8 p.m., with the respective Jayvee teams to clash in preliminary contests at 6:30.

The Elks of Elkton, winners of nine straight contests, are favored to win the Bico-B race—and to date have shown themselves to be one of the classiest teams in the state. Elkton features a powerfully well-balanced offensive attack, and the Elks are demons on defense.

Pacing the Elkton attack is Don Suloff and Gary Brooks, then No. 3 and 4 league point-makers. Suloff is averaging 14.33 points-per-game for nine games, while Brooks is hitting at a 13.43 clip for seven games. Brooks missed two early season games because of illness.

Powers, winner of two straight in league play, boast the league's leading scorer in Dan Taylor. Taylor has potted 147 points in eight games for an average of 18.38 points-per-game.

Camas Valley also enters the weekend with a 2-0 record, while Canyonville and Oakland boast 1-1 league marks. Days Creek, Yoncalla and CBA are winless in two league battles.

## Bryant Seeks Full Payment

BIRMINGHAM, Ala. (UPI)—Alabama Coach Paul (Bear) Bryant will seek the full \$10-million in his suit against the Curtis Publishing Co., attorney Francis H. Hare said Thursday.

The attorney, retained this week by Bryant, said a federal judge's order reducing the amount of the judgment won by former Georgia Athletic Director Wally Butts would have no effect on Bryant's suit.

"We have an entirely different situation here and that action ought not to influence a jury in Alabama," Hare said. Bryant and Butts each sued for \$10-million because of a Saturday Evening Post article charging they attempted to rig the 1962 Alabama-Georgia football game.

Butts won a \$3.6-million judgment that was voided by U.S. Judge Lewis Morgan in Atlanta that he must accept only \$460,000 or face a new trial. Bryant's suit is scheduled to be tried here Feb. 10.
