

## DRAMATIC CLUB TRYOUT IS THE BEST EVER HELD

NINE MEMBERS SELECTED  
OUT OF TWENTY-FIVE  
CONTESTANTS

Two Short Sketches Will Be  
Given During Winter and One  
Big Play Early in the Spring.

The following students qualified as active members of the Dramatic at the tryout last Thursday night: Miss Weightman, Miss Seechrist, Miss Hughes, Miss Applegate, Miss Bagley, Miss Farnsworth, Miss Waite, Mr. Murphy, Mr. Beals.

"Twenty-five tried out and everyone of them did well," said Pres. Kietz yesterday. "The tryout was the best in the history of the club. All did so well that it was difficult to pick the winners."

The first sketch to be given will be selected at once and work will be commenced immediately. This first sketch will be produced in a few weeks and others from time to time until the big play is given towards the end of the semester.

Pres. Kiltz of the Dramatic club is highly elated over the prospects. The club is planning to give a sketch between Thanksgiving and Christmas, and one between Christmas and mid-year exams. In the spring a large play will be staged.

The judges at the contest Thursday night were Mr. Buchen, Mr. Kiltz (Pres.), Chas. Robison and Miss Francis Obertauffer.

### Mrs. Pipes Delights Audience

Mrs. Susie Fennell Pipes delighted her audience with her playing last night at the Eugene Theatre. Her first number lead some to believe that she had lost much of her temperament, although her academic work showed improvement, but the rendering of the beautiful sonata by Caesar Frinck disproved this. The sonata was played with such fire and spirit that her audience was fairly carried off its feet and it applauded at various intervals during the number.

Mrs. Pipes' study under Spirling has developed her technical powers to a wonderful degree. Her tone is beautiful and her interpretation very correct. So pleased was the audience that it made her play several numbers after the program was finished.

Mrs. Pipes was tastefully accompanied by Mr. Hutchison. Mr. Fargo, of New York, sang. He had neglected to commit his solos, and consequently could not interpret them to the full extent of his ability.

### Library Expands

Eight hundred and nineteen new books were added to the University library during the month of October. Among the books added are some German chemical books and some valuable old documents on European history. Since the first of January, 1909, 5,420 volumes have been added to the library.

## PULLMAN WINS FROM IDAHO ON WET FIELD

Moscow, Nov. 5. (Special)—On a wet field, eight inches deep in mud, Washington State Colleg. defeated Idaho 18 to 0 today. The teams played very close during the first half, Idaho fighting desperately and allowing only one score which her supporters say was undeserved. They weakened during the second half and Pullman made two more touchdowns, kicking all goals.

W. S. C. tried for a field goal early in the game but failed. Much criticism was heaped upon the officials, Nelson and Cook, it being charged that they gave the visitors their score in the first half by repeatedly allowing them four downs to make their ten yards in.

The play was mostly in the W. S. C. territory, punting and straight football being the order. Not a single injury was sustained by either team.

### Dance for the Red and White

An informal dance will be given this evening in honor of the Multnomah football team. This is the first dance given by the Associated Students, and the interest displayed by the student's foretells a very enjoyable evening. Manager Terry has his committees in action, and the hall will be decorated with Oregon Multnomah pennants, cushions, etc. The members of the executive and decorative committees are Miss Jessie Bebee, Miss Juliet Cross, Miss Hazel Fields, and Miss Ruth Duniway.

The patronesses are: Mrs. P. L. Campbell, Mrs. William Hayward, and Mrs. Robt. Forbes.

### Colloquium Attracts Faculty

The Faculty Colloquium, entering on the second year of its existence, is in a most flourishing condition. It meets the first and third Tuesdays of each month during the school year in the Chemical Lecture room.

The members are taking great interest this year in the excellent schedule of lectures that the committee has prepared to be given by the different professors. Students are also invited to attend the meetings and many avail themselves of the opportunity to thus broaden their education. The subjects discussed cover a wide range and by no means deal only with questions of university work.

The members of the program committee for this year are Dr. Boynton, Dr. Gilbert, and Professor Frink.

## GREAT FUN AND SOME SPIRIT AT CLASS GAME

For pure fun the Freshman-Sophomore Class game Thursday had the Varsity contests faded. When the whistle finally blew away off somewhere in the darkness, the Sophs claimed a 5 to 0 victory. Whether the ball was lost, the freshmen were unable to find members of their team, or both sides were just tired, they finally stopped with 1913 fighting heroically.

From the start both teams dug in hard with the Sophs having a bit the better of it. Carl Huston recovered a punt on the 12-yard Frosh line and on the fourth ball Rinehart fell on the fumbled ball across the goal line, making the only score.

Just after the next kick off Cacy Moulten faceciously penalized 1912 15 yards because Storie coached the freshmen. When Captain Jamison failed to see the point and befeed he was stung 15 more. Outside of this and several trifling altercations, relations were fairly amiable.

In the second half the Freshmen were entirely on the defensive and though Jamison's Demons forced them back for two touchdowns, there was no scoring.

A novel feature introduced into the game which took well with the crowd was two games at once by two teams more or less. In the gathering gloom someone threw an extra ball onto the field. This varied the program a bit and everyone indulged in the game of "ball, ball, which is the right football." George Hug finally located the official ball. One good result of the game was the unexpected "pip" shown by the Frosh and the way Lyle Brown and the rest of them got together in the yelling.

The lineup follows:

1912		1913
Roberts	C.	Allen
Luckey, Olson	G.	Hawley
		Wentworth
Rinehart	T.	Waite, Sweet
McDaniels		
Cockerline	E.	Murphy
Jamison (c)		Briedwell
Stine	Q.	Kuykendall

### Students Build Bleachers

Between fifty and sixty students this morning began the construction work on the new bleachers which are to be erected for the accomodation of the big crowd which is expected to attend the game between the University of Oregon and the O. A. C. football teams. A number of men were allowed to work their regular shop hours on the bleachers and under careful direction the work has progressed most encouragingly. The new bleachers are being built adjoining the east end of the grand stand and will be about one hundred feet in length.

The Owl-club held its monthly meeting last Tuesday evening at 828 High St. The hostesses were Nettie Drew, Alene Norin, and Ccrin Degermart. The club has fifteen members—six girls and nine boys. Those belonging are—Hazel Fields, Willow Fields, Nettie Drew, Alene Norin, Corin Degermart, Helen George, Earl Robinson, Floyd Barzee, Henry Bauer, Dale Worthington, Warren Cousins, Homer Morris, George Mallet, John Bozarth, and Walter McGwirk.

## OREGON WINS FOURTH GAME FROM M. A. A. C. ---THREE TO NOTHING

For the fourth successive time Oregon downed her old rivals, the Multnomah Amateur Athletic Club, today on Kincaid field. The score was 3 to 0 made on an easy field goal; the game hard fought, the field fine and much of the playing spectacular.

Oregon showed splendid form and rarely failed to satisfy her supporters. The forward passes worked better than is usual so early in the season, a majority of them being negotiated successfully. The visitors were especially outclassed in punting and handling punts, making many costly fumbles. Moores for Multnomah averaged slightly under 30 yards, while Clarke averaged 37 yards and sent many out for more than 50.

Multnomah excelled in straight football but could not make yardage consistently enough to keep even with Clarke's long spirals and forward passes. They kept their strength well, however, during the entire game and made few substitutions.

Ludlam was slightly injured during the first half and Lonnergan replaced Stott late in the game. They played fiercely but against rather hard luck at times. They made yardage several times, while Oregon had to resort to a more open game to hold their own against the heavier line of the Clubmen.

Coach Forbes used his famous two team system with perfect success, playing almost two entire teams. After the game he said, "I am well satisfied. For this stage, the showing was fine, especially the defense. The offense was good, considering how the men have been changed in the various positions. They have the experience and I will now start perfecting the team work."

### FIRST HALF

Jack Latourette for Multnomah kicked off to Sap Latourette, who returned the ball to Oregon's 35 yard line. Clarke punted 40 yards to Templeton who was downed in his tracks. In a series of brilliant plays and exchange of punts, Oregon carried the ball into Multnomah's territory. Recovering one of their own punts on the ten yard line they lost a chance to score by fumbling. A moment after, however, Clarke made a perfect place kick from the twenty yard line. Seven minutes play, score, Oregon 3, M. A. A. C., 0.

Oregon received the kick off when the ball was put in play again and rushed it to the Club's two yard line in less than one minute's play, but fumbled in trying to carry it over. The ball was taken the entire length of the field in three plays, two recovered punts, and a forward pass.

Multnomah, fighting desperately during the rest of the half managed to work the ball back to the center of the field and, with straight football managed to force much of the play. They excelled in line bucking but their advantage was lost by ragged handling of the ball and poor punting. Toward the end they weakened and Oregon rushed the ball close enough to try for another field goal which missed narrowly. The half ended before the ball could be put in play again.

### SECOND HALF

Honors were about even in this half. Multnomah received kickoff, and trying for yardage, were penalized fifteen yards for roughness. Punting out to the middle of the field, they forced the play for awhile and then seemed to weaken. Twice Oregon rushed the ball close to the clubmen's line, the second time trying a forward pass which failed.

Moores for Multnomah executed a brilliant play just after this, making a running punt that took the ball back to the center of the field. Once the visitors got close enough for Jack Latourette to try a drop kick, but it failed miserably.

Toward the finish Oregon again worked the ball into their opponents' territory but failed narrowly in a third attempt at a field goal just before the whistle blew.

The line up:
