Northwest College News

University of Idaho, Nov. 15.—The first step toward selecting Idaho's interstate debating teams this year was taken yesterday when the contestants met and chose sides. About a dozen have entered the contest. This is the only debate in which Idaho will take part this year. The tryout will be held in about a month.

A new in-door rifle range has recently been constructed over the gallery in the gymnasium and more interest is being taken in target practice. A fencing club has been formed the members of which hope to meet some of the neighboring colleges in a contest of this kind before the close of the second semester.

Great interest is being shown in the city Y. M. C. A. building which is to be built in the near future. At present Dean Eldridge and Professor Morley are canvassing University Hill for subscriptions for this worthy cause and are reporting unexpected success.

The football game between the Lewiston Normal and the second team of Idaho has been postponed one week.

Whitman College, Nov. 16.—The thing of greatest interest to happen last week at Whitman was the football game between Whitman and Whitworth, which resulted in a tied score. The teams were about evenly matched in weight, and put up about the same style of ball, open playing being the rule. The forward pass, and trick plays were used frequently. A small crowd attended the game, and the management barely made expenses. The Whitworth team will remain at Walla Walla until Monday, when it will go north to meet Washington State at Pullman on Tuesday. The Whitman grounds and gymnasium were used by the Presbyterians for practice, which they carried out Saturday in the snow that fell Friday night. Both teams came out of the game in good condition. The game, though hard-fought, was clean, and there were no injuries on either side.

Whitman has one more game for the season, the annual Thanksgiving contest with W. S. C. This will be played at Walla Walla, and the management expects a record crowd.

The controversy over the amendment to the constitution of the A. S. of W. C. which was assuming proportions that threatened to disrupt the student body is about to be compromised, and it is expected that the amended amendment will be adopted at the meeting called for tomorrow. The amendment was in regard to the amount of money to be paid the manager of the college paper, who has heretofore received 90 per cent of all profits, and thereby cleared \$270 last year for his service.

A new faculty ruling in regard to the removal of conditions makes it imperative that students having conditions remove them during the semester following their incurrence, and allows but one make-up examination in any subject. Heretofore a year was allowed with any number of trials at the discretion of the instructor.

A benefit show, to be an imitation of the famous "Pay Streak" of the A. Y. P. E., will be given during the second week of December in the college gymnasium. This is for the benefit of the A. S. of W. C., and the proceeds will be used to pay off the outstanding debt.

On the anniversary of Schiller's birth last Wednesday der Verein Germania held one of their most successful meetings at the home of the Avavia Club. After a short business meeting the following program was rendered:

Song—Double Quartette
Recitation Birdie Wise
Recitation Elizabeth Bush
First scene from Wilhelm Tell—
Fisherknabe C. W. Robison
Hirtenknabe Theodore Williams
Alpenjager Paul Krieger
Recitation Mabel Hill
Address Dr. Kochler

The pleasant evening was brought to a close by German conversation and songs in which all took part.
