PRESIDENT OF HIGH SCHOOL LEAGUE DEAD

The University lost one of its warmest friends and supporters last week in Supt. A. M. Saunders of the Ablany city schools, who died suddenly of pneumonia. He was president of the State High School Debating League, and will be missed by his many friends and former students in the University. Speaking of his death, President Campbell, said: "I have known Mr. Saunders intimately in the public school work of Oregon for a great many years, and have valued his friendship very highly. He was born in Yamhill county, and taught for a number of years at Dallas, near my old home in Polk county. He took his degree of Bachelor of Arts at McMinnville College, and was subsequently honored by the college with the degree of Master of Arts. As principal of Lacreole Academy, at Dallas, he did a fine work for secondary education in Oregon. His standards were always high and his work was conscientious and painstaking. Subsequently, as superintendent of the public schools at Independence, Roseburg and Albany, he made a fine record as an organizer and executive of high type. He was always a warm friend of the University, and sent to it many of his school graduates as students. Those who are at the University at present will have an affectionate remembrance of the interest which he always took in their welfare. Mr. Saunders was elected last June as President of the Oregon High School Debating League, in which he has always taken a deep interest. His loss will be deeply felt in the work of the League this year. I speak for the entire University in expressing deep sympathy for his family."

Would Keep Lords
The Laurean Literary society commenced their program last Saturday night with an extemporaneous speech by Walter Huntington. Another speech was then given by Harold Warner. The question:—Resolved, that the House of Lords should be abolished, was then debated. B. Williams and A. B. Cash supported the affirmative, but were defeated by Latourette and McFarland who defended the other side of the question. After this a vote of thanks was given to the two University debaters, Collier and Spencer, who defeated the University of Utah last Friday night, to Coach Buchen and to Manager Steele.

The University of Missouri will enter a team in the two-mile at the Pennsylvania relays in April. This is the first time that a university west of the Mississippi has entered this meet.

A member of the Kappa Sigma fraternity at Columbia, Missouri, lost \$1000 in bonds in a recent fire at the chapter house. The house was valued at \$6000 and was burned to the ground.
