

TWO GOOD GAMES WITH IDAHO FOR NEXT WEEK

TEAM THAT DEFEATED WASHINGTON TO PLAY HERE

Comparative Scores Indicate Close Game. Both Teams Have Been Defeated by Pullman.

Manager Terry announces that Idaho will play two games of basketball here on Wednesday and Thursday of next week. Idaho and Oregon are pretty well matched this year. Both have been defeated by the Pullman team which played here some time ago and both have materially improved since that time so that the prospects are good for a couple of live games.

Albany High School, which defeated Eugene at the first of the season will play the preliminary game each night with Eugene High and these games in themselves should prove a good drawing card.

Manager Terry is greatly pleased with the interest which has been shown in this branch of athletics this year. The fine floor and excellently arranged spectators' gallery makes each game a pleasure to both spectators and participants. Basketball has been handicapped heretofore with lack of floor space for practice. As a result, since the sport was abandoned last year on this account, a team has been developed from practically green material this year and has played creditably considering the small amount of practice they have had.

STUDENT BODY MEETING SCHEDULED WEDNESDAY

At the annual meeting of the Associated Students, to be held next Wednesday morning in place of the regular assembly, several amendments and other matters of importance will come up.

An amendment to the constitution providing for a general fund, to receive the surplus from any enterprise, and a sinking fund, to receive the surplus from the general fund at the end of each college year, will be voted upon. This is the plan now actually in operation, but the amendment is intended to give it legal sanction.

Besides this, an amendment to change the staff of the Emerald will be introduced. The constitution provides for a staff suitable to a weekly paper as it was designed for, but now that the paper has become a semi-weekly a larger staff and a special list of reporters is needed.

The advisability of appropriating money from the Student Body treasury for the tennis court will also be considered Wednesday. The committee appointed to look into this matter has not yet met, and it is not known whether they will recommend that an appropriation be made.

The library building of Georgetown University, Washington, D. C., burned down recently.

REGENTS ENGAGED IN ROUTINE WORK ALL DAY

At the meeting of the Board of Regents this morning, all members were present except Judge Smith, of Baker City, and Mr. Butler, of Dallas. They were kept busy all morning with the regular business of examining reports and at a late hour this afternoon, had not yet reached any of the special features that were to be brought up and which will come later under the head of special business.

The reports of the various departments were first read and passed upon and then the president's report was taken up. After it is finished they will consider the matter of appropriations.

OREGON PLAYS BETTER, BUT LOSES ONCE MORE

ROUGH CONTEST GOES TO WILLAMETTE BY 20-9 SCORE

Preliminary Between Eugene and Portland High Schools Is Good Exhibition.—Goes to Eugene.

shown in the playing of the Varsity team last night, the game went to Willamette with the score 20 to 9. It was replete with fouling and roughness, and while there was some rather spectacular basket throwing, there was rather too much ill feeling manifested to be a credit to either team. Jamison at center and Stein at forward both showed up well, and the team as a whole, while showing lack of practice in basket throwing, played well. Not only the first squad, but the second also which was put in during the latter part of the second half, showed lots of class. Willamette made nine goals from field and two from the foul line. Oregon negotiated one from free throws and eight from the field.

Following is the lineup and score of points:

| WILLAMETTE | OREGON |
|------------------|-----------------|
| McMahan (Capt) 6 | Stine (Capt) 3 |
| Holman 4 | lf Moore 2 |
| McIntire 6 | c Jamieson |
| Minton 4 | rg Watson 2 |
| Shram 4 | lg Cockerline 2 |

The preliminary game between Lincoln High of Portland and Eugene High School was by far the better of the two. It was fast, close, clean and free from squabbling. Eugene kept the lead during the greater part of the game, but neither side was more than two or three baskets ahead at any time, due principally to the clever work of Vosper and Welch for Lincoln High and Epps and L. Koch for Eugene. The final score stood 27 to 2 in favor of Eugene High.
