

## KELLY HERE TO TEACH BASEBALL SATURDAY

"Father" Tom Kelly has secured a substitute who will take his place as coach of the Santa Clara College nine, and will leave San Francisco Thursday, arriving in Eugene in time to take charge of the University squad Saturday afternoon.

Coach Kelly has had his usual remarkable success with the Santa Clara College nine this winter, having developed from raw material a team which has proved itself the best college team in California. This team has defeated both Berkeley and Stanford twice and has lost so far but one game, an eleven inning contest with Stanford.

This year Kelly will have a much larger squad of raw material to pick the Oregon team from than last year and if he is successful in developing a right handed pitcher from among the number who are trying for this position will turn out a team that will be hard to beat.

Curtis Coleman who starred last year with Tacoma, is in Eugene and will be out in a suit during the next two weeks, warming up with the Oregon squad.

A professor at Wisconsin recommends college years of twelve months.

Beginning March 15th the sophomores at the University of Washington will strictly enforce the rule in regard to freshmen. Both the upper-classmen and the faculty are backing the sophomores in seeing that the rules are carried out.

Harvard and Amherst have dropped basket-ball; Brown University is thinking seriously of doing away with the game; Yale cut its schedule down to eight games and may quit the game after 1911; while conditions at Pennsylvania and Columbia seem to indicate a decline of interest in the sport.

At Washington State College there is a movement on foot to charge a minimum assembly fee of five dollars per semester. The fee will include hospital care while ill, subscription to the Evergreen, the present students' assembly fee of \$1 per semester and admittance to all athletic events except basket-ball; this being omitted because of the limited size of the gymnasium.

## NEXT BULLETIN TO BE PUBLISHED SOON

The next issue of the University of Oregon Bulletin has been prepared for the press and will be out soon. It contains the addresses delivered at the Second Annual Commonwealth Conference held at the University on February 11 and 12, 1910.

Among the most interesting and instructive addresses are: "The Invigoration of Moral Education in the Common Schools of Oregon," by Luther R. Dyott D. D.; "The Improvement of the Condition of Country Life in Oregon," by Hon. A. T. Buxton, Master of the State Grange; "Organization and Agencies for Securing Publicity in the Public Affairs of Oregon," by Hon. R. W. Montague; "Irrigation in the Willamette Valley," by J. H. Lewis, State Engineer; "Features of a Commonwealth Policy for the Development and Conservation of Water Resources," by J. T. Whistler, Consulting Engineer; and "A Forestry Policy for Oregon," by E. T. Allen, Forester of the Western Forestry and Conservation Association.

Beginning next September Columbia University will offer evening courses for the New York laborers.

## Acacia and Avava Nines Play (Continued from first page.)

### SERIES I.

March 19—Acacia vs. Avava.  
March 23—Beavers vs. Sigma Nu.  
March 26—Kappa Sigma vs. Beta Theta Pi.  
March 30—Dormitory vs. Tawah.  
April 2—Khoda Khan vs. Alpha Tau Omega.

### SERIES II.

April 6—Sigma Nu vs. Tawah.  
April 9—Khoda Khan vs. Beta Theta Pi.  
April 13—Acacia vs. Alpha Tau Omega.  
April 16—Dormitory vs. Beavers.  
April 27—Kappa Sigma vs. Avava.

The following men represented their clubs at the meeting, Cal Sweek, Sigma Nu; Cecil Espy, Kappa Sigma; W. C. Campbell, Khoda Khan; D. E. Benson, Tawah; William Reuter, Acacia; Bauer, Avava; Deacon White, Alpha Tau Omega; Edwin Fortmiller, Beta Theta Pi; G. A. Gabriel, Dormitory; and Tom Word, Beavers.

## SOPHS CHALLENGE ALL THREE OTHER CLASSES

Flushed with their recent decisive victory, the sophomore class has issued a challenge for a track meet with the other three classes combined, to be held on Saturday, March 28th.

The final score in last Saturday's meet was: Sophomores 70, Freshmen 30, Juniors 18, and Seniors 8. This gives the sophomores a margin of fourteen points over the rest of the classes. With Ben Williams, Jim Neil and Wilshire Bristow back in condition, the senior class will be able to annex a larger score. Chuc Taylor, strengthened by two weeks' training, would be able to take several more points in the field events. This leaves the possible outcome of the meet very close, with the advantage apparently with the seniors, juniors and freshmen.

In the meet last Saturday Bill Neill won first in the javelin throw instead of second as announced, and Chas. Olson won third place in the high hurdles.

## PRES. CROOKS WILL JUSTIFY PREACHERS

President Crooks of Albany College will give the second of the series of Life Work addresses that are now being carried on by the Y. M. C. A., speaking on the Ministry as a vocation. Considerable interest has been aroused in this series of meetings, and the address given last Friday evening by President Campbell was appreciated by all who attended.

President Crooks is a quiet, earnest speaker who can always be depended upon to give an address of interest. The subject that he speaks upon is one that does not appeal to most men, but he will doubtless justify the claims that the ministry makes on men considering a life work.

It is desired that the members of the Association especially be present for this meeting because nominations for officers for the coming year will be made.

As usual the meeting will be called at six-fifty and will be dismissed promptly at seven fifty or earlier.

## "CAPT. LETTERBLAIR" PROMISES SUCCESS

Smi-weekly rehearsals for "Captain Letterblair," the senior play which is to be given in the Eugene Theatre on April 9, are being carried on with enthusiasm by the members of the cast, the actors being already nearly letter perfect in their parts. The play already shows great possibilities, and more are unfolding themselves with each rehearsal. The cast fits itself well to the characters of the play, and there is little doubt that they will make the most of the rich elements of dramatic force which "Captain Letterblair," places at their disposal.

## CAR LINE TO LINKS MAKES GOLFERS GLAD

The University golf players are jubilant over the recent action of the Eugene City Council in sanctioning the proposed construction of the street railway line out Willamette Street to the golf links. Construction will begin soon.

Despite the long walk to and from the city, the course is becoming more popular each day; and with the advantage of street car transportation, it is expected that fully fifty per cent of the students will become converts of the game. At present there are fifty two members signed up with the club.

Students at Syracuse will provide 8,000 chrysanthemums and 3,000 roses for decorations at the senior ball.

At the University of Michigan each freshman girl and each sophomore girl will be under the care of a junior and senior "co-ed," respectively.

Fielder Jones, ex-captain and manager of the "White Sox," who will coach the O. A. C. baseball nine this spring, took charge of the squad last Friday.

Pennsylvania has more graduate students in Japan, China and the East Indies than any other university in the United States. Large alumni societies are located in these countries as well as in Australia.

Professor Irving Fisher, of the economic department at Yale, predicted in a class lecture that the present rise in prices in this country is a forerunner of a disastrous panic.

The Soc and Buckskin Club of the University of North Dakota is arranging to give Shakespearean plays in an out-of-doors theatre next spring.

Tufts College has abandoned co-education after fifteen years trial. President Hamilton, of that institution, says that co-education is un-education.

Practical experience in engineering work for at least three months is a new requirement that has been added to the engineering curriculum at Syracuse.
