

SALE BEGINS MONDAY FOR SEASON TICKETS

STUDENTS CAN SEE TEN
BIG GAMES FOR ONLY
TWO DOLLARS

Whitman, Idaho, Washington, O.
A. C. and W. S. C. To Play on
Local Diamond.

* Oregon vs. Whitman Col-
* lege, March 29 and 30.
* Oregon vs. University of
* Idaho, April 11 and 12.
* Oregon vs. University of
* Washington, May 11 and 12.
* Oregon vs. O. A. C., May
* 14; two games.
* Oregon vs. W. S. C., May
* 25 and 26.

The sale of the season tickets for this year's baseball games will begin next Monday. These tickets will admit the holder to every Varsity game played on the local grounds, ten of which will be with Conference Colleges.

Manager Jamison says that five hundred tickets must be sold to insure success and besides the unusually good business offer he is making, a special appeal will be made to the students to help make baseball pay.

All the games will be played at Midway Park and most of them will be on late week day afternoons, so as to give the business men of Eugene a chance to see them. A special canvass will also be made of the business district of the city.

HENRY GEORGE CLUB MEETS NEXT THURSDAY

The next meeting of the newly organized Henry George Club will be held in Dr. Leonard's room in McClure Hall next Thursday evening at 7:00 o'clock. Edward H. Himes will read a paper he has prepared on Henry George and his work, which will be followed by a general discussion by those present. The committee on a constitution will report and the permanent organization will be effected.

MISS PROSSER PLAYS BEFORE BIG AUDIENCE

The recital of Miss Lila Prosser, assisted by Miss Edith Prescott, last Wednesday evening, was thoroughly enjoyed by a large audience of friends and music lovers.

Miss Prosser appeared at her best in "Liebestraume," by Liszt, the number being interpreted with surprising ability. The "Arabesque," by Debussy, was also played well. This number is beautiful on account of its quaintness, each phrase being followed by an unexpected one.

Miss Prescott sang her best in "Ich Grolle Nicht," by Schuman. In this number she entered thoroughly into the spirit of the poem; working to a climax that made the room ring with her deep contralto tones.

BASKETBALL SEASON CLOSED—GAME OFF

The basketball game with the Eugene High School team which was to be played at the dedication of the Y. M. C. A. gymnasium Friday night was called off because it was found impossible to get the University second team together. Manager Terry announces that the season is now closed and the team has disbanded.

FREE RELIGION CLUB MEETS WEDNESDAY

Mr. A. H. Sargent's lecture on the study of the Bible, which was postponed last Tuesday will be given next Wednesday night at seven o'clock in Dady Hall. The regular meeting time of the Free Religion Society has been changed to Wednesday so as to better accommodate those who belong to the Choral Club and the German Club, which also meet on Tuesday.

FIFTEEN MEN REMAINS LIMIT IN COAST MEET

Northern Universities Unable to Agree So Original Num- ber Prevails

The dispute between the managers of the six universities which are to take part in the All-Coast meet at Berkeley, on May 14th, regarding the limit fixed on the number of men to be entered from any school has been settled, the original number, fifteen, being adhered to.

The managers of the Northwestern Universities favored a lowering of the limit, claiming that so large a number gave an advantage to the larger schools; but no two were able to agree upon a number that would be mutually satisfactory. According to the University of Washington Daily, Manager Zednick favored making twelve men the limit; while Bill Hayward wished to cut the number down to six. The manager of the University of Idaho team made no definite statement but seemed of the opinion that fifteen would be too many. The Southern Universities under whose auspices the meet is to be held, however, were unanimously agreed on the number originally suggested; contending that it would start the meet on a fairer basis, and be more liable in the future to meet the requirements of the swiftly growing western universities. The number fifteen will therefore probably be the limit fixed for these meets in the future.

In addition to the regular track and field events, Bill Hayward has suggested that a two-mile relay race, between teams picked from the three Universities of the Northwest on the one hand and of the Southwest on the other, be included. This feature however has not as yet been definitely decided upon.

Miss Prosser was assisted in her first number by Miss Nell Murphy at the second piano. Miss Prescott was accompanied by Raphael Geisler.

GLEE AND MANDOLIN CLUBS TO APPEAR

GOOD PROGRAM IN CON- NECTION WITH INTER- STATE DEBATE

Oregon's Teams Rounding Into Shape to Win Northwest Cham- pionship next Friday

At the Oregon-Idaho debate in Villard Hall on next Friday evening, the Mandolin, as well as the Glee Club, will, for the first time in the memory of present students, turn out to help entertain a crowd at a Varsity debate. This will afford a special opportunity for the public to hear these well known artists, for which many will, no doubt, show their appreciation by their presence at the contest.

L. L. Ray Leader of Negative.

The Oregon team, consisting of Collier, Cash, and Spencer, is hard at work rounding up its arguments for the final clash. Under the watchful eye of Coach Buchen, they are spending two hours each day in practice. Coach Buchen is confident that the debate which they will put up against Idaho will show a marked improvement over what they did against Utah. He says, "While we may not win, yet before the contest is over, Idaho will know that they have been in a debate."

Hollman and Clemens of the Idaho team are old men, both of whom debated against Oregon last year at Moscow, where Idaho won by a two to one decision. Mackie, the third member, attended the University of Oregon two years ago, and last year was at Washington. He is a new man in debate.

Debaters, as well as the audience, at the coming debate will be much relieved by the new lighting system in Villard Hall. Debaters have complained that with the old lights they could hardly read notes, but with the new chandeliers of Funston lights this will be remedied, and also the audience will be able to see the faces of the speakers.

Tickets for the debate are now in the hands of solicitors, but the five dollar cash prize is still open to anyone. Man-

CHANGES MADE IN THE BASEBALL SCHEDULE

There have been a few important changes made in the baseball schedule of the colleges of the Northwest, and Manager Jamison announces the following changes that will affect the schedule of the University team. The two games which were to be played here on May 6th and 7th will both be played on May 21st; one in the morning and one in the afternoon. The date will fit in well with the Junior week end as there are no other festivities planned for the Saturday. The first week of May is, by this arrangement, left vacant, and will either be filled with a trip to Victoria, B. C., which is now being planned for or by two games with Willamette University here.

Olive and Mabel Zimmerman were hostesses at a very enjoyable chafing-dish party Friday evening, at the home of Mrs. Beals. The girls invited were, Lila Prosser, Daryl Belat, Alsea Hawley, Mabel Lorence, Alice Larsen, Jessie Prosser, Fay Clark, Bertha Comings, Hazel Wightman and Maude Beals.

FOURTEEN ASSISTANTS APPOINTED ON PAPER

Emerald Staff Begins Work Under New Provision in Constitution.

In accordance with the amendment passed last Wednesday by the Associated Students giving the executive committee and the editor power to name assistants for the Emerald, Editor Nicholas has asked for fourteen assistants and the following have been appointed: Ralph Moores, '12; Wm. E. Lowell, '11; Calvin Sweek, '11; Dean Collins, '10; L. L. Ray, '12; R. B. Powell, '12; W. S. Main, '12; H. L. Cash, '13; F. S. Waite, '13; Geo. Shantin, '12; Dan Mitchell, '13; W. Bailey, '12, Karl Onthank, and Fay Clark, '12.

Manager Dean has asked for one additional assistant, for which position, James Caulfield, '12, has been named.

The committee followed as far as possible the rule that those receiving the places should be determined by competition, all the appointments being from the number that have been trying out on the paper and who have made the best showing for good, consistent work. Editor Nicholas believes that approximately this number will be enough to form a permanent staff, so it is probable that no more appointments will be made until vacancies occur.

Those who wish to be in line for positions will be taken on trial as before and given every chance to show their ability. Although there may be a few vacancies in the staff from time to time, it is probable that not many will be found until the elections early in May, when wholesale resignations always come in. Editor Nicholas says that those who are wise will begin working now for the places that are to be filled at that time.

ager Steele states that the prospects for a good sale are bright, and he expects to have the largest crowd of the year. There will be no reserved seats, but the doors will be opened at 7:15.

NO CENSOR INTENDED SAYS PRES. CAMPBELL

COMMITTEE IS ONLY TO AID AND ADVISE THE OREGANA STAFF

Mistake Arose Through Reviving of Old Committee on Univer- sity Publications.

"There will be no censorship of the 'Oregana,'" was the emphatic statement of President Campbell to Fritz Dean, president of the junior, class when the latter presented him with the resolution passed by the class last Wednesday afternoon.

The matter, he said, had simply come up through the desire of the faculty to make the junior book a greater success and to lend their aid in its publication. Further than advising and helping in this way, nothing will be attempted.

To a representative of the Emerald, he went on to explain just how the question arose. At the last meeting of the faculty a committee was appointed to consider the advisability of reorganizing the old committee on publications, of which Professor Carson was chairman. The members of the recently appointed committee are Dr. Cloran, Prof. Howe, Prof. Thurber and Prof. Glen. This committee will report back to the faculty at the next regular meeting in April.

At the first meeting of the committee it was suggested that there was large ground for common interest between the junior class and the University as a whole, in the publication of the annual, especially since the University purchases a considerable number of books to send out to the state High Schools. The help given this year's annual in this matter amounts to \$150. It was thought by the committee worth while to offer the Oregana publishers the opportunity of securing such assistance and advice as they might be able to use to an advantage in issuing their book. Professors Howe and Thurber were asked by the other members of the committee to co-operate as far as possible with the editors of the Oregana, but the idea was to make the work advisory in its nature. The faculty has never asked any one to act as censor, nor is there any great possibility of such action ever being taken.

"There is no reason, however," continued the President, "why there should not always be an intimate relationship existing between the student publications and the faculty, since they have so large a field of common interest."

Student Body Dance April 29.

The first informal student body dance will be given on the 29th of April. The faculty has granted permission for holding the monthly dances, but the one in April will probably be the only one given this year because of the Junior Promenade and various other student social affairs that will take place during the remainder of the year. Next year, however, these informal dances will be held regularly, one each month of the school year.
