

OREGON'S STRENGTH TO BE TESTED SATURDAY

SOPHOMORES DEFY THE VARSITY IN BIG TRACK MEET

Regulation Weights and Full Distances Scheduled for First Time This Year.

For the first time this year, a practical test of the full strength of the varsity track team will be made next Saturday afternoon when the sophomores meet the three other classes in accordance with their challenge of two weeks ago.

Heretofore the events have been shortened and no definite knowledge could be obtained as to how the men would do in a regular meet. Next Saturday, however, all the races will be run the full distance and the sixteen pound weights will be used instead of the 12 pound.

All the men who can be counted on for this year's team, except Captain Williams and Bob Kellogg, will perform Saturday. The former is out on account of a stone bruise received two weeks ago, and the latter received a serious sprain in the last interclass meet. With these two exceptions the men are all in fairly good condition for so early in the season and it is expected that some good records will be made.

Since the loss of Kellogg the sophomores can hardly expect to win the meet; for Jimmy Neill, Chuck Taylor, Victor Voight, Billy Neill, and Ed Bailey can be counted upon to make a clean sweep of the weight events, all of which Kellogg could have placed in. On the other hand the sophomores will gain two points by the fact that Williams will not enter, leaving first place in the pole vault for Sweeney. George Riddell can take first place in the long distance while the new men will probably take the seconds and thirds.

Kay, it is thought, will make a good showing in the sprints and Bob Kuykendall will probably place in the broad jump. For the sophomores, Hawkins practically is conceded first place in the hurdles, while Johns, McDaniels and Garbrandt can be counted upon to clean up most of the points in the middle distances. It is not thought possible however that the sophomores can pick up seconds and thirds enough to win the meet.

BASEBALL MEN MUST TRAIN THIS YEAR

Recognizing the important place that baseball is taking in University athletics, the coach and trainer have formulated a code of training rules which, although not severe, will be strictly enforced. The principle requirements are that there shall be no smoking and that the men shall be in their rooms by eleven o'clock every night.

Baseball men in the past have been subject to almost no restrictions, but owing to the growing importance of baseball as a student body enterprise, and to the need of strict discipline among the large squad of men turning out, it has been thought best to introduce the new restrictions.

FOOTBALL SWEATERS ARE HERE AT LAST

At last the long expected football sweaters have arrived and will be given out, at the next Assembly, to the nineteen men who earned their O's last season. They were received by Polders & Davis last Monday and are now in the hands of a tailor who is sewing the O's upon them. Of the nineteen, fifteen are sweater coats and four are regular sweaters. The men who have played more than one season generally preferring sweater coats. The work on these will be finished in a couple of days and they will be presented at the next Assembly.

TRACK SCHEDULE IS ALMOST COMPLETED

Delayed by California Trip— Only One Local Meet Now on List

The track schedule for this year has been delayed by the indefiniteness of the California meet, but is now practically completed. The only meets yet undecided are the interclass indoor meet, which will be held in the new gymnasium if that building is completed before the middle of April; and the Northwest Conference meet, which George Hug is attempting to arrange for in Portland on May 28th.

The schedule as now arranged follows: Columbia indoor meet on April 16; Triangular meet between Washington, Idaho and Oregon at Seattle on May 7; the All Coast meet on May 14 at Berkeley; the Dual meet with Corvallis here on May 20th; and May 28th, either a Northwest Conference meet at Portland, or a dual meet with Pullman in Eugene.

Prof. F. S. Dunn, head of the Latin Department at the University, spoke before the Y. W. C. A. at the regular meeting Monday afternoon. Professor Dunn is very much interested in the college associations and his talk was appreciated by the large number of members present.

DEBATE CHAMPIONSHIP AT STAKE FRIDAY NIGHT

OREGON CLASHES WITH IDAHO IN VILLARD HALL

Coach Buchen Optimistic But Not Over Confident—Steele Working for Big Crowd.

The biggest debate in years, the debate that will decide the Northwest and probably the Pacific Coast championship will take place next Friday evening, commencing at eight o'clock, in Villard Hall, between the University of Idaho and the University of Oregon. Coach Buchen's men, Collier, Spencer and Cash, will uphold the affirmative of the question, "Resolved, that all corporations engaged in Interstate Commerce should be required to take out a Federal Charter."

At the same time, Oregon will have a negative team debating the University of Washington in Seattle and Idaho's affirmative team will meet Washington's negative team at Moscow. Ray, Zimmerman and Powell, the members of the negative Varsity team, leave for Seattle tomorrow. Coach Buchen will accompany them.

RANSOM MACKIE
Leader of Idaho Team

The debate enthusiasts at the University are extremely anxious to win this year as it will be their first victory in the Triangular league for three years. Coach Buchen, however, while optimistic is by no means confident. The negative, he thinks, has the stronger side, but the men are less experienced. Collier and Spencer, the two men who defeated the University of Utah last January will again uphold the affirmative side; and those who heard them at that time are confident of their ability to repeat the trick.

The affirmative will follow much the same lines as they did at that time. Cash will open the debate with a speech almost identical with Spencer's former

(Continued on last page.)

CO-ED DEBATE DATE MUST BE CHANGED

Because May 6th, the date set for the co-ed debate with Washington in Seattle, conflicts with Washington's Junior Week-End and more especially with the Junior Prom, the date of the debate will be changed to either May 13th or April 29th. This was announced in a letter just received from the University of Washington by Manager Steele.

Washington suggested the 29th, but Manager Steele prefers the 13th and this date will probably prevail. In the latter case the Interstate Oratorical contest will be shifted to May 28th.

COUNCIL TRYING TO FIND FOOTBALL COACH

Three Eastern Stars Under Consideration Any of Whom Would Do

Although several eastern football stars and coaches have been corresponded with the Athletic Council has as yet come to no definite conclusion as to a coach for next year's team.

At present there are three men under discussion. Their names cannot be learned, but it is known that one is a Pennsylvania man.

Hayward says that if any of the men with whom the council is now carrying on negotiations can be secured, Oregon will be assured of a good coach for next fall.

VARSITY PLAYS FIRST GAME NEXT SATURDAY

WHITMAN AND OREGON NINES MEET ON THE LOCAL DIAMOND

Borleske, the Great All-American Half Back Candidate, Will Be Feature In Line-up.

The first varsity baseball game of the year will be played next Saturday afternoon on the Midway Park diamond against Whitman College. The Whitman games were originally scheduled for Tuesday and Wednesday, but have been changed to Saturday and Monday.

The two teams seem to be evenly matched with a wealth of both old and new material at their disposal. Borleske, the great pitcher and premier athlete, will twirl for the Walla Walla collegians. For Oregon, Henkle, the wonderful "south paw," will make his first appearance this year.

Special service to the ball grounds has been obtained on the Springfield car line. Manager Jamison reports that with favorable weather for the remainder of the week, the diamond will be in excellent condition.

The probable lineup will be:
