

FIRST TRIAL OF NEW TRACK NEXT TUESDAY

SOPHOMORES WILL TRY TO KEEP CHAMPIONSHIP OF VARSITY

Fantastic Wrestling Bouts Will Be Feature at Annual Indoor Track Meet.

The Indoor meet next Tuesday will be the first trial of the new gymnasium race track. The twenty-five yard dash will be run on the main floor while the longer runs will be on the curved track overhead.

Manager Espy promises that there will be no delays in pulling off the events since it will be possible to have two or three going simultaneously.

The feature of the evening will be wrestling, in which every class will be represented. In this department the rivalry between the freshmen and sophomore classes will be keenest as men of every weight, from such bantams as Washburne to heavy weights of Fat Bailey's class will be matched. Such well known mat artists as Vic Voight, Ben Grout, Harold Bates, Bill Main and Jim Neill will be seen for the first time this year. Besides the regular events, extra features, such as a match between the two Chinamen, Harry Ding and Lee Sam, and a match between Fat Bailey, freshman, and Slim Bailey, sophomore; will be pulled off. Fat Bailey is six feet two inches tall and weighs 240 pounds, while Slim Bailey is six feet six inches tall and weighs 140. In the Chinese match no holds will be barred and the scrap will be to a finish.

The meet will be started promptly at 7:45 Tuesday evening. The admission will be 35 cents.

Avavas Win from Acacias

COLUMBIA TRYOUTS SET FOR APRIL 9th

On April 9th, unless the as-yet-indefinite O. A. C. meet comes on that date, a track tryout will be held for the purpose of choosing fourteen men to represent the University at the Columbia Indoor meet on April 16th.

The date for the O. A. C. meet has not been set, but it is thought that it will be held during the latter part of the month. In the case that it is held on April 9th the tryout will be postponed until the following week.

Y. W. C. A. Secretary Coming

The two Y. M. C. secretaries, Miss Gage and Miss Hopkins, are planning to be here for a part of next week and a parlor conference will be held at the Gamma Phi House five o'clock on Sunday afternoon.

An interesting meeting is to be held on Monday at the regular time. The subject will be "Missions," and Mr. Gorrell is to give a talk on China.

Thanks to the successful gymnasium exhibition given the other night, a goodly amount was turned over to the Bungalow Fund—the exact sum will be reported later.

TRACK INTEREST LOW COMPLAINS HAYWARD

Students Should Encourage the Men in Their Daily Training

One of the chief causes to which Trainer Hayward attributes Oregon's shortage of material and poor prospects for a winning track team this year is the general lack of interest among the students. In former years it was the custom for the field to be filled with spectators, but lately they seem to prefer baseball and the mill race.

"Since training began," says Hayward, "there have been just two people who took interest enough in the team to warm seats in the grandstand for a few moments one evening during training hours. There are men and women in college that don't know who is doing track work or what the track looks like. There is nothing that so encourages track men as to know that their efforts are being observed by an appreciative audience. Oregon's chances of winning never did look gloomier. If we do win it must be through the concerted action of every one in college, and it is up to every loyal student to get out and do his part."

Dobie 1, Van Marter 6. Bases on balls—Cousins 3, Dobie 1, Van Marter 2. Wild Pitch, Dobie. Passes Balls—N. Dobie 2, Strong 1. Sacrifice hits, Van Marter 2. Stolen bases, Avava 8, Acacia 6. Umpire, Mr. Henkle.

Game called seventh inning on account of darkness.

The match between Harold Bates and Vic Voight will be a championship bout. Be sure to witness it.

Be sure to see the first meet in the new gymnasium next Tuesday night.

TOP OF LEAGUE START WILL BE MAINTAINED

SO SAYS JAMISON OF SEASON'S BASEBALL PROSPECTS

Manager Prophesies Success If Students Will Only Do Their Part by Attending Games.

Standing of Teams			
Oregon	2	0	1000
O. A. C.	1	1	500
Whitman	1	3	250
Washington			
W. S. C.			
Idaho			

"We have started at the top of the league and it will take a pretty hard jolt to bring us down," said manager Jamison yesterday in summing up the baseball situation. "We have everything we need except student support," he continued. "We must sell one hundred more tickets on the campus. If the students will stand behind us we will probably win all games played on the home grounds."

Although the crowds at the games were above the average, yet less than two hundred season tickets have been disposed of, and in order to help along the sale Manager Jamison has decided to reduce the price to one dollar and seventy-five cents, or about twenty-two cents a game, and to make a thorough canvass of the student body next week.

The original schedule of the trip during spring vacation called for two games each with Whitman, Washington State College, and Idaho. In addition to these Manager Jamison has arranged for two games with Washington in Seattle on April 13th and 14th, a game with the Spokane Northwest League team in Spokane on Friday, April 15th, and on the remaining open date will probably arrange for a game with Coeur d'Alene or Lewiston in Idaho. This makes nine games definitely arranged for and one probably to be added. Manager Jamison thinks that the consent of the Spokane team to take on a college team just before the league season opens is sufficient guarantee that Coach Kelly has turned out a fast bunch.

The next games to be played here are two with Idaho on the 11th and 12th of this month. The Idaho team is a sort of unknown quantity this year but it is said by the Whitman men to be pretty strong.

No changes have been made in the squad since it was picked two weeks ago. Coach Kelly is holding over all pitchers for further tryouts. The second team will go to Pleasant Hill one week from today to try their strength on the team from that place.

Miss Gage, the Y. W. C. A. secretary, is a guest at the Gamma Phi Beta house.

Mrs. Job, of Cottage Grove, is visiting her daughter at the Klosche Tillamook house.

Ethel Clark has been on the invalid list for the past week.

DORMITORY RECEPTION GIVEN LAST EVENING

The many friends of the Dormitory Club enjoyed a pleasant evening at their open house last night. The Dormitory parlors were tastefully decorated in Oregon Grape and pennants. Music by one of the city's best orchestras was a pleasing feature of the evening.

During the evening the guests were taken on a tour of inspection of the boy's rooms, many of whom received praise for their skillful adornment.

In the receiving line were Mrs. Prescott, Mrs. Penell, Mrs. Straub, President Campbell, B. W. Prescott and W. C. Nicholas. Raphael Geisler met the guests at the door.

German Club Meets Tuesday

The Verein Germania will hold its next regular meeting Tuesday night, April 5, at the home of Dr. Schmidt. An interesting program has been prepared for the occasion, among the features of which will be a talk on the great masters, by Miss Morgan, a German spelling match, and a number of the best German operatic selections which will be played on the graphophone.

AERONAUTICS TAKEN UP AFTER HOLIDAYS

Converse Yields to Demand and Agrees to Give Regular Course

The senior electrical and mechanical engineers will be given a course in aeronautics by C. W. Converse, immediately after the spring vacation, as a part of the senior course in internal combustion engines.

First the high speed motors used on air ships will be studied in detail. Then the design of the various types of dirigible balloons and aeroplanes will be taken up, with especial attention to the construction of wings, starting apparatus, steering gear, and balancing arrangements. No text books will be used but the students will look up references in the library.

Next year Mr. Converse will teach a course in aeronautics open to all engineering students. "Some time ago," he said, "it was announced in the Emerald that I would teach such a course. Since then so many students have inquired about it, that I guess I will have to do it. I told some of them that if they would get fifteen or twenty together next year, I would give them the course they wanted."

Mr. Converse has not yet decided whether any credit will be given. It may take the form of an aero club, before which he and the students themselves will deliver lectures. However, it may be, he has been studying deeply into the subject, himself, in preparation.

Chauncey Cuning, '10, has left the college, as he already has enough credits to graduate. Mr. Cuning was a member of the executive committee and leaves a vacancy which will be filled next week.

SENIOR PLAY WILL BE BIG THEATRICAL EVENT

UNIVERSITY SOCIETY OUT IN FORCE FOR CAPT. LETTERBLAIR

Brilliant Rehearsals; Clever Comedy Indicate Best Senior Play Ever Presented.

"Captain Letterblair," the three-act comedy that the senior class will present just one week from tonight, will be the biggest social event of the senior class and the one big theatrical performance in University circles during the year.

The boxes will be occupied with the University society people, several of the women's fraternities having already engaged seats for all their members. Many out of town people are also expected.

The play is pronounced by those who have seen the rehearsals that are going on regularly in the Villard Hall to be the best that any senior class has ever presented. Interesting in plot and full of fun and cleverness in every scene, it relates the fortunes of an Irish officer in connection with a beautiful English girl, with whom the former is in love. Financial troubles, a misunderstanding, a lovers' quarrel, and the subsequent reconciliation form the main story. Interwoven into this are also the love affairs of two other couples who take prominent parts.

Captain Letterblair, Litton is the character assigned to Dudley R. Clarke, the well known captain of the university football and baseball teams for this year. "We have all seen Dud play football and baseball but we now have an opportunity to see him play soldier," is one of the strong arguments Manager Terry puts forth in favor of his character. "He makes as handsome an officer as one can find anywhere, and makes love with an ardour that shows long experience."

Miss S. Frances Oberteuffer carries the difficult role of the young English lady who, by her desire to help, creates so much trouble. Miss Oberteuffer has had a great deal of dramatic experience in High School and in the University Dramatic Club. One of the most striking features of the entire production will be the beautiful gowns worn by Miss Oberteuffer.

This play has, as all good plays must have, a villain. The part is taken by an all northwest football star, who is also President of the Dramatic Club, William Charles Kiltz, who has the regulation black hair and dark eyes required of the villain. He also has the ability to play that difficult role with success. Harold Edwards Bates appears as the Dean, the uncle of Captain Letterblair. His is a character role presenting much that is funny in a very droll manner. The cast would be sadly lacking without the Dean.

Benjamin H. William, President of the Student Body, Track Captain for 1910 and last year's Inter-State Orator, makes a dash into the realm of drama as Mr. Seaton, Fanny's guardian. Mr. Williams has made good in everything he has entered during his University
