

BASEBALL TEAM WINS THREE, LOSES FOUR

SUCCESSFUL TRIP CONCLUDED THROUGH INLAND EMPIRE

Oregon Stands in Second Place—Fine Batting a Feature of Work Though Fielding is Rather Poor

STANDING OF COLLEGES

Team	Won	Lost	P.C.
Washington	3	0	1000
Oregon	7	4	636
O. A. C.	5	3	600
W. S. C.	1	1	500
Whitman	4	5	444
Idaho	1	8	111

On the whole successful, but unfortunate in that luck seemed against the team just when things should have gone their way, was the annual Inland Empire trip just concluded by the Oregon baseball team. The final result of the intercollegiate games was four defeats and three victories.

This leaves Oregon in second place, her only superior being the University of Washington, which, however, has not as yet played enough games to give any certain claim to superiority. Another game was played on the trip with the Spokane club of the Northwest Professional League and lost by a score of nine to nothing. Coach Kelly's men played good ball against the leaguers, however, and won the hearts of the Spokane people by their plucky fight.

Clarke and Taylor both hit above five hundred on the trip and the Captain played sensational ball in every way. Jamison, at first base, proved himself to be the best infielder in the Conference and the whole team batted unusually well.

Washington Starts Hoodoo.
The trip began with a hoodoo game against Washington. Henkle, who had been pitching phenomenal ball at home and who was looked upon as the hope of the Varsity had an off day and was batted out in the opening chapter. The great Southpaw lost two of his games out of four and his work in the others fell below standard. Travelling apparently does not agree with him.

The first Washington man walked, the next picked a double, and then every man up took his choice of passes, two and three baggers. Henkel's blow up sent all the infield but first skywards, the game being hopelessly lost before they got together again. Word took charge for two innings, but, as there was then no chance to recover the loss, Kelly sent Dobie in and saved Word for Friday. The Oregon men say Washington is no better than they and promise to turn the tables on the home grounds. The final score was 14 to 0.

The Spokane team the next day went out on the field to slug out a big score, but Word, far from asking mercy, kept them fairly safe. The boys report that a new umpire trying to make a hit with the league gave Spokane three or four runs and was so rotten the crowd hooted him.

CRATER LAKE NATIONAL WONDER SAYS STEELE

Well Known Mazama Lecturer Speaks To Students in Assembly This Morning

That the splendors of Crater Lake are magnificent enough to be of national interest and that their obscurity is the result of retarded connection with the outside world was the general trend of Will G. Steele's illustrated lecture on "Lake Chelan and Crater Lake" in assembly this morning.

Mr. Steele announced his purpose as that of awakening an idea of the traditions, possibilities and prospects of Crater Lake and of the surrounding country and the vast area drained by the Columbia river and its tributaries. This area, according to Mr. Steele, comprises a territory of about two hundred fifty thousand square miles in which every raw product in use in the United States, except cotton, is raised; in which the value of 25,000,000 horsepower is wasted annually, more than double the entire amount used in the United States. This power if utilized would outweigh the importance of the Pennsylvania coal fields and would drive sufficient factories to supply the Orient with products which now are furnished through European trade routes.

Aside from the commercial advantage of this region, however, said Mr. Steele, there is another, the importance of which the people of Oregon do not realize. The reason for this lack of interest, according to him, is the insufficient advertisement of this wonder-

TAWAHS WIN HUMOROUS GAME FROM DORM CLUB

In a game replete with errors, old fashioned clouting, and wierd batting work, the Tawah Club baseball nine took the Dormitory aggregation into camp, Monday afternoon by the score of 13 to 7. The game was played in a drizzling rain which accounts for the lack of sensational fielding and juggling stunts which have predominated in all the other games of the Doughnut League. Features of the game were the pitching of Fisher of the Dorm Club and the catching of Toomey of the Tawah.

The Score	R	H	E
Tawah	13	12	9
Dorm	7	10	13

Battery for Tawah, Lilley, Bartel and Tommey; for Dorm, Fisher and Wattenburg.

KHODA KHANS WIN FAST GAME FROM ALPHA TAUS

Work of Pitchers Jamison and Rinehart Was Feature of The Game

In the closest game played thus far in the "Sinkers" League the Khoda Khan baseball artists defeated the Alpha Tau Omega club Wednesday afternoon, by the close score of 5 to 4. The game was mainly a pitchers' battle between DeMilo Jamieson and Wm. Rinehart, Tau's infield circuit, and the clouting of Rinehart and Newland. Lyle Browa of the K. K. Club and Two-Twenty Martin of the Alphas, each fielded 1000 per cent.

PULLMAN GETS NEW COACH FOR BASEBALL

Pullman, April 24—F. B. Sanger, who coached the W. S. C. baseball team last year, has been elected to fill that position again this spring, in place of Kienholtz, whom the regents relieved of all charge at their last meeting.

The boys in the dormitory struck last week for better board. As a result, one of the leaders was discharged from his place in the kitchen. The boys immediately walked out and refused to return until he was reinstated. This was done, and all trouble now appears to be over.

Professor Frink gave his major students a party last Friday evening.

FIRST STUDENT BODY DANCE SET FOR FRIDAY

Will Probably Be Only Monthly Dance Held by Students This Year

The first of the informal student body dances will be held in the gymnasium on Friday night, April 29th. Because of the short time remaining, and other conflicting events, this will probably be the only monthly dance held this year, but next year it is the aim of the student body to hold these parties regularly.

The dance Friday night is expected to inaugurate in an appropriate manner the long looked forward to events. A committee has been appointed by Manager Fortmiller to arrange for the reception of the guests. The gymnasium floor will be in as nearly perfect condition as time and labor will permit.

The grand march will start promptly at 8:30 o'clock lead by Pres. Ben Williams of the student body. To meet expenses 50 cents per couple will be the charge at the door.

The following ladies will act as patronesses: Mrs. VanZoll Clarke, Mrs. Wm. Hayward, Mrs. Ray Goodrich, Mrs. Allen Eaton.

TENNIS TRYOUTS TO BEGIN IMMEDIATELY

No Handicap Tournament Will Be Held Because of Lack of Time

The tryouts for the tennis team will commence immediately on account of the nearness of the conference tournament, May 27th and 28th. There will be three preliminary tournaments. The winner of these, together with the Varsity men now in college, four in all, will play a round-robin tournament to decide the team.

The team this year will be composed of two men, the singles representative playing in the doubles. Drawings for the first tournament will be held Thursday night, April 28th. Entries can be made on the bulletin in the gymnasium or with Ralph Newland or Harry Stine.

Manager Newland announces that because of lack of time there will be no handicap tournament held this year.

TAX REFORM PRESIDENT TO SPEAK SATURDAY

Mr. E. S. J. McAlister, of Portland, who is president of the Oregon Tax Reform Association, and a member of the Direct Legislation League, will address Henry George Club in McClure Hall next Saturday night at seven o'clock. Mr. McAlister is one of the authors of the pamphlet recently distributed advocating reform legislation in this state, and is a speaker of well known ability. Everyone is invited. Admission free.

ANOTHER BANNER COMES HOME FROM COLUMBIA

OREGON WINS MEET FIFTH CONSECUTIVE TIME, BUT LOSES RELAY

Kay and Hawkins Defeat Bergman in Sensational Races--Men Fight Hard for Every Point

Another Oregon track team has gone to the Columbia indoor meet and another championship banner has been brought to the University. This time the score was 46 for the Varsity to 33 for O. A. C., the nearest competitor. But although Oregon had the lead throughout, the meet was far from a walk-away and was full of exciting events and surprises from first to last.

In the 50-yard dash O. A. C. walked away with all three places. The Varsity came back with a vengeance in the 200-yard dash when Ersel Kay, Oregon's fast freshman, showed his heels to the much touted Bergman in a manner that caused the O. A. C. men to gasp in dismay. Bergman was not at all satisfied with the outcome of this race, and when these two men come together in the dual meet on May 21 it is expected that the fire will fly.

Sid Henderson brought joy to the hearts of the Oregon supporters by winning the shot-put from Keck and Endberg. McClure showed up unexpectedly well in the distances. Jumper Johnson, after a few swallows of Hayward's celebrated spring water, showed surprising form in the high jump, winning second place with a spring of 5 feet 4 inches.

In other events the Oregon stars performed in their usual manner. In the 440 Johns was an easy winner, while McDaniel, after drawing the worst place in the field, passed his twenty odd opponents and secured second place. Bristow outclassed all other broad jumpers with a leap of 21 feet 2-1/2 inches. In the pole vault Williams and Sweeney proved to be too much for Burdick of O. A. C., and won the event at the easy height of 10 feet. Sweeney showed good nerve by vaulting after he had hurt his side.

The most interesting contest of the meet was the 50-yard high hurdles, in which Hawkins, of Oregon, was pitted against Bergman, of O. A. C. Both sides had claimed the victory in advance, and a close contest was expected. But Hawkins, for the fourth consecutive time, defeated the Corvallis star with ease. Latourette pressed Bergman closely for second place.

Riddell, Oregon's premier miler, was badly out of form, but finished an easy third. This was a disappointment, for it is certain that he can beat the time made. However, his teammates are still confident that he can show his heels to any miler in the Northwest. At any rate, he will have a worthy colleague in freshman McClure, who came so near to winning the mile that the judges were unable to decide the race for some time.

Garrabrant did splendid work in the two-mile, running the last mile after he had been seized with a severe cramp
