TRI DELTA ORGANIZES THETA DELTA ALLIANCE

Organization Is Composed of Alumnae and Non-Active Members of Tri Delta

Following the installation of the Kloshe Tillacum as Theta Delta chapter of Delta Delta Fraternity, occurred the organization of what will be known as the Theta Delta Alliance. This alliance is made up of the alumnae members of the local chapter and resident Tri Deltas who have been members of other chapters. Miss Fitch, who installed the local chapter, acted as organizing officer for the alliance, which is the first organization of its kind among the fraternities here.

The alliance is formed for the purpose of assisting and advising the active chapter and keeping in close touch with no-active members. Arrangements are made for regular meetings of the resident members, and special effort is made to have at least one meeting during the year at which all members can be present. The alliance not only keeps in touch with the active chapter, but is also closely connected with the national organization, so that Tri Deltas who are not active members of some chapter can, through their alliance membership, still have many privileges of fraternity life.

The members of the Eugene Theta Delta Alliance are: Mrs. Felix Moore, Eugene; Mrs. Holmquist, Eugene; Mabel Kuykendall, Eugene; Mozelle Hair, Grants Pass; Angeline Williams, Oregon City; Agnes Stevenson, Eugene; Harriet Lane, Portland; Annie Bergman, Astoria; Olivia Risley, Roseburg; Grace LaBrie, Portland.

**SECRETARY BROWN
SCORES HIT WITH Y. M.**

E. M. Brown, general secretary of the University Y. M. C. A., spoke last evening at the Y. M. C. A. meeting on the subject, "The Man Worth While." He asserted that the man worth while is thoroughly reliable, does not shirk responsibility, has fixed convictions for which he dares to stand, and above all is optimistic.

Because of an unavoidable engagement, one of the members of the quartette was absent last night, but the leader promised a full quartette for Friday.

One of the most interesting meetings of the year will be held one week from last night. The Y. W. C. A. and the Y. M. C. A. will unite for this meeting, and will be addressed by Professor Sweetser. Professor Sweetser is a speaker of the gattling gun order, and has a most entertaining address on social conditions in the slums and among the poor classes in the big cities. He has spoken every year for several years before the Y. M. C. A. on this same theme, and his meetings have invariably set a high mark in attendance for the year.

It is hoped that the ladies' gymnasium may be secured for this meeting in order to accommodate all who may wish to hear Professor Sweetser.

The cross country prospects for the University of Oregon were never brighter. A large number of men are turning out for the early season preliminary work. The long runs will not begin until cooler weather this fall. Trainer Hayward announces that a cup will be awarded in the inter-class cross country race, and that a gold medal will be given the first man to complete the circuit.

Oregon has excellent chances for defeating O. A. C. on November 12, the morning before the Oregon-O. A. C. football game. With such stars as McClure, Maguire and Huggins, no difficulty should be encountered in outdistancing the farmers. The men who are signed up for cross country work at the present time are: McClure, Huggins, Shaver, Emery, Houston, Maguire, Reynolds, Martzloff, Walls, Bennett and Staehr.

WILL BROADENS COPE OF STUDENT LOAN FUND

University Will Make Special Appeal to Students in Straightened Circumstances

The University administration plans to increase the educational opportunities for young men in hampered financial circumstances by increasing the scope and efficiency of the University loan fund feature.

There is a special fund, now amounting to several thousand dollars, by which the University is enabled to aid deserving students in straightened circumstances. One hundred dollars a year is the maximum loan to each student. A very low interest rate is charged and considerable time for repayment is allowed.

As the cost of living at the University rises, President Campbell plans to increase this fund and to organize some form of living club for students who can not spend over \$250.00 per annum. This will bring the University within reach of all and dissipate the idea often prevailing that Oregon is a "silk stocking" college.
