

Y. M. C. A. SPEAKERS ARE WEEK END ATTRACTION

WILL SPEAK IN VILLARD HALL SUNDAY AFTER-NOON

Were Tendered Monster Bean Feed in Dormitory Last Night —Pres. Campbell Speaks.

Tomorrow afternoon the second of the lectures by Mr. Carter and Mr. Mercer will be given in Villard Hall. The chief features of the preliminaries of this meeting will be a couple of selections by the Glee Club. The subject of the discussion which will be handled by both Carter and Mercer, is "Battle Grounds of Student Life".

The addresses of the men on this subject have been commented on more frequently and more favorably than any other talks they give. Many of the practical problems that every college man is concerned with will be discussed and the experience of both speakers in hundreds of colleges and universities throughout this country and other countries will be drawn upon for a careful and comprehensive treatment of those things that concern every man so vitally.

Mr. E. C. Carter, who with Mr. Mercer is scheduled to speak at a men's mass meeting in Villard Hall tomorrow afternoon, arrived in Eugene yesterday noon and after meeting a number of the men on the campus, was present at the Bean Feed which was held last evening at the City Y. M. C. A.

About sixty men gathered here at six to partake of Heinz's Best and listen to the remarks of two or three speakers. H. A. Dalzell, State Secretary of the Y. M. C. A., was called upon for brief remarks, and told of the great interests on the coast in the lectures of Mercer and Carter. President Campbell responded to a demand for remarks and expressed his appreciation of the efforts of the Y. M. C. A. and Mr. Carter and Mr. Mercer in particular, to establish a higher intellectual and moral tone among the students of the universities throughout the country. He voiced his hearty approval of the lectures that are to be heard here and called upon the men present to help in making the most of this opportunity. Mr. Carter was introduced and immediately made good with the bunch by the delicate manner in which he handled a reference to a certain "institution, unnameable in this portion of the state". He told briefly but effectively of the advances that are being made by the Association in the great institutions of the country and of the growing appreciation of the work that is being expressed, quoting such men as Mr. Howard Elliott of the Great Northern and Pres. Northrup of Minnesota University.

Mr. Mercer is a speaker of fluency and forcefulness, clear and convincing and understands how to make his points and drive them in. The men of Oregon will appreciate his address this evening and tomorrow afternoon. Both he and Mercer will speak tonight and both will speak again tomorrow afternoon.

GIRLS, ATTENTION!

All girls intending to tryout for the Oregon-Washington Women's Inter-collegiate debate will please meet in Prof. DeCou's room, Villard Hall, Monday at 4 o'clock. Important!

"Dutch" Amunsen, '14, is confined to the Tawah Club with a slight attack of la grippe.

ANNOUNCE PROGRAM FOR WOMEN'S COUNCIL

Final arrangements for the annual open meeting of the Women's Council have been completed. It will be held in Professor Dunn's room Wednesday afternoon, January 25th, at 4:00 o'clock. Mrs. Pennell will open the meeting with a short talk, "The Obligations of the Upperclassmen" will be told by Juliet Cross. Fay Clarke will give "The Allegiance of Underclassmen." "What We Can Do as to College Activities," by Mrs. Brown, "Co-Education, from the Girl's Standpoint," by Cornelia Pinkham, "Ideas of Each Class as to College Life," by Olive Donnell, '11; Birdie Wise, '12; Nellie Hemenway, '13; Ellice Shearer, '14. This is the first of these open meetings for this year, but it will be followed by several more, equally interesting and instructive.

Miss Mildred Bagley is spending the week-end with Portland friends.

WRESTLERS A FEATURE

Men Are Working Out Daily at Mat Game

The plans for the annual inter-class indoor meet, to be held March 11, are being well carried out. From the number and class of prospective entries, the wrestling promises to be the most interesting feature. John Kelly is entered in the bantam weight, and will undoubtedly take his event. Kelly is showing great form this year, and it is reported that he will go to Portland to take part in a coming meet to be held under the auspices of the Multnomah Club.

Part of the football men are out practicing the tumbling game with their usual football spirit, and promise to make things interesting in the heavy-weight division. A number of promising middleweights are entering for the tryout.

It has not yet been decided whether the men from different classes will be matched, or a man picked from each weight without regard to class.

THIRD FLOOR IMMERSSED

Basketball Game Leads to Reckless Bathing

The third floor basketball team of the dormitory went wet this morning by a 23 to 7 majority. The piratical insignia worn by the second floor team frightened the team work out of Kronie's cohorts, and it is to this, not to superior playing, that victory is attributed.

The first half ended 15 to 0 in favor of the second story men. Captain Kronerberg, "the hope of the German race," was unable to participate throughout the entire contest. The fever, however, that raged before the game, gradually settled to his feet, and when these extremities warmed sufficiently, Kronie faced sylph-like Bailey in the thirty-inch circle.

Two well filled tubs awaited the return of the vanquished, who were literally swept off their feet by the hospitable second floor men. Considerable moisture was diffused during the process, but as yet no cases of insanity are reported to have resulted.

The Kappa Sigma Freshmen were at home to 1914 at a smoker last night. Boxing, smoking and singing were the features.

MR. GALLOWAY WORKS TO RAISE STUDENT FUND

AMOUNT NOW AVAILABLE IS NEARLY \$5,000

Alumni Association Has Set \$25,000 Mark, Which It Hopes to Reach this Year.

Mr. Francis V. Galloway, '07, who has been acting as special agent for the Alumni Association to increase the Student Loan Fund. In the two weeks that Mr. Galloway was in the field, he secured about \$2,000, all of which will be available before the end of the present year. One donor, who wishes his name withheld, is making a gift of \$1,000, and Senator R. A. Booth will add \$500 to the \$500 he has already in the fund. Mr. W. B. Ayer has given \$100.

These contributions bring thvacaal These contributions bring the available loan fund up to the total of \$5,223.30, but the demand far exceeds this amount. The student loans are handled through the office of the Secretary of the Board of Regents, who accounts for them as for other college funds. Student applications for the money must be signed by some responsible person and approved by two faculty members.

No student may borrow more than \$100 for each year of attendance at the University.

At present the money is divided into five special funds, donated by William Ladd, of Portland, A. S. Roberts, of The Dalles, John Kelly, of Eugene, and in the names of D. T. Thompson, Dr. Thomas Condon, R. A. Booth, John Kelly, and the Alumni Association.

Mr. Galloway is for the time being at his home in McMinnville, but after the excitement incident to the legislative situation has subsided Mr. Galloway will take the field again, and hopes by spring to raise the fund to the \$25,000 mark set by the Association.

TRACK MEN MUST WORK

At the beginning of the second semester, Trainer Hayward plans to give over an hour each day in the gym to track men.

Each man who intends to try out in the spring will be expected to come out and take exercise to put him in condition for his event.

By doing this, Bill hopes to have his men in much better condition than usual at the opening of the season and will not have such a handicap to overcome in competing with those colleges that have better facilities.

Professor R. K. Allen, a member of the faculty of the Broadway High School, of Seattle, is visiting at the Kappa Sigma house.

SENIORS SHOW LITTLE ZEAL IN CROSS COUNTRY

As basketball holds the center of the stage, little interest has been shown so far concerning the inter-class cross country run, which is scheduled for February 22nd. Only two prospective runners are training regularly—McGuire, '11, and McClure, '13.

It is expected that each class will turn out a good sized squad as soon as the heaviest exam work is over. As each class's team is limited to five men, there will probably be sharp competition for places, especially among the Freshmen, as there is an abundance of material in the green cap brigade.

Captains of the teams, as selected by Trainer Hayward, are, McGuire, '11, Walls, '12, McClure, '13, and Miller, '14. Prospects for full teams are good, except with the 1911 class, in which there is a dearth of distance runners. McGuire will be the only Senior entry, according to present prospects.

J. D. AT LAST ARRIVES

Oregonian Offers Versatile Editor Position on Staff

That the newspaper world's opinion of De n Collins as a paper man is favorable, is shown by the fact that the managing editor of the Oregonian has recently offered him a position as reporter, either to be accepted now or after he secures his Master's degree from Oregon. Collins chose the latter alternative.

This line of work is not new to Collins. For several years he worked with the Polk County Observer, at Dallas, Oregon, and edited the same for two years. This year, as editor of the Oregon Monthly, he has built up the standard of that magazine to a height it has never known before. As editor of the Observer, his editorials were frequently copied by other papers, including the Oregonian, which commented favorably on them, and now offers the writer a position on its staff.

VARSITY SCHEDULE MADE

All Conference Teams Will Play Here

The following is the conference basketball schedule for the present season:

- Feb. 6, Whitman College, at Walla Walla.
- Feb. 7, Whitman College, at Walla Walla.
- Feb. 8, University of Idaho, at Moscow.
- Feb. 9, University of Idaho, at Moscow.
- Feb. 10, Washington State College, at Pullman.
- Feb. 11, Washington State College, at Pullman.
- Feb. 17, University of Washington, at Eugene.
- Feb. 18, University of Washington, at Eugene.
- Feb. 27, Washington State College, at Eugene.
- Feb. 28, Washington State College, at Eugene.
- March 3, University of Washington, at Seattle.
- March 4, University of Washington, at Seattle.

VARSITY WINS FROM P. U. BY VERY LARGE SCORE

63 TO 7 TELLS TALE OF RELATIVE MERITS OF TEAMS

Next Game Will be With Portage Quintet. Sophomores Finally Get Laraw y Trophy Cup

The Varsity quintet of basketball tossers last night smothered Pacific's aspirations by a score of 63 to 7. The first half ended 40 to 6, but the second team which was sent in in the last half was unable to keep up the pace for as many points as were made in the first section.

Captain Jamison and Fenton scored almost at will, making twelve and ten baskets respectively.

After it became evident that Pacific's chances were nil, the Varsity tried out new team plays exclusively, and worked them with startling regularity. Pacific put up a good game as far as hard work was concerned, but were unable to keep the ball in their end of the court for any length of time.

Simms, the new Varsity find, showed up particularly well in breaking the ball loose from the mix and advancing it down the field. Elliott, however, had the better luck of the two guards, in locating the basket, scoring five in the time in which he played.

Shaver, Pacific's captain, was the only one of the visitors able to locate the basket, and he scored all of Pacific's points.

The first lineup was as follows:

Pacific		Oregon
Shaver (capt)	RF	Walker
Bryant	LF	Jamison (capt)
Berryman	C	Fenton
Taylor	RG	Simms
McDougal	LG	Elliott

Referee, Hayward.

Will Play Fast Portage Team
The next game for the Varsity will be with the famous Co. F team, of Portage, Wisconsin, which writes A. A. U. champions of the United States after its name. The date has not yet been set, as the advance man of the militia quintet has not yet arrived in Eugene. The soldiers are on a Western tour and will pass through Eugene next week and will stop off to play the Varsity on their way south.

Three of the men, Swenholt, Shepard and Harper, are graduates of the University of Wisconsin, where they starred in collegiate games. The Portage team recently defeated the Meteors, of Chicago, by the decisive score of 29 to 14. Basketball fans will remember the visit of the Meteors to the Coast several years ago.

The Dallas "Oregons" played two games with the Co. F team on its Eastern tour, and won both contests.

Just what the Varsity will be able to do against such an aggregation of stars is a matter of much conjecture, as the little tryout against Pacific was but a poor means of finding out what the lemon yellow quintet has in store. Fenton says the military five is made up of big, husky fellows, who play a fast game, and the contest with Oregon should furnish its quota of excitement.

Sophs Win Laraway Cup

The final game for the Laraway cup was played between the Sophs and the Juniors, and resulted in the former winning by a score of 13 to 6. The much tied series was finished and "Hippo" Gillis, Vice President of the student body, made the presentation speech from
