

MEET WHITMAN INSTEAD OF WASHINGTON STATE

MISSIONARIES' TRACK MEN WILL APPEAR HERE MAY 6

Schedule Now Complete and Is Very Full—Another Trip to California.

Track season is close at hand and the schedule of events is fast being completed. March 4th is the date for the inter-class cross country run.

On March 11th will be held the inter-class indoor meet. In this meet will be given all the usual track events except discus, hammer and javelin throwing. Features of particular interest will be the inter-class boxing and wrestling contests. Class representatives will be chosen in tryouts to be held in the latter part of this month.

On April 8th occurs the Columbia indoor meet, at Portland. April 22nd will witness the big event of the track season, the Pacific Coast Inter-collegiate Conference meet at Berkeley. There will be representatives from the State Universities of Oregon, Washington, Idaho, Nevada and California. Stanford will also participate.

Whitman takes her turn this year at meeting O. A. C. and Oregon, as Washington State did last year. The meet takes place in Eugene May 6th. Corvallis and Oregon share the expenses of Whitman's trip.

On May 27 the All-Northwest Conference College meet holds forth at Portland. This, of all the meets, will afford the University of Oregon the best opportunity to demonstrate her athletic ability, inasmuch as the other big meet, in California, will be rather early in the season for Oregon.

MORE SCHOOLS SIGN FOR INTER-SCHOLASTIC MEET

The inter-scholastic track meet, which has been scheduled for Junior Week End, is now an assured success. Enough high schools and preparatory schools have promised their attendance to make the event a certainty, and more are constantly being heard from.

The rival meet at O. A. C. is proving somewhat of a handicap in the securing of representatives from the various schools, but many who have already signed up with the Agricultural College are duplicating their action in regard to Oregon.

Following is a list of those schools which have, up to the present date, returned favorable replies to Oregon's invitations: Baker City High, Fendleton High, Oregon City High, Eugene High, and all the members of the Portland inter-scholastic league—Washington High, Jefferson High, Lincoln High, Portland Academy, Columbia, and Vancouver High.

Many of the schools have as yet sent in no replies whatever, but an answer in the affirmative is expected from most of these. Manager Cockerline is in constant communication with those who have leanings toward the "Aggies," and feels safe in prophesying a most successful meet.

H. W. Libby, assistant county surveyor, will address the Engineering Club Friday, February 24. Mr. Libby has had wide experience in railroad construction-work, having been in charge of several roads in Central America. He will tell of his experiences in tropical railroad building.

SPELL BINDER SPENCER FINISHES HIS ORATION

Carlton E. Spencer, Oregon's representative in the inter-collegiate oratorical contest to be held in Eugene March 10th, completed his oration on "The Rust on our Legal Machinery," yesterday.

It was sent immediately to the Secretary of the Association, who will send copies to the three judges on composition and to the presidents of the seven colleges composing the Association.

PLAN TRIP FOR FRESHIES

1914 Basketball Team May Start On Junket to Portland and Valley

Unless unforeseen obstacles materialize, the Freshman basketball team will play a return game with Washington High School about the end of the month. Manager Huggins is now awaiting word from Coach Fenstermacher as to the date of the contest.

In case there are no conflicting dates, the Freshmen will probably also meet the Lincoln and Jefferson High School teams during their stay in Portland. There is also a likelihood that Manager Huggins can arrange a game with the Newberg High School on the return trip. Newberg claims the championship of the Willamette Valley, and a game with the Oregon Freshmen would be a drawing card.

The personnel of the squad making the trip will probably be: Brooks and Roberts, forwards; Bradshaw, center; Rice and Vierick, guards; Meek and Motschenbacher, substitutes; Huggins, manager.

Bradshaw is still suffering from the effects of an injury incurred a week ago, and may be unable to make the trip. There is a possibility that Fenton, Varsity forward, may hold the pivotal position in the high school games.

SENATE'S VOTE PLEASES

Oblivious to Veto and Referendum, Students Celebrate Passage of Appropriation

When news reached the Oregon campus Thursday evening that the University appropriation had passed the Senate with but three dissenting votes, thus practically assuring the many needed improvements about the campus that the Regents had asked for, there was much rejoicing among the students.

Intuitively they gathered on the campus, and from there, under the leadership of Yell Leader Robison, marched through the city, firing guns, cannons and fire crackers, singing, yelling and doing the serpentine. On the return they assembled in Villard Hall, where enthusiastic speeches were delivered by President Campbell, Regent Friendly, Chas. Robison and Verner Gillis.

CONCEDE MEN PLACES IN PRELIMINARY TRIALS

The preliminary tryout for the interstate oratorical contest, which was scheduled for this morning, was not held. Only the five men, Beals, Pickett, Ray, Robison and Spencer, who made good in the inter-collegiate tryouts, were present, and these were conceded places in a final tryout to be held March 3rd.

ALAS IT'S A LONG LANE THAT HAS NO TURNING

OREGON SUFFERS FIRST DEFEAT OF THE SEASON

After Taking First Game, Oregon Loses Saturday's Matinee By Narrow Margin.

Though Oregon won Friday night's game by the decisive score of 27 to 13, the Washingtonians came back this afternoon and annexed the matinee by a 19-22 score. Friday night's game was delayed until after 10:00 o'clock on account of a wreck on the C. & E., which tied up the "cannonball" unal too late to make connections with the main line at Albany. The enforced stay in Corvallis and the rush from the late train to the gym was too much for the Seattleites and they went down before Oregon's quintet. Captain Clemenson, however, charged their defeat to their inability to hit baskets and to fickle basketball luck.

Oregon started the game with a rush and began to tumble in baskets with startling regularity. From the first the lemon yellow took the lead, and kept it throughout the game. Jamison was the surest at hitting the basket and made seven field goals. The score of the first half was 17 to 7.

Oregon took it easier in the second half, guarding more closely and shooting a basket now and then to keep in practice. The first part of the half was played mostly in the middle of the floor, the guards of both teams keeping out of scoring distance. Captain Clemenson showed himself to be a strong guard and was unusually successful in intercepting long passes. The final score was 27-13.

The second game lowered Oregon's Northwest championship aspirations a few notches. Olson started the scoring soon after the whistle by shooting a basket. Fenton duplicated half a minute later. The score was nearly even throughout the game, though the first half ended with Oregon on the long end 10-8. Washington guards put up the game of their career. Hosely in particular was strong on working the ball down the field. The whole Washington team took turns at the basket, Clemenson coming down for three.

In the middle of the second half Washington tied the score and Oregon got the lead but once afterward, and then were unable to keep it. The visitors shot three baskets and Oregon secured one point on a foul. The final score was 19 to 22.

Oregon has two more games to play with Washington at Seattle, which will decide the championship, as the race clearly lies between Oregon and Washington.

IF YOU ARE A JUNIOR REMEMBER THE DATE

President David McDaniels announces an important meeting of the Junior class, to be held Monday, February 20, in Dr. Bennett's room. There are several matters of pressing interest to be considered and acted upon at this meeting, and a full attendance of Juniors is especially urged. Among other things, the class of 1912 will discuss the feasibility of fathering the movement for holding a Junior Week End canoe carnival.

UPSILONS GET NATIONAL

Oregon Secures Chapter of National Musical Sorority

Oregon has a new national sorority. On January 17, 1911, the Mu Phi Epsilon, the only exclusive musical sorority in America, granted a chapter to the Upsilon Musical Society of the University of Oregon, naming it the "Nu" chapter of the Mu Phi Epsilon. The installation will occur on the 3rd and 4th of March.

Mu Phi Epsilon has fourteen chapters in America, the one granted Oregon being the only one west of Chicago. Many famous musicians are members, among whom are Maud Powell, the violinist, and Madame Schumann-Heink, the world's greatest contralto.

The patronesses of the Nu Chapter are Mrs. P. L. Campbell, Mrs. I. M. Glen, Mrs. Susie Fennell Pipes and Mrs. M. H. Douglas. Prof. I. M. Glen, by virtue of his position as Dean of the School of Music, is patron of the chapter.

The following is a list of the members: Mary Morgan, Lilah Prosser, Eva Stinson, Nell Murphy, Edwina Prosser, Ethel Evans, Juliet Cross, Ethel Rowland, Madeline Harding, Ina Watkins, Nancy Peterson, Alberta Campbell.

The sorority will have a house next year.

ALREADY PLAN SEASON

Baseball Men on Qui Vive Only Waiting for Good Weather and Coach

The baseball schedule for this year is now practically completed, and the men are only waiting for the weather to dry off the field, before donning uniforms and beginning daily practice.

Of last year's team, Taylor, Jamison, Newland Dobie, Barbour, McKenzie, Van Marter, Chandler and Word are still in school; also a number of good men on last year's Varsity squad. In addition, there appears to be a wealth of baseball material among the new men. Fenton, Houck, Roberts, Cobb, Bradshaw and Terpening all bring good prep reputations.

Oregon will play twelve inter-collegiate games, six of which will be at Eugene. There is also a possibility of other games at Eugene with local teams. The schedule is as follows:

- Oregon vs. Whitman, April 13 and 14, at Eugene.
- Oregon vs. University of Washington, April 17 and 18, at Seattle.
- Oregon vs. Washington State College, April 19 and 20, at Pullman.
- Oregon vs. University of Idaho, April 21 and 22, at Moscow.
- Oregon vs. Washington State College, May 3 and 4, at Eugene.
- Oregon vs. University of Idaho, May 12 and 13, at Eugene.

APPROPRIATION BILLS HAVE FEW OPPONENTS

MONEY PROVIDED FOR IN TWO BILLS, 210-211

Most of Adverse Votes Come From Counties that Support Small Denominational Colleges

On the whole, the University appropriation bills enjoyed comparatively smooth sailing in the legislature after the ways and means committee cut off the items of eight and four thousand providing for a campus printing plant and summer school.

The money was provided for in two bills, House bills 210 and 211. H. B. 210 was the general bill and 211 provided only for a new library building. In the house of representatives 210 called out ten adverse votes. The noes were Brownhill of Yamhill, Carter of Clackamas, Graves of Yamhill, Hollis of Washington, Libby of Marion, Miller of Linn, Shaw of Linn, Simpson of Linn, Smith of Josephine, and Tigard of Washington.

On H. B. 211, Carter of Clackamas, Hollis of Washington, Mahoney of Umatilla, Miller of Linn, Newner of Douglas, Pierce of Coos and Curry, Shaw of Linn, Simpson of Linn, and Tigard of Washington voted no.

In the senate, H. B. 210 called out but three nays, viz: Dimick of Clackamas, Miller of Linn, and Wood of Washington.

H. B. 211 was voted against by Barrett of Lincoln, Tillamook, Washington and Yamhill, Miller of Linn, and Wood of Washington.

It will be observed that Senator Milton A. Miller of Linn, who is a regent of the University voted consistently against the University. His county, Linn, was also active in the house against the bills. Most of the other adverse votes came from counties which have small denominational colleges, such as Washington, Yamhill, Marion and Linn.

Though Governor West has not yet signed these bills no veto is expected in view of his opinion expressed in his inaugural address.

KINCAID FIELD WILL BE SITE OF NEW BUILDINGS

As soon as the appropriation bill is known to be safe, duplicate plans for altering the Men's Dormitory will be drawn up. In a general way, President Campbell wishes to extend the rooming capacity of the Dorm by partitioning off twelve or fourteen rooms in the garret. To do this, it will be necessary to gable the roof, and possibly put in some form of elevator so that travel from the fourth floor to the first may be facilitated.

The kitchen will be enlarged, and adjoining it a cold storage house will be erected, so that provisions can be bought at wholesale and the Dorm reap the benefit of extensive wholesale prices.

The first two pantries will be torn out and a cafeteria lunch room made of them. The old dining room will still be used and board will be furnished there at a flat weekly rate, though somewhat reduced from the present rate if possible.

The idea is not to have the cafeteria supplant the regular dining room, but merely supplement it, for the benefit of those who must live on a more economical plan.

Miss Willetta Wright, '11, is still absent in Albany, due to illness.
