GRAY MAY NOT COACH BASEBALL AFTER ALL

LYNCH, OF SYRACUSE, IS BEING CONSIDERED BY COUNCIL

SI STEVENS IS ASSISTANT MANAGER

Baseball Candidates Will Turn Out Monday If Weather Permits.

There has been a serious hitch in the arrangements, and it is possible that after all Dolly Gray may not be the Varsity baseball preceptor.

The trouble seems to be that Gray wants a full three months contract, which is longer than Oregon needs a coach, as the season here is short. A Mr. Lynch, late of Syracuse University, has applied for the position and stands a fair chance of securing it, as he comes excellently recommended from Virgil Earle, '06, who once captained the Varsity nine.

The athletic council will act definitely on the matter this next week. At the last meeting of the council, Si Stevens, '12, better known under the diamond sobriquet of Hal Chase, was chosen assistant manager of baseball for the coming season. The choice was made in recognition of Stevens' steadiness and his interest in the diamond game.

A card has been posted in the Gym for the aspiring candidates to sign up, with desired position. Suits will be issued immediately, and if the weather permits the squad will turn out Monday.

Y. W. C. A. WILL OBSERVE GENERAL DAY OF PRAYER

On Sunday, February 26, which is the day appointed as a universal day of prayer, the University Y. W. C. A. will observe the occasion with class prayer meetings. The Senior meeting will be held in Villard Hall at 10:00 A. M., with Juliet Cross as leader; the Junior in Professor Glen's room at 9:00 A. M., with Mildred Bagley as leader; Sophomore in Professor DeCon's room at 9:00 A. M., Elizabeth Busch, leader; Freshman, 10:00 A. M., Amy Romaine, leader. The girls are especially urged to be present at their respective meetings.

GRAD MANAGER QUESTION MAY COME TO STUDENTS

Nothing has been done about the proposed installment of the graduate manager system since the executive committee passed a resolution in favor of the change about a month ago. The members of the committee, however, are heartily in favor of the scheme and do not intend to let it drop. It is intended to bring the matter before the next student body meeting in the form of an amendment to the constitution.

The interclass indoor meet scheduled for March 10 has been postponed until Monday, March 13. This action was taken to avoid a conflict with the State Inter-Collegiate Oratoricals, which has previously been dated for that day. The same program and list of events will, however, prevail, and an interesting schedule is assured.

STANDING OF EMERALD INTER-SORORITY LEAGUE			
	Won.	Lost.	Pct.
* Chi Omega	1	0	1.000
* Kappa Alpha Theta	1	0	1.000
* Delta Delta Delta	1	0	1.000
* Gamma Delt Gamma	1	0	1.000
* Faculty Women	1	0	1.000

* Lambda Rho	0	1	.000
* Beth Rhea	0	1	.000
* First Independents	0	1	.000
* Second Independents	0	1	.000

LEAGUE IN FULL SWING

Five Games Have Been Played In Inter-Sorority League

Much interest and enthusiasm are being shown in the Inter-sorority games. Each afternoon at 5:00 o'clock a game is played before a good natured audience, which laughs heartily at dignified and prominent upperclass girls, wildly chasing the ball and trying desperately to keep from sliding over the fatal yellow lines. The referee and line guards are kept busy calling fouls, for over-guarding and stepping over the lines.

The Faculty team, which is composed of Dr. Stuart, Miss Perkins, Miss Hair, Mrs. Barker, Mrs. Clarke, Mrs. Brown and Miss Morgan, put up a most interesting and amusing game against the Lambda Rhos. Elated by their success, they are issuing challenges to all the sorority and class teams.

Next week Gamma Delta Gamma will play Chi Omega, Tri Delta will play Lambda Rho, and the Faculty team will play any and all teams accepting their challenge. Kappa Alpha Theta will play the women of Tri Delta and Lambda Rho.

President Gillis announces a meeting of the Senior class for Monday afternoon at 4:00 o'clock, in Villard Hall. All Seniors are requested to attend.

GORDON MOORES WEDS

College Romance Culminates In Quiet Home Wedding

Gordon Moores, '08, and Jessie Hurley, '09, were married in Salem Thursday evening. The ceremony was witnessed by but a few of their intimate friends, and occurred at the home of the groom's uncle, Mr. A. N. Moores. The bride was attended by her sorority sister, Miss Ruth Hansen, 10, who is at present a member of the Salem High School faculty.

Though the marriage comes as a culmination of a college romance, the news came as somewhat of a surprise to college friends of the couple, none of whom had any intimation of what was to occur.

Both the contracting parties were prominent and popular students while in college. The groom was for four years end on the Varsity football team an all-Northwest man and captained the 1907 team. He was also a strong point winner on the track, holding the Northwest record for the 220 hurdles. He was captain of the team in 1907. Last fall Moores was assistant coach.

Miss Hurley was prominent in literary, dramatic and social circles and was one of the most popular members of the Gamma Phi sorority. After finishing at Oregon she graduated in 1910 from the Baltimore Women's College.

PRESCRIBES CANADIAN GAME FOR ATHLETES

BILL SAYS LACROSSE EXCELLENT CONDITIONER FOR ATHLETES

WILL EQUIP SPRINTERS WITH STICKS

Soccer Field Converted Into Field For Practice of Agile Running Game.

"It gives more men a chance to get into athletics and is beneficial to track men, as they receive the same training that they get in early track work, and they get some enjoyment out of it. It relieves the steady grind. When training ceases to be a pleasure, it becomes work," was the way Trainer Hayward expressed it when asked the reason for sending the track aspirants out onto the soccer field armed with netted clubs. Bill went on to say that he considered lacrosse to be the best exercise of the present day games, as it brought every muscle in the body into play and required more thinking than a philosophy quiz. As a wind developer it was excellent, and above all was an outdoor game.

The main requisite of the lacrosse player is cleverness in handling the stick and speed and accuracy in passing and receiving the ball. Lacrosse is essentially the Canadian national game, and is played from the public school boys on the vacant lots up to Provincial teams. It requires no superabundance of "beef," as football, and the small man that is a clever stick handler is the better player, provided, of course, he can think quick and keep his temper under control.

The field is one hundred yards long and generally averages eighty yards in width. At each end are placed upright posts six feet high and six feet apart. A net is stretched behind these posts to receive the balls that are thrown between the posts for a goal, which counts one point. The ball is "faced off" in the middle between the two centers, then begins the running and passing game, much the same as basketball, until a man is in position to shoot for a goal. There are twelve men on a side, and all play the field except the goal keeper, who stands in front of the net to stop trys for a goal. Since the game requires so much passing, team work is the essential part, and team plays are executed with dazzling speed by the championship teams.

The Oregon men are taking kindly to the game, and some are becoming proficient in handling the stick. It is probable that a game or two will be pulled off before the year closes.

SENIOR PICTURES ARE DUE BEFORE FRIDAY

"All Seniors who have not yet had their pictures taken for the Oregon, must do so at once," is the decree of the management of the annual. The pictures must be in by next Friday, when they will be sent to the engraver.

Senior members of clubs and fraternities have all had their pictures taken. Many who live outside of the houses have not yet done so, however, and they should see the photographer at once, and notify Walter Huntington, who has charge of the work that the solio is ready. If any desire to use old pictures, they should so notify Mr. Huntington.

INTER-FRAT LEAGUE

	Won.	Lost.	Pct.

* Acacia	1	7	.125
* Sigma Chi	1	8	.111

COUNTRY FAIR TONIGHT

For Purely Nominal Fare One Way See the College's Fair-est in Clever Stunts

Never let the humiliating charge be preferred against you that you did not see the Y. W. C. A. Country Fair. The stigma of such a charge will brand anyone with social obloquy as well as fill him with remorse and regret that he missed the biggest thing in his whole college course.

To begin with, there is Latourette and Burke's Abyssinian Rascals, which are pronounced by those who have seen rehearsals to be absolutely the best collection of Coon Shouters ever assembled. Some hitherto unpublished sensations are promised which are expected to make even the sourest members of the faculty chortle with glee.

The Orpheum program includes six stellar numbers that have been diverted from regular circuit and brought to the local stage only at a great sacrifice of time and money.

The different clubs, fraternities and sororities are each running a booth, where rich and spicy attractions are temptingly displayed and advertised before the gaping rabble.

It will really be the greatest carnival of fun and burlesque ever put on at Oregon, and to miss it will be to brand ones self with the lasting, ineffable charge of being a "dead one."

LEAGUE TO BE ORGANIZED

Inter-Frat Games Scheduled Before Varsity Contests

Arrangements for the reviving of the old Doughnut inter-frat baseball league will be made at a meeting called by Manager Luckey for next Tuesday night at 7:30. Each fraternity or club expecting to enter a team is requested to send a delegate to the meeting, which will be held at the dormitory.

The plan this year is to play all games up to the semi-finals, at least, before the Varsity schedule begins, so as not to interfere with the regular Varsity practice. In the past two years there was occasional friction because the frat and Varsity teams wanted the baseball diamond at the same time. In drawing up the schedule this year all trouble will be avoided.

The Doughnut league was started two years ago, through the efforts of Lair Gregory, then editor of the short lived Midnight Doughnut. "Greg" put up a silver cup, the "Doughnut Cup," for the winning team and took charge of the league for the first year.

Each year the cup is awarded to the team coming out at the top of the league, and it becomes the permanent property of the club winning it twice.

Save Friday night, March 10th for the Intercollegiate Oratorical Contest.

W. S. C TEAM COMES WITH BLOOD IN EYES

LOWERY, STAR FORWARD, WILL BE IN GOOD CONDITION

SIGS WILL PLAY BETAS NEXT TUESDAY

Inter-Fraternity League Game Will Settle Possession of Hayward Cup for Year.

Oregon students will have an opportunity of seeing the second conference basketball series when the team from Washington State College meets Hayward's quintet, Monday and Tuesday of next week.

Although W. S. C. stands low in the percentage column, they are not by any means contented with their second division position and are invading Western Oregon with the determination of annexing a few games.

Lowery, the W. S. C. forward, is one of the best players in the Northwest, and made considerable trouble for the Oregon guards in the previous series. He will be in better condition for the coming games, as will also the "Moose," who will be pitted against Carl Fenton. Reserved seats are now on sale at Linn's Drug Store.

The Beta Theta Pi-Sigma Nu game for the championship of the inter-fraternity league will not be played as preliminary to the W. S. C. game, as previously announced, but will be reserved as a separate attraction Tuesday afternoon at four. This game will decide the possession of the Hayward cup for the coming year, and is looked forward to with much interest. A nominal admittance fee will be charged for this game.

MICHI KAWAII TO SPEAK BEFORE Y. W. TUESDAY

Michi Kawaii, the famous Japanese missionary, will speak to the women of the University next Tuesday evening at 7:00 o'clock, in the Girls' Gymnasium, on the subject of Japanese missionaries.

Michi Kawaii is a native born Japanese woman, and one of the most highly educated women of her race. She attended school both in Japan and America, graduating from Bryn Mawr College with high honors. Since leaving college she has devoted herself to religious work for her country, and has been eminently successful. She is an interesting speaker and is in great demand.

Miss Kawaii is a woman of much culture and a charming personality. She still retains her native Japanese costume, and will wear this garb at the meeting.

During her stay in Eugene she will be entertained at the Chi Omega house where a reception under the auspices of the Y. W. C. A. advisory board will be given Tuesday afternoon from 3:30 to 4:30. All faculty ladies, auxiliary mission members and University girls are invited to attend this reception.
