RABBI WISE SPEAKS ON "ACADEMIC FREEDOM"

SAYS OREGON SHOULD NOT STINT SUPPORT FOR COLLEGES

PORTLAND RABBI DELIVERS ADDRESS

Defines Academic Freedom and Says Culture and Education Necessary

"Academic Freedom" was the subject of the address of Rabbi Jonah F. Wise, of Portland, delivered at assembly this morning.

After making it clear that academic freedom means freedom to search for truth without interference, Rabbi Wise pointed out that the present tendency to demand that universities give their students only utilitarian and technical education which can be sold for a fixed salary in the market, is really a backward movement. He called particular attention to the state of Oregon, which, as a comparatively new state, he said, is committing a grave error in failing to more liberally endow its university, from which should go out annually men and women fitted not only to sell their university trained services, but to spread culture and moral uplift.

Academic freedom, he said, means that university graduates will not go out from college as negative quantities, but as positive forces, equipped with power for spreading good in the community, for which the community can well afford to pay. It is education in which all men are free.

At the close of the address, which seems to be considered as one of the best delivered this year, the assembly was turned over to the Freshman class. Harold Young delivered a short address and D. L. Lamm sang a well rendered solo.

JUNIORS WILL ALSO ASSEMBLE NEXT MONDAY

President McDaniels gives notice of a special meeting of the Junior class on Monday, March 6, at 4:00 P. M., in Dr Schmidt's room in Deady Hall. Reports of committees and other important business will be considered.

BETAS FINALLY WIN OUT

The inter-fraternity league basketball series closed yesterday afternoon when the Beta Theta Pi's won the final game from the Sigma Nus by the score of 26 to 8 and finally annexed the Hayward cup. The game was not as fast as some played earlier in the season, as the Sigma Nus were out of condition and at times played a listless game.

"Chuck" Taylor played center in Benson's place, and Kay filled a guard position. Bean did not play his usual game, while Stine was there every minute of the game. The ex-Varsity captain rolled in baskets from almost any position, totalling 18 points for his team. Rice played his usual steady game, and Brooks managed to register a few points while the matinee was on.

The one-sided score does not indicate the relative strength of the teams, but the proportion of pip shown.

"Sap" Latourette made the presentation speech amid the applause of the multitude, and handed Bill's silver mug to Captain Stine after the shouting was over.

NO RETURN CONCERT BY GLEE CLUB THIS YEAR

Because of the illness of Professor Glen and the inability of the Mandolin Club to get together, there will not be a return concert of the Glee Club this year.

Manager Stine has not yet balanced his accounts, and does not know the financial outcome of the season.

ARRANGE REGATTA PLANS

Canoe Carnival Committee Busy Accumulating Ideas for Festival

The committee appointed from the Junior class to arrange for a canoe carnival are busy formulating plans, and at an early date will be prepared to make definite recommendations to the class of 1912. The committee appointed by President David McDaniels includes Ralph Moores, Emma Waterman and Harold Bean.

Correspondence is being carried on with other colleges to obtain suggestions as to how these regattas are managed at other places and what are the main features of the sports and parades.

Although the Junior class has taken the initiative in the movement and has voted to further the project, there is no intention of making it a one class affair. On the contrary, it is hoped to interest the whole college in the project and make it thoroughly characteristic and representative of the University of Oregon.

FOUR ARE STILL IN RACE

Cup Might Go to Either Gamma Deltas, Tri Deltas, or Chi Omegas

Monday afternoon Gamma Delta Gamma won from Chi Omega by a score of 10-6. Chi Omega put up a good game, although crippled by the loss of Willma Young, their center. Their score resulted from one basket and three fouls, while Gamma Delta Gamma's fine team netted three baskets and two fouls. Dr. Stuart and Miss Perkins refereed.

The lineups for the game were: Gamma Delta—Madeline Harding, Carin Degermark, centers; Bess Riddle, Eva Roache, guards; Nellie Banfield, Florence Avery, forwards. Chi Omega—Juliet Cross, Rose Basler, centers; Fannie Gregory, Cecil Miller, forwards; Vivian Simms, Esther Maigley, guards.

Tuesday afternoon Theta won from Lambda Rho by a score of 12-9 in one of the best and closest games which has yet occurred.

The lineups were: Kappa Alpha Theta—Eleanor McClain, Mary DeBar, centers; Maurine McAdams, Bess Cowden, guards; Hazel Rader, Frances Adams, forwards. Lambda Rho—Lilah Clarke, Lucia Macklin, centers; Darell Belatt, Marjorie Cowan, Beatrice Pugh, guards; Alice Stoddard, Rachel Applegate, forwards.

Wednesday afternoon Tri Delta plays Theta and Thursday afternoon Gamma Delta Gamma plays the winner of Theta and Tri Delta for the Emerald cup.

The gym will be given over every afternoon from 3:00 to 6:00 o'clock to the participants in the special events. Track men will work on the outside track—the weather permitting.

U. O. WINS TWO MORE GAMES FROM PULLMAN

VARSITY REGISTERS 75 SCORES TO VISITORS' BARE 21

W. S. C. BASKETBALL TEAM OUTCLASSED

First Game Comes by 45 to 14 Score and Second by a 30 to 7 Score

The Varsity took the first game from the Washington State College team on Monday night by the one-sided score of 45 to 14. Even though the Varsity was not called upon to put up the best it had, W. S. C. never came near tying up the score.

Oregon led off with a dash after the whistle, Fenton and Jamison throwing almost at will.

The first half ended 31-9, with Pullman still up in the air. The second half was a repetition of the first, Oregon keeping her safe lead and working team plays. Moore went in during this half and played a good game, but the lemon yellow quintet was far enough ahead to loaf safely, and the score of the second half was not so large as that of the first section. The final score stood 45-14.

The game was fast, but free from fouls. Kestley made his debut as a referee, and evidently gave satisfaction.

The Pullman team has an excellent excuse for losing by the large score, as their All-Northwest guard, Dalquist, was unable to make the trip on account of low grades. Buck, their center, was out on account of injuries. Lowery was in poor form and did not play his usual game because of sickness. He was taken from his usual forward position to play center, which disorganized their team plays.

The second game was a continuation of the massacre, though Pullman played a better game than in the first contest. Jamison was not in the game, and his place at forward was filled by "Butch" Moore, who put up the game of his career.

Oregon kept a good lead and safely smothered the incipient rallies of the Northerners. Simms was strong at guarding and in dribbling down the field. Watson went during the last half and Brooks was also given a chance to show what he could do in a Varsity game. Both performed creditably. The final score was 30 to 7.

With the exceptions already noted, the lineups were:

W. S. C.		U. of O.
Farriss	F	Jamison
Bartlett	F	Walker
Lowery	C	Fenton
Ritter	G	Eliot
Knight	G	Simms

MONTANA WANTS IN ON TRI-STATE MEETS

According to a letter received by Athletic Director Hayward, this morning, the University of Montana desires to enter a team in the Triangular track meet here May 7th. The teams entering in the meet are Oregon, Washington and Idaho. Montana will pay all the expenses of her athletes if allowed to enter the competition. The matter will be taken up with the other two colleges immediately.

FROSH HOLD MEETING

Treasurer Reports Class \$60 in Debt—Crockett and Janet Young Delegates

At a meeting of the Freshman class Friday afternoon, P. Campbell Crockett and Janet Young were chosen as class delegates to the Inter-Collegiate Oratorical Conference to be held here next week. Mr. Crockett was elected by a close majority over Vernon Motschenbacher; Miss Young's election as co-ed representative was unanimous.

Treasurer Haugen rendered a final report on the financial condition of the class after the recent dance. The report shows a deficit in the treasury of about sixty dollars, a debt considerably smaller than that contracted by the Freshman classes of recent years.

It was unanimously decided to have the '14 basketball team represented by a writeup in the Oregonian. As this entails an expense of five dollars, the treasurer was directed to take up a subscription among the men of the class to defray the cost. Tentative plans were discussed for having a photograph of the class taken for the Oregonian.

A date for the taking of the class picture, probably some time next week, will be announced as soon as arrangements can be completed.

CLUB SEEKS SOME PLAY OF UNIVERSITY LIFE

The Dramatic Club has not definitely decided upon the play which will be given Thursday evening of Junior Week End; but they fully intend to present one which, like the College Widow, so successfully given two years ago, will portray some phase of college life.

COUNTY FAIR GREATEST SUCCESS OF THE YEAR

LARGE CROWD LAUGHS AT FUNNY SHOWS AND PEOPLE

Y. W. C. A. MAKES MONEY FOR HOME

Every Club and Fraternity is Represented in Money Making Stunt of Some Kind

Hurry! Hurry! Right this way! The only show! Say, why don't you tight-wads loosen up? This and more was heard and seen at the County Fair, held in the Men's Gymnasium last Saturday evening, and pronounced one of the greatest successes of the college year as an entertainer and money maker.

Nearly every club and fraternity was represented in some way. Booths, side shows, candy vendors and shooting galleries were there galore, and "speilers" shouted forth their oratory until the room fairly roared. "Jamie" Jamison was there in a big sombrero hat and vied with "Hippo" Gillis, who wore a long flowing mustache, in attracting crowds to his wonderful show. Abe Blackman, as a monkey, and Bill Fiser as an Italian organ grinder gathered in many nickels and dimes; the incubator babes from the Kappa Sigma house played and squealed in their cradles, and Burns Powell as police judge found some excuse for fining everybody brought into court by six industrious "cops." One of the most attractive stunts was Freshman Cowden's debut as a luscious sheath-gowned damoiselle.

The feature act of the evening was the minstrel show put on by some twenty of the Varsity's "funny men," who sang songs, danced, and cracked jokes on the college character, though at times "verging," this feature of the evening was much enjoyed.

An unusually large crowd was in attendance and spent its money freely about the grounds. The Y. W. C. A. is able to report a neat profit from the venture as a result. There is some talk of making the County Fair an annual event—giving it always in the interest of some worthy cause.

PLAN DOUGHNUT LEAGUE

Definite steps were taken toward reorganizing the Doughnut League for 1911 at a meeting held last night in Manager Luckey's room.

Representatives from ten clubs and fraternities were present and judging from the sentiment expressed the coming contest will be most successful. "Jack" Luckey, upon whose call the delegates met, presided, and upon motion appointed Leslie Dobie, Herbert Barbour and Evans Huston a committee to draft rules and evolve a tentative schedule.

The delegates will meet again Sunday, when the committee will report, to consider the recommendations. It was decided that the coming schedule would be run on an elimination rather than a percentage basis. The delegates recognized that a percentage schedule would be fairer, but would necessitate at least 55 games, which would unduly prolong the season and result in a loss of interest.
